Holden Village's biggest annual fundraiser event is back for the fourth year! Join us virtually from Wednesday, October 2, through Sunday, October 6. The auction offers items and experiences you just won't find anywhere else and gives you the opportunity to help keep the daily operations and programs of the Village running.

Holden Village is a year-round remote wilderness retreat center, rooted in the Lutheran tradition, that welcomes all people into the North Cascades Mountains, high above Lake Chelan, Washington.

Visit www.holdenvillage.org now and click on the "2024 Jubilee Auction" at the top of the home page to donate items and experiences. The last day to donate items is September 5, 2024. You can also preregister as a bidder to get updates and previews of what will be featured during the auction.
