Dear Parents/Guardians:

Thank you for your continued support of Waverly Junior/Senior High School students, staff and school community. We are writing to inform you that Mrs. Libby Self will be finishing the year as your child's building Principal. Mrs. Self is a licensed PreK-12 administrator. We are confident that she will be able to fulfil the administrative role for the remainder of the school year.

Please do not attempt to contact Mrs. Wildeman.

Mrs. Self can be reached via email at lsself@usd243ks.org or you may call the school and leave a message. Libby is available to answer any questions you may have.

If you have any other questions, please feel free to call me or you can email me at creese@usd243ks.org.

Sincerely,

Corey Reese
