

## How to Change Your Google Business Profile Photos

The photo(s) in your library's Take Your Child to the Library Day map listing are the ones associated with your library's Google Business Profile. CLC cannot change the photos for you, but the good news is you can change them yourself!

Your Google Business Profile looks something like this:

If someone at your library has already claimed and verified your library's profile, you (or they) can update the photo. If not, claiming/verifying is a good thing to do. Once your library owns your profile, you can customize it – not just for the Take Your Child to the Library Day map, but mainly so you have the right information and images popping up in Google Search.
