- [2023 Media to Movements Global Survey Results Online Event](#). On May 10, 2023 the Media to Movements Training Coalition hosted an online event for 66 participants to release the findings of the 2023 research project.

Resources

- [Data Reportal](#) Data Reportal offers thousands of free reports that help you make sense of what people are really doing online.
- [Digital Ministry Atlas in 40 Least Reached Countries](#) A detailed overview of the digital landscape for 40 least-reached countries.
- [Social Media Examiner](#) Your guide to the social media jungle. Free newsletters and tools from the pros.
- [Social Media for Missions: An Introductory Guide](#) A guide that gives all you need to get caught up with social media, and specifically, using it for missions.
- [What TikTok's Online Dominance Means for Your Church](#) A blog post from Tom Pounder of thechurch.digital.

Summaries

- [Chatbot Case Study Executive Summary](#). On February 13, 2019, 41 people gathered in a video conference to learn how chatbots are being used in two ministry contexts to foster on-the-ground movements (DMM, CPM). Levi presented a 30-minute case study from the Middle East and AJ gave a 10-minute case study from Asia followed by Q & A.
- [Media to Movements Catalyst Meetup](#). On September 5, 2019 a group of media to movement trainers hosted an online meet and greet for those interested in the use of media to foster disciple making movements. 28 people attended the video conference.
- [How to Build Your Follow-up Coalition](#). 34 people gathered on November 5, 2019 for an online event focused on building a follow-up coalition. We heard from two experts on how they have addressed their follow-up coalition building in very restrictive environments.
- [MTM "Top of Funnel" Gatherings](#). A "Top of Funnel" Marketing Community of Practice has been meeting quarterly since May 2021.
- **MTM "Content" Gatherings**. The "Content" Community of Practice has been meeting regularly since May 2021.
 - [2021 May](#): MTM updates, meet and greet.
 - [2021 August](#): MTM updates, meet and greet.
 - [2021 November](#): Best content for MTM teams.
 - [2022 February](#): Presentations: StoryDrive, Reliant Creative and CV Global.
 - [2022 May](#): How TWR Motion team supports MTM teams with their creative skills.
 - [2022 October](#): OneKingdom team re: building a regional content creation network.
 - [2023 January](#): West Africa: building a regional MTM initiative to aid and support DMM goals.
 - [2023 April](#): South Asia: building an MTM initiative to support DMM goals.
 - [2023 August](#): Steve and Dima: Implications of AI in Content Creation
 - [2024 January](#): Jon and Andrew gave us insights on marketing. Kristie gave a perspective on using media in a high security environment.

Technology

- [Disciple.Tools](#). Software designed by disciple makers for disciple makers to increase time you can spend with people.
- [Discover App](#) - DBS app with Text and Audio for Android, Apple and [web](#) in 13 languages
- [Waha App](#). Anyone can facilitate a Discovery Bible Group or DMM training with this easy-to-use app.
- [DMM Platform](#). Discovery Bible Study MP3s anyone can use.
- [Echo Global](#). A fee-based system that provides "Easy and secure contact center for all your Gospel conversations.
- [Pattern App](#). A DMM type app focused toward individual, small group, and home church discipleship. Disciples multiplying disciples is the DNA of the app. There is a secure Android app, a non-secure Android app and a web based version. The Pattern app is currently in beta testing in Farsi and English. Other languages are already in development.
- [Voke](#) is a an app allows you to share compelling videos with your friends and to be present to chat about it when your friends are done viewing it.

Connecting

- A closed FB group of practitioners who want to share what we are learning about how to use media in making movements that lead to Jesus followers in the unreached world. Security is paramount in this group (the group is secret so is not visible in any way to those outside of the group). Please reference how you heard about the group when requesting access. Email [Tom Khazoyan](#) or [Brad Stoops](#) with an explanation of your interest to be invited.
- If you are interested in **using chatbots**, there is also a secret Facebook group focused on this topic. Join to connect with others to share resources, discuss ideas, and ask questions. Again, security is valued. Please reference how you heard about the group when requesting access. Email [Brad Stoops](#) with an explanation of your interest to be invited.

[Table of Contents](#)

Story

Story Baby Steps (If you are just getting started, take a look at these brief, introductory resources)
