

show y'all something interesting before we open the word tonight I have always wanted to do something that I've never done you know I'm big into numbers I believe that the numbers uh everything in the world the universe is on an algorithm uh believe everything is based on numbers and I've always been interested in the numbers so I finally for the first time reached out to a Hebrew uh NuMe uh numbers uh group that does nothing but the Hebrew numbers and uh so I sent them my name they didn't want my full name they just

wanted the name I go by the name I'm known by so I sent them my name Shane Von and I want to share with you what I got back because you know my first name is John that's my first name when I was born my grandmother and my mother and my father all had a fight over what to name me and uh so my dad's name is John of course he wanted me name John and my grandmother wanted me named Stephen with a pH and my mother wanted me named after the western movie Shane so they couldn't agree so they threw it all together and named me John

stepen Shane Von well something interesting happened I want to show you now we know that John Was Elijah okay we know that and uh but look what happened when I sent the name Shane Von in it comes back yakan G I'm named John twice and didn't know it yakan is John I don't think anybody's seeing what I'm saying I'm a double John what I'm double John amen double Elijah Spirit of Elijah double por that's a double I am a d i mean the how three three three I'm John John I'm double John so my name in Hebrew is yakan

gur and my uh now according to their algorithm watch this out of all the Bible the one verse that applies to all of my numbers and Yahweh said to Abraham lift up your eyes and look to the north the the South the East and the West and ya how many remember when my wife met me Hallelujah prophetic what did Yahweh tell my wife before she agreed to marry me he spoke to her and said that I was the Abraham of this day and out of all my numbers that is my verse out of all the Bible that applies to every one of my numbers and then my

last name Gore Judah thy Brethren shall honor you thy hand will be on the neck of the enemy and behold and thy father's Sons will give you honor now when I go down and look at my number it's nine and I don't know who's ever heard me say this maybe sister Pat but I've always said I was jealous that my number was not nine because I've always wanted to be a nine I don't know Pat did I ever tell you I've told somebody that before I said I wish my number was nine because it is the number of loving kindness it is the greatest number as

far as uh loving people now here's my report in the wisdom of Jerusalem we've uncovered the essence of Shane vau his Hebrew name means John The Lion now it's a cub to begin with until I get older and then I become John the lion it reflects strength and the potential for growth into formidable leadership shame derived from yakan means Yahweh is gracious it embodies Divine favor compassion and a calling to reflect kindness and strength and all of his interactions V is Gore which means Young Lion it represents strength in

development and the promise of emerging into a powerful and protective figure yakan signifies Divine kindness as a vessel of Grace offering wisdom and understanding to those around him Gore represents the strength of Youth courage and the potential for growth it reflects capacity of meaningful leadership and then it shows the origin of the name Gore and I I about lost my mind when I saw this for I will be unto Ephraim as a gur and who do we represent Ephraim John or Shane is is called to embody Grace and compassion offering

kindness and guidance reflects his potential as a protective leader using that to inspire and uplift others but I love this the last one balancing kindness and strength the combination of yakan and gur emphasizes a Harmony between divine grace and resilience nurturing while reflecting kindness and strength of his Divine calling now I want to show you quickly uh like Abraham lifting his eyes to see the land promised to him Shane is encouraged to broaden his perspective embrace the opportunities and the responsibilities

ahead he will develop into a strong and courageous leader ready to face challenges and Inspire others it highlights his capacity to lead with Grace and Trust and it goes on and on I was just blown away especially when you get down to the meaning of that number nine and on and on and on so anyway I I was blown away that John I I mean think about it when I was born what inspired my parents to name me John twice Yahweh amen Yahweh I mean isn't that just you're calling amen I mean they named me John Shane who knew that Shane was

John that just amen I'm saying that to say this everything in your life your steps are ordered by Yahweh there are no mistakes Hallelujah and he does all things well amen amen pastor and may I live up to kindness and strength and finding that balance between the two that is what Yahweh has called us to do and maybe the double John is the prophet and the Apostle now now well because he was both wasn't he yes wow I'm Blown Away thank you for sharing that Pastor oh thank you for allowing me I just I was blown away

I'm I'm a double John I love it I love it it would it' been one thing if I would have known I was John John but now at this point in my life y'all send me that message but I here's what I saw in it the potential the potential the responsibility to live up to that potential and that's where we all have to uh come into our our destiny in this life amen well we're going to open the word now um and but oh no we're not no we're not first of all I don't see Sister Sarah Shepherd here tonight I hope she's okay no we're not going to the word now

I'm here Pastor oh you are so lucky that you didn't get caught Hallelujah I love it thank you darling no first of all we are going to go to the second song of the Sabbath sacrifice because at this exact Sabbath thousands of years ago the Zite priesthood sang this song on this exact Sabbath we found out last week that we played the first song exactly y'all that blew my mind do I want do do you know that last week I had no idea Yahweh knows I didn't until I got with Sister Sarah I had no idea when he told me to teach that lesson and play that that that was the first of the 13-week cycle I didn't know that I didn't know that oh but he did and it just blows my mind now this is week number two in the 13-week cycle this is how they kept up with time guys that 13 we just repeated over and over and over and over and over and that's how they knew what time it was so tonight we're going to play that

second song it's only about a minute long but they would sing this and I don't quite know in my way of singing how to sing these songs

uh but I have been praying secretly for him to reveal The Melodies uh I guarantee you I know another lady that's been praying that same prayer over in Texas hallelujah hallelujah so let's listen amen uh let's make sure I've shared my sound hang tight stop sharing share uh share the sound there we go now this song is about the H hundredfold angels I want you to listen carefully they addressed 30 60 and hundredfold Angels just like we have on earth a portion of the song for the second Sabbath containing a description

of the elite Priestly Ang did you hear that the elite Angels this song was to the H hundredfold Angels now I will stop the song to explain what you're hearing otherwise you may not comprehend it angels and deprecating human Worship in comparison with that of the Angels what does that mean deprecating human worship what that means is the priest were blown away that Yahweh has called humans in our low state to worship on Shabbat with the angels in the Heavenly Temple wonderfully to Praise Your Glory among the wise Divine beings extolling

your kingdom among the utterly holy they are honored in all the camps of the Godlike beings they are honored in all the camps how many camps are there three outer inner and holy of holies these are honored among all of the camps and feared by those who direct human Affairs and they're they're they're they're feared by the angels that direct human Affairs you see there are some angels that are princes of Persia princes of Russia that direct human Affairs like the presidential election of Donald Trump do you did you see that

there is categories of angels some direct human Affairs and they are saying that the elite Ang angels are honored among those lower Angels you know that thing that we hate in God's Church hierarchy wondrous Beyond other Divine beings and humans alike these are more wonderful than all the other Angels they tell of his Royal Splendor as they truly know it and exalt his glory in all the heavens of his rule they sing wonderful Psalms according to their Insight throughout the highest heaven and declare the surpassing glory of the

king of the Godlike beings in the Stations of their habitation how shall we be reckoned among them how are we reckoned among them they're crying out to Yahweh saying why have you called us to keep the Sabbath with the angels and our deprecation they're blown away that they've been invited to join in the Heavenly temple with these Elite angels as what are priesthood in their habitations how shall our Holiness compare with their utter Holiness what is the praise of our mortal tongue alongside their Divine knowledge and that was it that was the

song what is our tongues compared to their Divine knowledge I don't know about you tonight but does it not blow you away as well I mean did you Hallelujah did you hear the song did you hear what the priest the Zite priest sang on that second week they were singing You angels in the Heavenly Temple why are we allowed to join in these Sabbath sacrifices with you and lift our songs up with you how is this possible amen oh The Wonder of it oh Hallelujah truly oh the Wonder of it amen amen now did you hear the Heavenly priest I mean

I'm sorry the Earthly priesthood refer to these angels as the Godlike beings did everybody hear that does that throw you off a little bit well that's because you've been cursed with Christianity and you've got so much Christianity in your mind you cannot comprehend Truth uh the worst thing that ever happened to many of us was Christianity and I say that because Christianity is Pagan from its Trinity to its holidays everything about it is paganism and so when we hear truth like the Godlike beings what does that mean that's the

Elohim how many of you heard the debate that I did last night with the young lady lady on the Trinity any of you okay 3 four I did thank you I want to ask you I was blown away with this very intelligent woman I was blown away when she said to me there are no other gods besides God she said why would he say I have no other gods before me if there's other gods and I said Ma'am why would he say it unless there were other gods to have before him and she I she began to crumble at one point and it's what I call foundational

understanding you know this is a horrible comparison to make and I hate to use it I really do because I don't believe in the Masons at all but when you join the Masons you go through degrees of learning okay and before you become 33rd degree if you will in the word of God I'm so sorry but everybody doesn't come in equal your understanding of the scriptures is literally an initiation into the scriptures with basic understandings and one of the most most basic understanding that every one of you must become experts at is this the

logos and the Elohim if you cannot right now explain the logos and the Elohim to your friends to your family you will never be able to survive in this message that is basic understanding now I proved it in the debate I didn't do that debate for her I did it for y'all I did it for you so that when you see where I lost her the moment she said what created the world and I said what was she expecting me to say the word of God I said the logos she looked at me like I said the logos and she said the word I said no the logos at that moment the debate was over why she's clueless of what the logos is and then the Elohim clueless so when you listen to this song of the Sabbath and it talks about the Godlike beings your Christian mind is going to start saying get behind me devil there's no other Godlike beings but there is that's why Yahweh sits among them did you see that he sits among the gods brothers and sisters the truth you have been given here is more precious than silver and gold it's opening up the Eternal for you it's opening up the very

portal of Eternity for you you're you you you are literally opening up literally to your destiny of your birth and that's why the enemy will drag you away from this with every distraction he can brothers and sisters don't fall for it by the truth and sell it not now we're going to open the Bible tonight and find some more wonderful truth associated with the Tabernacle of Moses amen hallelujah Blessed Be His holy name we're going to the book of 2 Corinthians 5 and 6-8 2 Corinthians 5 and I I'm sorry I think sister Anna soluk had her hand up sister Anna I didn't mean to overlook you you're welcome to say something quickly if you need to I really didn't you just said who listened and I raised my hand that I listened then I took it back okay but since you are letting me

talk a brief second I work for a bank and every night I on the headsets with customers and email you got or that thing that's a scam please don't respond people are that's going out like crazy right now people are giving away their they're giving away their credit card numbers

they're giving their socials to these uh UPS's and they're also doing it for people are getting like ,000 dollar to Target and it's scaring people so they give all their info so just warning to everybody wow thank you for letting me know that thank you Amen brother Roman moretsky I'm so glad to see you and last tonight Sister Lisa lauff uh the chambers I hold on the chambers I know them let's see Chambers if you're out there say something to me tell me how I know you did you one they're from Delaware Delaware yeah they've come to

our meetings Pastor who is this who's talking to it's Elder pachy oh hey Elder one oh okay okay the chambers all right I thought I've known them okay so glad class tonight amen welcome tonight all right Elder Morgan I'm ready to get into the word amen Pastor I'm ready when you are go ahead yes sir 2 Corinthians 5:6-8 therefore we are always confident knowing that whilst we are at home in the body we are absent from the Lord for we walk by faith not by sight we are confident I say and willing rather to be absent from the body and to be present

with Yahweh or the Lord amen well well well well here we go amen so what's funny is this may be the most misunderstood verse in the Bible I say that about every one of them don't I Hallelujah you tell me uh is that is that toot I see is that toot watching me oh look there oh toot unmute yourself baby and say hello to everybody toot y'all don't know toot by that name is she out some of us do hello hello toot how you how you doing

darling I'm good don't let Dr devette see those Cheetos he's gonna contact your mom and tell her how horrible they are for you that's right amen well good to see y'all tonight bless you you better come see me tomorrow I got to get a hug before you go home okay okay all right so good to see her in class tonight amen Amen brother Mario good to see you tonight somebody tell me what you think that verse sister Victoria Doyle tell me what that verse always meant to you before you came to the message to be absent from the bodies to

be present with the Lord tell tell me what that verse what you always thought that meant go ahead that our my allegiance basically is to the lord it's not to me all right very good someone else tell me what the Christian Church uses that verse to prove I thought Pastor that when I died I was going to heaven to be with the Lord and that's that's the verse they always use correct to be absent from the body is to be pres some of y'all so glad I'm teaching on this verse tonight is to be present with the Lord amen well would it shock you tonight if

I taught you and prove to you that that verse has nothing to do with life after death that it actually has to do with the Tabernacle of Moses I'm going to prove to you tonight what that scripture is referring to and we're going to connect it back to the Tabernacle now remember what we were supposed to be getting into tonight for those that might have forgotten let me show you where we are in this lesson tonight we were supposed to be getting into what the garments of the high priest and explaining everything the turban the crown the ephod the breastplate the belt the robe the tunic and the pants and we are getting into that tonight but did you know that that verse is all about the Priestly garments it has nothing to do with death and what happens when you die how is that connected to the Tabernacle of Moses well I thought you would never ask the Apostle Paul in this verse is not speaking about going to heaven to be with the Lord as most people teach what he's talking about is changing garments he is talking about moving

from an Earthly priesthood to a Heavenly priesthood now when yua and I'll give you an example when yosua walked on the earth did yosua have Heavenly Authority let me call on somebody that looks smart uh Elder pachy you look mighty smart tonight when yosua walked on the Earth did he have Heavenly Authority um not not among the uh people on the Earth I mean yeah I would say how about give me how about give me I'm gonna make you do like they do in court give me a yes or a no I'm gonna say no gonna say no now you said right okay you said right I

saved you you almost said yes so I saved you there Hallelujah no I'm kidding very good Elder right he he had no Heavenly Authority now do you know why that is because of the robe he was wearing the Garment he was wearing and it all has to do with the Tabernacle of Moses he did not get Heavenly Authority until he changed clothes oh it's going to get good tonight okay yua had no Heavenly Authority but when he changed garments from wool to linen Hallelujah then all of a sudden all authority in what heaven and earth and Earth was given to

him why because now he is wearing two robes the wool robe which is what his flesh and blood and then he was given a linen robe which is his Priestly garment that allows him to enter into the holy of holies and now all authority in Heaven and Earth has now been given unto him now how do we know all of this and Pastor V why does anybody else not read that scripture and see what you're saying I'll tell you why because they're told to forget about the Old Testament it's nothing but a bunch of Shadows no it's a bunch of patterns and if you

forget the pattern you will never ever make the right outfit we must go back to the Old Testament of Moses's Tabernacle and realize that the Priestly garments is the secret to understanding what Paul is talking about now if you go to the Old Testament there is two whole chapters about the garments of the priesthood and those chapters are Leviticus chapter 8 and Leviticus chapter nine we're not going to read them tonight but I encourage you to read them and when you read them I want you to say to yourself when you're

finished I'm so glad that Yahweh doesn't care about clothing amen you will find two two whole chapters where Yahweh is [Music] commanding certain Fabrics to be worn now did you ever read those chapters dear friend of mine and just sort of skip over them and be like okay I mean really for real we're going to really worry about the I mean did you ever wonder why would Yahweh who put every little star in the masero perfectly do the same thing with the garments of a priest Hallelujah do you know why because it was never about the garments

sister Sherry go ahead I thought he couldn't wear the wool and the linen together you can't you have to take one off and that's what yua did in the resurrection [Music] well that prach if you'll let me teach the lesson I'm G to yeah I'm going to be getting to all of that amen yes ma'am amen I got it I got it you just got to the end of my whole sermon you can't wear them together hallelujah amen so brothers and sisters when Yahweh in those two chapters lays out every single detail he's not doing it because he really gives a FL clip about the Garment itself but rather the Garment is designed to represent a garment that is waiting for you in the heavens which is the new body the linen body that you must take up in the resurrection Hallelujah and brothers and sisters oh bless his name every one of you are walking around right now in a Woolen garment okay now not every one of you watching me tonight will receive well let me let me let me go back to the beginning because I don't want to get ahead of myself but you can study that in Leviticus 8 and Leviticus

9 all right now notice what had to happen brothers and sisters when the priest would leave the outer Court they had to do what change garments the high priest had to put on a linen garment to minister in the most holy place on the day of atonement now I want to read about this to you we're going to go to Ezekiel 44 everybody turn there now what is Ezekiel 44 I spent three hours teaching on that Temple it's in one of my sermons this is the millennial Temple of the Zite priest who which is a type of the mdic priesthood now I want to I want to correct something right now some of you have been taught wrong when you when you say that we are in the mdic priesthood right now no we're not no no no the mdic priesthood will be active in the millennial Reign and there's a reason for that there's a reason yua is after the order of MDC because he was not a levite he was not from the Priestly tribe so he is literally transplanted into another order of much better order the Zite order which is what MDC break that down Meli zadok Meli zadok MDC is the teacher of the zadokites the

king and the priest melchi is King zadok is priest so this order that's coming has nothing to do with the word MDC it has to do with the title priest and King hallelujah amen thank you Father Hallelujah Ezekiel 44 verse 17 let's read and read it carefully so I can teach it amen and it shall come to pass that when they enter in at the gates of the inner Court they shall be clothed with linen garments and no wool shall come upon them whilst they minister in the gates of the inner court and within if you're coming into the Tabernacle proper if you're moving into the Tabernacle proper you must remove the wo garment if you're going to minister in the Heavenly Tabernacle as Heavenly priest read they shall have linen bonnets upon their heads and shall have linen breaches upon their loins they shall not g themselves with anything that causes sweat they shall not girth themselves with wool which causes sweat read and when they they go forth into the outer Court even but but but when yua comes back from Heaven the Heavenly Tabernacle on the eighth day and comes

back to the outer Court among [Laughter] humans then he's got to put his wool garment back on hallelujah oh this this flesh listen Hallelujah go ahead Elder because I'll just get stuck here hallelujah I'll get to preaching even into the utter Court to the people they shall put off their garments wherein they ministered and lay them in the Holy Chambers and they shall put no other remember that word holy Chambers remember that word they shall lay them in the Holy Chambers why because they're in the Heavenly Temple ministering before

Yahweh they are not in the millennial Reign ministering to humanity they have entered into the Heavenly Temple and they're ministering unto Yahweh and in that Temple they've got to have a new body one that doesn't sweat one that has been earned one one that is laid up for them a house not made with hands Hallelujah but but a linen garment is waiting for every one of you in the Holy Chambers oh blessed be his name and that's what Paul was so desperate to get into read Hallelujah they shall put off their garment ments wherein they ministered

and lay them in the Holy Chambers and they shall put on other garments and they shall not sanctify the people with their garments they shall not transmit Holiness to the people with their garments why because the people that they're ministering to is 30-fold and there is a group of people that's going to be given linen garments and it's not saved people hallelujah it's Overcomers hallelujah it's the Zite MDC the melchi zadok priesthood that's going to be given those linen garments to enter into uh I'll get to that in a minute I'm getting

ahead of myself Hallelujah now that that's why I believe Yahweh has given us the songs of the Sabbath sacrifice back to explain to us the connection with the Heavenly and the Earthly in that song that they sang tonight did you hear those Zed those zadok priest saying what is our Holiness compared to theirs how is the deprecation of humanity how are we invited to make a Sabbath sacrifice on Earth while they're making one in heaven when we are not as holy as they are the answer is found in the seventh song when we finally get there

the answer is because the Zite priesthood on Earth are now in the inner sanctum where there they are being transformed into those same holy standard ards as the angels in heaven are walking in and if you ever get what I'm teaching you you'll quit all this idle talking on a telephone you'll quit all this jump you're involved in you'll quit all this ninny Nanny stuff one day you got to realize this message is bigger than you are you've got to grow into it you've got to come into it some folks must wake up out there there and

realize we are not playing games here hallelujah we are growing Hallelujah we are growing and there's no time there's no time for anything less than awe at the fact that song that they sang tonight matter of fact let me see if I can sing it how does our holiness compared to theirs oh yeah I'll sing it I'll I'll get it figured out why that's the song the priest would sing on the second week why have you invited us the seventh song will tell you why because one day you will wear the same garments that the Angelic priesthood is

wearing today those new bodies oh blessing be the name of the Lord hallelujah hallelujah I used to look at these Priestly garments and wonder why Yahweh was so fixated on the smallest minutest detail but Paul said and we're going back to where we started in Corinthians Paul said but we are now absent from Yahweh or from the Heavenly Temple we're absent from there right now do you

know why we're absent because we're wearing wool garments oh hallelujah oh but he said there will come a time when we will be allowed back into

the presence of Yahweh and listen to what Paul says in 2 Corinthians five and seven let's turn there here's what Paul is saying if you ever get the context you'll quit thinking this has anything to do with what happens when you die read what Paul said 2 Corinthians five and seven for we walk by faith not by sight hang tight as he's explaining to them that we're absent from Yahweh he said so right now Elder Bill we're absent from the Heavenly temple in that second song of the Sacred Sabbath they're singing hey you're

letting us join in in other words when you get to the 13th song of all those songs guess who's going to be in that Heavenly temple with the angels these Earthly Zite priests it's mindblowing Paul says but right now we're absent from that heaven Heavenly Temple but he said these words right now we don't walk by sight because we're absent from the Lord the Heavenly place that we were born in the temple in his presence at the Garden of Eden we was in his presence we're absent from that now so now we don't walk by sight we walk by faith

but he said the day will come when these eyes that now see through a glass darkly will once again see him what face to face to face we will no longer be absent from Yahweh we will no longer be absent with Yahweh but in in fact in fact what he said what he said in the next verse he said uh he's talking about and if you don't believe I'm telling you the truth just go back to verse One Pastor v he's not talking about no no no where did you get this from he's talking about Priestly clothing oh I'll read it to you verse one for we know that if this

Earthly House of this Tabernacle is dissolved we have another house which is another garment hallelujah oh we have a garment not made by mama and daddy here on Earth but it's an eternal linen garment that's hidden and put aside in the Holy Chambers my God hallelujah W Elder Brer just got it I saw it when it hit you hallelujah oh yes Hallelujah Paul is talking about going back to the temple that's right he said we've got an old Woolen garment right now made by hands Mama and Daddy's Hands made this body this old wool body

but Paul says in verse two and right now in this we are what what read it children we are what don't depend on me to read it you read your Bible we are groaning earnestly earnestly Desiring to be cloth we are Desiring for some clothes hallelujah oh Hallelujah we want that linen Priestly garment so we can go back into the service of the Temple of the Lord hallelujah if so verse three that being clothed so you see this whole context is what about clothing we shall not be found naked for we that are in this Woolen garment this

Tabernacle of Moses we groan we're burdened not that we would be unclothed but rather clothed upon thank you Pastor thank you Hallelujah I wish everybody could get it Elder Brer we are waiting to be clothed why we cannot enter into the inner sanctum without the new body flesh and blood cannot see the kingdom of Yahweh Hallelujah no Flesh and Blood body will ever be allowed in no Woolen body verse four for we that are in this Tabernacle these clothes this groaning this wool groan we're burdened and when now when do we get the

new clothes that mortality might be changed to immortality when do we get the linen garment beloved friends when that's right at the resurrection that's why I told you earlier that yua had no Heavenly Authority why because even he could not go in unto the holy of holies uh in a Woolen garment uh even he had to be clothed upon in the linen garments of the high priesthood oh blessed be the name of yua Hallelujah Hallelujah Glory oh hallelujah amen hallelujah and then then now read verse six therefore we are always confident

knowing that while we're at home in this old Woolen garment we're absent from Yahweh we walk by sight by faith and not by sight but we are but we are confident and willing rather to be absent from this old Woolen garment so we can wear a linen garment Hallelujah that's what that verse means Hallelujah Glory Glory Glory all you had to do was read the verses above it that's it that's it and all of a sudden it don't mean the minute we die we the minute we die we go to Heaven no no no the minute we die we finally get rid of this old Woolen

garment and we can now put on a linen garment and go into the Temple of the Lord Elder Connie Bard is that the in my father's house or many Mansion the same it's the same thing many Dwelling Places many Dwelling Places brothers and sisters now he said we're confident that when we put off this Woolen garment there is a linen garment we cannot get the linen garment until we take off the wool garment go ahead sister Sherry so at the mountain of transfiguration was Christ seen in his linen garment no ma'am that's where a lot of people get

confused the Mount of transfiguration I'm going to repeat this again it's in all my teachings on what happens to the dead whenever josua is coming down the mountain he tells his Apostles he turns to them and he says now puts his finger to his mouth he says sh don't tell anyone the vision that I just showed you what they saw was a vision of the kingdom of God with Elijah and Moses resurrected with josua in their linen garments all three of them yes ma'am yeah representing the law and the prophets and yua being the Cornerstone

of the law and the prophets amen now beloved I want to continue on this line tonight oh I'm almost out of time Lord I have not even started all right let's see what we're going to do here next we only have 20 minutes left all right let's see here preach all night Pastor we're ready if I didn't have other meetings that's probably gonna go all night I would hallelujah amen then I've got to start studying for tomorrow now I want to show you when you and I will receive our linen garments it will be at the resurrection we do not get them before

the resurrection so if Paul is saying to be absent from the body is to be present with the Lord or to lose this Woolen garment is to get a linen garment we know the linen garments will not be handed out until the resurrection now by the way the linen garment is the new body we don't get the new body until the resurrection now let's go to the Book of John chapter 7 verse 37 John 7:37 and the last day that great day of the feast yua stood and cried saying if any man thirst let him come unto me and drink all right now what's going to happen to all

of you at the resurrection you will finally be born again I don't have time to teach that if you're new tonight I have several lessons called um uh born to I have a book on that and uh anyway just go type Born Again into the search engine um but anyway no one in this class is born again no one and that's the most dangerous Doctrine is when when you say you're born again because if you're born again then you've got a linen body a linen uh cloth a linen garment but no one here has that linen garment that's why even yua as holy as

he was was never allowed into the presence of his father in a war garment when yua died and was resurrected guess what he did not go to his father no why because I'll show you why let's read uh Exodus 2229 and verse 30 now the sons of Yahweh will all be born on the first day of Tabernacles I'm going to show you now why Tabernacles is eight days long instead of seven well technically Tabernacles is only seven but why there's another day added to Tabernacles because every one of you are going to be born again on the first day of Tabernacles now remember you are born now with a linen garment you are born with a new body a body not made by hands but let's see what Torah says about this new body Exodus 2229 and 30 amen Thou shalt not delay to offer the first of thy ripe fruits and of thy Liquors the firstborn of thy Sons shalt thou give unto me all right now who is that talking about someone tell me who is the first of the liquor the first of the the harvest the first who is the first not the first of the not the first

of the first who is this first that it's talking about the first harvest har it's talking about this ministry amen this ministry's named this for a very prophetic reason okay the first when when the first is born and when will the first be born on the first day of Tabernacles which is what the millennial okay read verse 29 and 30 hello Elder sorry I sorry I was mut that's okay go ahead likewise shalt thou do with thine oxen and with thy sheep seven days it shall be with his Dam on the Eighth Day Thou shalt give it me all right my beloved brothers and sisters now now you're going to know why you will not see Yahweh during the millennial Reign you will see yua you are the sons that have just been born you are still like yua was after his resurrection even though you're in your linen body you're still unclean oh Hallelujah and you now are going to serve seven uh through the Feast of Tabernacles this 1,000 years which is presented by the number seven and then on the eighth day on the last great day of the feast is when you will see him

face to face and once again allowed back in to the presence of thy father amen hallelujah just like yua it was it was that eighth day before he ascended Amen to the father amen and that's why you beloved must go through the Feast of Tabernacles which is the millennial Reign to be admitted unto the Heavenly Temple your where your father is and your father is then going to come to Earth the Bible says in Revelation I believe 22 the father will then come and be what all in all in all now when this happens my beloved brother it's the same law that applies to the priesthood let's read about that law Leviticus chapter 8 verse 33 Leviticus chapter 8 verse 33 amen and ye shall not go out of the door of the Tabernacle of the congregation in seven days until the days of your consecration be at end for seven days shall he consecrate you now this is talking to the priest the Feast of Tabernacles is the time of the Priestly consecration before we are admitted into the service of Yahweh face to face now they will be Priests of yaha and of Christ and according to Revelations 20 and 6 now let's go read when the priesthood will be called out Leviticus 9 And1 when they will be called out to finally come into the holy of holies in their linen garments amen and it came to pass on the eighth day that Moses called Aaron and his sons and the Elders of Israel Hallelujah now when when when on the eighth day on The Eighth Day the priest had to wait till the eighth day which is the day after the millennial Reign and then read to us in verse four what will happen to you and I in our Priestly

garments on the Eighth Day verse four also a Bullock and a RAM for a peace offering to sacrifice before Yahweh and a meat offering mingle with oil for today Yahweh will appear unto you wow wow wow wow Hallelujah did anybody see that all in all Yahweh will appear unto you when on the what day the Eighth Day y'all your Bible is so perfect the word of yah is so inherent so perfect amen hallelujah amen it's perfect from cover to cover do you see that the priesthood are to wait for seven days they are they cannot come out as

circumcised before Yahweh until the last great day of the feast and that's why he says whosoever will let him come now why Yahweh is returning after y Yeshua has been given the promised day that he was promised when he would be given the Heathen as an inheritance oh The Wonder of it hallelujah hallelujah these priests that come up in the eighth day will be able to minister in the inner court and the outer Court that's important if you've got the linen garment you'll be able to go in and out in and out the only requirement is that the change of

garments when you do so evidently evidently there's going to be something more glorious listen carefully now go back to the song of the Sabbath sacrifice we heard tonight it talked about an elite did you hear that the elite Angels there must there the Bible Paul said there's a terrestrial C there's different levels of Glory evidently upon the H hundredfold priesthood there will be an additional Glory up on their garments when they go in to minister listen to me oh God help me father to get this across some of you sitting here

tonight one day will minister to Yahweh in his presence wow wow wow wow amen I know this that there's got to be a change of garments Elder braer you go right ahead darling I was thinking of the scripture where he says except you become as a little child you shall no wise enter into the kingdom of God absolutely why because that is that new birth state that is that new birth you're taking on a new birth you're literally taking on what Paul said you're being clothed upon amen now this is exactly what yosua let's look at the going in and the going

out when yosua went to his father to come back among Humanity evidently there was a change of garments supernaturally there's something some Glory there's some Glory of light that has to be shed I mean do you not remember Moses when he came down from the Heavenly Temple he had to change garments because he was so he was clothed in what light light his face shine so much so that the people said get back up there you're too bright so he literally had to change garments to come back among the people brothers and sisters there's

coming a day you're going to travel at the speed of thought and appear at the speed of light I cannot explain to you the glory of that new body that is coming to you but evidently when you step into the father of light you become light evidently there is an additional Glory upon your linen garment ah when you go into the presence of Yahweh you've got and and and the people on Earth will not be able to handle it so like yua when he came back Hallelujah from his father's presence he changed garments oh Blessed Be His holy name they thought he you remember the Bible said they thought he was a spirit Luke 24:37 when he walked in the middle of a locked door the door was locked and he comes in in that new garment they thought he was a what a spirit a ghost evidently there was some little Flex of light left behind while it when he changed garments oh Hallelujah there was something that made him think he was a ghost Hallelujah a spirit evidently there was a light trail behind see but now to come back among the people on Earth the people out

outside of the presence of Yahweh there will be a change somehow supernaturally a going in and a going out Hallelujah let's read Ezekiel 44 now I want to talk to you about the other priest that never get this linen garment not this glorified linen garment Hallelujah Hallelujah let's talk about the other priest Ezekiel 44:10 through 14 and here you're going to find your 30-fold priest you're going to find your 60 folds here amen and the Levites that are gone away far from me now here's the listen these are Levites these a priest but they've gone away from Commandments they celebrate Christmas and everything else now these are Levites these are priests in other words these are saved folks all right read when Israel went went astray which went astray away from me after their Idols they shall even bear their iniquity yet they shall be ministers in My Sanctuary yet yet yet yet yet they shall be ministers but not unto me well where in My Sanctuary see I called them but I didn't choose them see that now you'll know what the meaning many are called few are chosen

not for salvation dear one but to come into the holy of holies Hallelujah many are called but only a few will be chosen to wear that glorified linen body that that that linen garment required for the priesthood read Elder having charge at the gates of the house now they will have charge at the gates of the house who is he talking about saved folks that never walked in obedience to the Commandments of Yahweh they drifted from truth they will serve at the gates where's the gates my friend 30-fold outer Court outer Darkness

amen read Elder and minister to the house they're going to minister to who the house not to Yahweh well see there's your Mary and your Martha Martha minister to the house Mary minister to yua wow he loved them both did he not but there was one that Drew near unto him the say it again Elder this is a mighty awesome word thank you Elder Baker thank you Mary Drew near to truth Martha was a great servant but not enough of a servant to love truth yua Saidi am the way the truth and the life there was somebody that love truth that they wash the feet of truth hallelujah read Elder they shall slay the burnt offering in the sacrifice for the people they shall they shall do what they shall preach the good Baptist message of the sacrifice wow wow hallelujah hallelujah I will use them to tell people about Jesus come on Pastor wow Hallelujah glory to God it's all in your Bible children it's all there it's 30 60 and 100 from start to finish I will use them in the gate I'll let them go out on Bourbon Street and witness to people oh

my oh my I'll let him go pass out tracks to people to tell them about Jesus oh but the problem is they love Jesus but they don't love truth hallelujah they didn't realize Jesus was truth they didn't understand yua was more than a sacrifice he was the way he was the truth there will be a people that Yahweh lets them work out there in Hollywood make their little movies to get people to cry about the death of Jesus the passion yeah they work for go you know what let them do their good work that's fine but they'll never because they

don't walk in the narrow way they will never be chosen to serve me I'll let them serve the world but but not in the Heavenly Temple hallelujah amen read Elder they shall stand before them to minister unto them verse 12 they'll preach Revival they'll get people saved read because they ministered unto them before their Idols oh oh oh the difference did you want to know the difference in them and the chosen come on they will gather right in with the pagans idols and still preach Jesus Oh Hallelujah right in front of their

Christmas tree Hallelujah and have Christmas trees all over the platform telling the world about Jesus he said you know what because they have joined in with them they will never be chosen Minister in which go right ahead Pastor is it bring is bringing me to the parable Yeshua said about the wedding Feast that they didn't have the garments they they weren't dressed they couldn't come in and I it just blows my mind I saw a pastor the other day of one of those reals he had the big Christmas tree behind him and he's saying he's

trying to come in and say all this truth but he's got the big Idol behind him on the stage and it's like I never knew you absolutely therefore why didn't he yeah think about that why didn't he know him why didn't he know Martha because Martha was so busy wanting to get people saved she had no time for truth amen I Just Dropped a Bomb and I don't know if anybody picked up on it Hallelujah yes you did Pastor yes you did amen Pastor if we could just go out and get some folks saved go ahead go while you're doing that I'm going to be at the

feet Hallelujah I'm going to be at the feet getting this thing right Hallelujah hallelujah hallelujah amen at the feet at the feet at the feet is where I'm going to be why because yua is going to get them all now if he send somebody into my path I'll tell them all day about yua but I'm not going to go chase down nobody and tell them I'm going to get at the feet I'm going to get it right I'm going to walk in Holiness and truth because I don't want to just be called I want to be chosen hallelujah hallelujah hallelujah read about these

other priest Elder keep reading amen wow Hallelujah because they ministered unto them before their idols and caused the house of Israel to fall into iniquity oh yes therefore have I lifted up my hand against them my hands against them read saith Yahweh and they shall bear their iniquity and they shall not come near unto me they shall not be chosen wow they shall not be 144,000 they will not get a linen glorified garment they will not and I am against them but it doesn't mean I won't let them work for the good of

people it don't mean I won't let them pass out their tracks but I'm against them so much so I don't want them near me in the Heavenly Temple read Hallelujah to do the office of a priest unto me they will not be Kings and Priests unto me read nor to come near to any of my holy things they don't want to come near to Holy things they want to come near to Christmas trees they don't want to come near to Holy things they see a manora they run they don't want to they have no cherish love for Holy things that are truly

holy hallah they have no love for the man of God that I've chosen and put my words in his mouth they have no love for that as a matter of fact they call each other and say why do people worship him they don't understand people don't worship him they worship the word that is in him Hallelujah come on Pastor Hallelujah anointing oh yeah your little messages are getting out hallelujah hallelujah these ears hear everything I'm going to tell you honey my friend my dear darling precious my precious little one angel

amen folks I don't know if you just saw what Ezekiel said but basically he just told you the parable of the foolish virgins well there they are read that chapter you'll find the Wise virgins which what come near unto me what did the wise virgin do they were allowed to come in were they not amen Now The Virgins are not Sinners they are not going to hell they are not lost they are virgins but they're foolish why because they go among the idols of the world and preach Jesus with Idols if you're in a church that's got a Christmas tree on the platform and you sit your behind in that church you have sat down with idols and I'll tell you something else my beloved friend if you're going to a Ministry that believes in a trinity a father son and a holy ghost you have bowed down to three false gods presented to you by Christianity if you don't run out of there you will be guilty of her sins and her plagues you will fall with her you will not be chosen by teaching your children the Pagan lie of a trinity amen preach one God his name is Yahweh besides me there is no other I alone stretch forth the heavens I sent my son my son pointed you to me get it right if you want to get white best to be an ex Baptist amen Elder Hallelujah Hallelujah Ezekiel just Ezekiel just told just told you the same thing yua told those people that said Lord Lord we didn't we prophesy in your name we are Levites didn't we he said oh yes oh yes you did all that yeah you know what go out and serve the people don't come near me don't come near me as don't come near me you didn't love me enough to come

near truth when you was in this life don't try to come near Truth in eternity oh God help us now W Hallelujah yes some of you worship false gods you'll trade for a wife a boyfriend a girlfriend you'll give up everything for truth you'll sell truth out I'm calling on you tonight Wherever You Are whatever snake is talking in your ear buy this truth and sell it not to nobody hallelujah hallelujah Pastor thank you my Lord hallelujah hallelujah now there's so much more I need to teach you let's read 2 Corinthians 5 and 9 as I get ready to close hallelujah oh Hallelujah I want to follow through with what Paul is talking about so the next time somebody tells you the Bible says to be absent from the body is to be present with the Lord say no the Bible says to take off this wool garment is to put on that linen garment hallelujah thank you Father oh Hallelujah amen hallelujah thank you Father read Elder verse nine of 2 Corinthians chapter 5 yes sir wherefore we labor that whether present or absent we may be accept listen whether in the wool garment or in the linen garment wow we are going to strive to please Yahweh in this garment and in the next one read that whether present or absent we may be accepted of him listen whether we're in the Heavenly Temple or in this Earthly Temple we're going to strive we're walking by faith and not by sight thank you Lord we're going to strive look we're going to do whatever them Commandments to the best why we want to please we don't want to be saved we could care less about being saved we want to please him Hallelujah if you don't quit trying to

be saved you'll never be chosen Elder Connie go right ahead Pastor when you when the scripture said that they left their garments they laid their garments down uhuh all it made me think of is what you taught about dying to our flesh laying our garments at the Tabernacle dying to our flesh because that's all we can do now that's it we can't put on the linen that's right but we need to die to self we can we can take off the wool Hallelujah the sweat the stink the filth that does so easily beset us Saints I know there's a few of you

struggling with Christmas some of you still have your decorations I'm calling on Israelites tonight don't ignore me now I'm coming to your house don't ignore me now look at me you're playing with God you're playing a dangerous game what is that game you're walking in truth and trying to walk in Babylon it is time to burn every decoration in your house it is time to decide that you believe this message that you are going to be chosen and I don't know who I'm talking to but I'm talking to you it is time for you to quit sitting in these Bible

classes becoming a smart Israelite and it's time for you to become a Nazarite sold out to the things of Yahweh was that it Elder verse 10 no sir I haven't read 10 okay read for we must all appear before the Judgment seat of Christ that everyone may receive the things done in his body according to that he hath done whether it be good or bad and that is where you get the linen garment now before we go tonight I wanted to get into the Priestly garments of course but I don't have time tonight but I'd like to I would like to get into one garment that

I think will get us ready for next week I want to talk to you hold on one second see give me one moment Hallelujah I don't know who moved I don't know who moves my toite oh well I wanted to I'm going to teach you just a minute tonight about the toite I want to show you why the garments commanded by Yahweh are so important and you know I don't want anybody in this ministry wearing a toite out of religion just to wear it I want to show you what the toite is so that when you wear it you will connect to the Heavenly Temple not through the material of the toite but through the message of the toite very very very very important because these garments is what connects us and our understanding of the Heavenly Temple now let's go to Deuteronomy 22 and then I'm going to let you go home tonight well you're already home never mind I'm GNA let you uh go to your recliners let's go and let me just close out with teaching you about the toite tonight Deuteronomy 22 and 12 all right I'm going to share my

screen and we'll read this together praise the Lord now Thou shalt make the fringes upon the four quarters of thy vesture wherewith thou coverest thyself now the toite that is the toite Torah commands Yahweh commands He commands this vesture for Israelites to wear and if you don't understand that then you don't understand the purpose of the toite when you listen to Christianity that Pagan religion they will try to convince you that the tte is works and not necessary for salvation and they are correct a th% but here's where they're wrong they are clueless of our connection with the Heavenly Temple the symbology of Earth displays Heavenly realities in a dark world you know brothers and sisters it's like the old saying well God knows your heart I agree but unfortunately I'm not here to be a light to God I'm here to be a light to the world okay guess what well God knows if you love his law in your heart you don't have to wear a toite I I get that God does but again I live in a world of humans not gods they can't see my

heart so I have to show them my heart I have to take and work out my salvation you understand I have to work it out I have to display outwardly what is inwardly the world doesn't know that I love Yahweh but I can display things that help the world to know my great love for him so Christians are right none of this is necessary for salvation at all but you and I are the voice of the Heavenly temple on Earth not just with our vocal cords but our displays our symbologies and that is why Yahweh commanded you you just read it in

Deuteronomy to wear a toite but there are many of you wearing it without knowing why the symbology what it means so let's look up the word vesture oh God I got three minutes all right one second let's let's look this up quickly and thou shalt make fringes that is a man ladies and gentlemen upon the four quarters of thy vesture now there are many people that ask me why I don't wear cce's okay now cce's are the things that some of our members do wear uh from their pants or from their belt loops and things of that nature many people have

asked me why I don't wear them because I believe and I think I can prove it that this scripture is referring to the toite and not CC's separate from the tte and I'll show you why I believe that verse 12 you shall make fringes on the four quarters of thy what vesture let's go find out what vesture is right here 3682 now notice it is a what it is a covering okay now let's follow the word back further in its atmology it is a covering everywhere you go it is a covering all right to conceal so the vesture there is to cover thyself with the vesture is to have four fringes up on its what up its quarters let's look at that word quarters it's the word canap and that word means the what the wings see that word so there should be cce's in the wings of the covering or the skirt of the covering are the corners of the covering all right and if you follow that atmology all the way back you come to cornner so here is what yua is saying in these verses you shall make uh well let's look up the word uh fringes real quick one one more time and you will make fringes

which is Gil now that's a sense of twisting let's let's follow it back it's where we get the word tassels from scroll right here tassels so when you look up every word here's what it says Yahweh said that you shall make Twisted threads into a tassel on the four corners of the covering garment that you cover yourself with now let's go to numbers 15 37-31 numbers 15 37-31 numbers 1537 and Yahweh said to Moses so who gave the command for the toite Yahweh or

Moses Yahweh Yahweh and yet it was Moses that wrote it down so you could say Moses gave it but here's the thing about it everybody if Moses gave it it was Yahweh giving it okay amen pastor and I want to address something that I just want to clear up there is some talk that's coming into my ears from a few that don't like when I refer to first Harvest Ministries as my Ministry there's some super religious folks Among Us that likes to correct me and say well it's God's Ministry don't be foolish don't embarrass yourself

because I'm fixing to embarrass you okay I have a farm and guess what's on that farm some sheep you know whose sheep that is that's yahweh's sheep out at the ranch he is the very one that gave life to those sheep that's his sheep are they not but guess who he gave those sheep too you Amen to you that's my sheep you so much so that if you don't feed them they'll die they will die because because y way ain't gonna feed [Music] them I'm so sick of some of the way y'all talk listen this ministry was given to me as a gift from

Yahweh this is my Ministry and I will fight every Jezebel I will fight every devil I will fight everyone that thinks you're smarter than me I will fight everything to protect my Ministry of course of course this is God's Ministry but you know what the house I live in is God's house but I've got the deed to it amen it's mine amen sister Diana go right ahead go ahead it is your house um great message and I might erase that too soon I'm sorry you weren't finished I wanted to say something but at the end so come back on me okay then then hold that thought and we'll come right there at the end I'm G to finish with the toite and we'll be done brothers and sisters listen to me listen carefully if y'all don't quit letting these people speak these little snake words in your ears do you not think I don't know whose Ministry this is who gave it to me I know it all day long I don't need anyone to correct me on that but what's understood need not be explained amen amen everything I've got is God's but it's still mine it's my job to protect it to fight for it to keep everybody in this ministry to protect you from your own inability to protect yourselves if you've got the ability to protect yourself then you're not a sheep sheep can't protect themselves bam incoming if you can protect yourself you're not a sheep that was deep it was Elder Bill very few people CAU it your own sheep need a shepherd I've had shepher Pastor Amen

brother per listen I've had people tell me today things that people told them and you know what they said to me well I didn't really think you know why it's

not Satan is better than you are he drops a little word in your ear and without a Shepherd coming to you on a Friday night saying get that out of your ear you won't even know you need to get it out the problem is if you're here for a Bible study that's not what we are we're a Ministry I'm a pastor I'm a Shepherd my job is to help you protect yourself from yourself you do a good job of that P You're a gooder amen you do Pastor amen you're all I say you're my sheep of course I know you're God's sheep but he gave you

to me amen and I'm grateful you're the greatest gift I've ever had every one of you I cover you in prayer every day I cherish you I prepare food for you to teach you the wonderful truth of the word of Yahweh that's what a Shepherd does hallelujah let's finish this up now numbers 35 I'm sorry 15 37-41 Yahweh said to Moses speak to the children of Israel not to the Baptist not to the Catholics not to the Jews not to the Pentecostals but the children of Israel and tell them that they are to make fringes in the borders of their garment throughout their Generations that they may put on The Fringe of the borders a ribbon of blue and it shall be unto you a fringe that you may look upon it and remember all the Commandments of the Lord and do them that you seek not after your own heart and after your own eyes after which you used to go a whing that you may remember and do all my Commandments that you may remember that you are holy unto your God I am Yahweh your El Elohim I brought you out of the land of Egypt to be your God I am Yahweh you're Elohim so I'm going

to give you a vesture to wrap around your shoulders to remind you and the world that you're spoken for amen hallelujah amen hallelujah your mind amen and I'm you and since I'm not since I can't give you a wedding ring I'm going to give you I'm going to give you a toit now do you know do you know what Christians will tell you oh you've got the Holy Spirit now you don't need nothing to remind you well then I need every one of you Christians to take that wedding ring off you hypocrite come on come on Pastor make it make sense come

on you hypocrite do you need this you got the Holy Ghost you know you're married do you need that ring no you don't but I tell you what you do need in the physical world you need a reminder of a spiritual Covenant and everyone that condemns you for wearing a toit got a ring on their finger hypocrite the toit is my ring between me and Yahweh that says I am yours and you are mine now before I leave tonight I'm so sorry I'm 10 minutes overtime I must hurry let's find out if yosua wore the toite because we know he obeyed every

word of his father and this was a commandment to wear the toite it was commanded through all Israelite Generations only Israelites are attracted to the toit just like a Latino is attracted to a jalapena pepper same thing with an Israelite we're attracted to the manora and to the toit so let's read shall we Mark 5 verse 22 children Mark 5 verse 22 I'll try to run through it quickly I've got two more meetings to do tonight Hallelujah glory glory glory and behold there cometh one of the rulers of the synagogue gys by name when he saw him

he fell at his feet and besought him greatly saying my daughter's ill to the point of death I pray thee come and lay thy hands on her that she may be healed and she shall live and yua went with him and much people followed and thronged him and a certain woman that had an issue of blood 12 years thronged him I'm sorry and had suffered many things from every doctor she went to it's been all she had and was no better but grew worse when she heard of yua came in behind him and touched His Garment she said if I could just touch his

clothes I'll be made whole and straight way the Fountain of blood was dried up she felt in her body she was healed and yua knew that virtue had gone out of him and he turned to the press and said who touched my clothes now sadly horrible mistranslation the clothes there let's go back and look give me one second Mark 5:27 and touched his garments let me show you on the screen that shouldn't say close there look at that word vesture what did Yahweh command yua to wear a vesture she touched a vesture and she said if I could just touch the hymn of his vesture if I could just touch the hymn of his vesture when you go study that word the hymn it is the tassels of his vesture now why did she think why did she think that there would be healing in his vesture I'll show you why Malachi 4 verse 2 Malachi 4 verse 2 but unto you that fear my name will the son of righteousness arise with healing in his tassels that word Wings there is tassels and remember what tassel CES are in Hebrew is Wings if I could just touch the

wings how did she know to go touch his wings because Malachi prophesied when the son yua comes there will be healing in his tassels wow Hallelujah Hallelujah that's fire pastor but why would there be healing in his tassels because he would be obedient to his father and wear the tassels the he would wear the toite with the tassels and that obedience would bring her the power of healing because healing is in obedience and one more scripture I'll show you let's go to Matthew I'm sorry Mark 5 and 35 Mark 5 and 35 let's read that one Mark

5:35 while he yet spake there came from the ruler of the synagogue a house which said thy daughter is dead verse 36 as soon as Yeshua heard the word that was spoken he said to the ruler Be not Afraid only believe and he suffered no man to follow him I want you to notice this carefully except Peter James and John he knew they were commandment Keepers and he come to the house of the ruler of the synagogue and saw the tumult them that wept and welled verse 39 your daughter's not dead she's just asleep and they laughed him to scorn but

when it put them all out what these commandment breaking people people that were not walking in truth when he except James and John and Peter that was the only one he took the father and the mother and them that were with him and entered where the damsel was lying took the damsel by the hand and said unto her ttha Kumai which is being interpreted damsel I say to you arise but here's the problem brothers and sisters ttha doesn't mean damel oh no no no no it's the toite let me show you Hallelujah let me show you my screen put

her under the toite he put her under the toite titha arise and then follow the atmology of this word follow it I'm so sorry go back one payon hold on I'm sorry now follow your atmology and go to the very root praise the Lord give me one second TOA I think I'm

at the wrong place I am I'm so sorry yeah there it is ttha it's of aramic origin it's not Greek it's Hebrew and aramic now follow it go back to it follow this and this variation of h29 22 and look it was a covering what were those toit commanded to hang from the vesture of thy covering he said to her daughter come under my toite and be Thou made whole blessed be the name of the Lord God bless you tonight thank you for joining us everyone we greet you we love you than you Pastor
