

## 1. Friendship Memory Jar

### Materials:

- Mason jar or any glass jar
- Colored paper
- Pens or markers
- Stickers and decorative materials

### Instructions:

1. Decorate the jar with stickers, ribbons, or paint.
2. Cut the colored paper into small squares.
3. On each square, write a memory or something you appreciate about your friend.
4. Fill the jar with these notes.
5. Exchange jars and read the notes whenever you want a reminder of your friendship.

## 2. Friendship Scrapbook

### Materials:

- Scrapbook or blank journal
- Photos
- Decorative paper and stickers
- Glue
- Pens and markers

### Instructions:

1. Collect photos and mementos from your friendship.
2. Arrange them creatively in the scrapbook, adding captions and decorations.
3. Take turns adding new pages over time, documenting your ongoing friendship.

## 3. Friendship Keychains

### Materials:

- Shrink plastic sheets
- Permanent markers
- Keychain rings
- Scissors
- Oven

### Instructions:

1. Draw designs on the shrink plastic sheets with permanent markers. These can be symbols, words, or drawings that represent your friendship.
2. Cut out the designs.
3. Punch a hole at the top for the keychain ring.
4. Bake according to the shrink plastic instructions.
5. Attach the keychain rings to your creations.

## **4. Friendship Puzzle Pieces**

### **Materials:**

- Blank puzzle pieces (available at craft stores)
- Markers or paint
- Decorative materials like stickers or glitter

### **Instructions:**

1. Decorate each puzzle piece with drawings, messages, or symbols that represent your friendship.
2. Each friend decorates their own piece.
3. When completed, combine the pieces to form a unique friendship puzzle that symbolizes how you fit together as friends.

## **5. Personalized Tote Bags**

### **Materials:**

- Plain canvas tote bags
- Fabric markers or paint
- Stencils (optional)

### **Instructions:**

1. Decorate the tote bags with designs, quotes, or symbols that represent your friendship.
2. Use stencils if you want to create precise patterns.
3. Let the paint or markers dry completely before using the bags.
