DIGA Y DESTAQUE
"SAY IT AND HIGHLIGHT IT."

A. Directions: Read the background information for the speaking task then visit the website to familiarize yourself with the resort. During the conversation, use the vocabulary in the table below to build your conversation. After you use a word, highlight it to your favorite color - you do not need to use the words in order. You do not need to write or type your conversation!

Agente: It's your first day working at the excursions desk at a beach club in El Palmar, Spain. You are at your desk and are a little nervous so you have the resort web page open in case any guests ask questions that you need help to answer. Your first guest walks towards your desk...

Viajero: You have just arrived at a beach resort in El Palmar, Spain and know from the website that there is so much activity to enjoy. You head over to the excursions agent for as much info as possible.
