Project?

Hi,

I'm a fellow Rochdale student studying marketing and have to help a local business for a project. I've done some research and have a couple good ideas to share that can help get some new clients for your law firm. If you like them and want to test them out that would be great.

Would you be willing to have a call or meet up at your office sometime in the next few days?

Thanks,
Abdul Malik

Hi Iona,

I'd like to get a better understanding of your business's current situation before we get started on strategies to bring in more customers.

Are you free for a quick call this Sunday? Let me know what works for you.

Thanks,
Abdul Malik.
