Illustrations Concept or design character

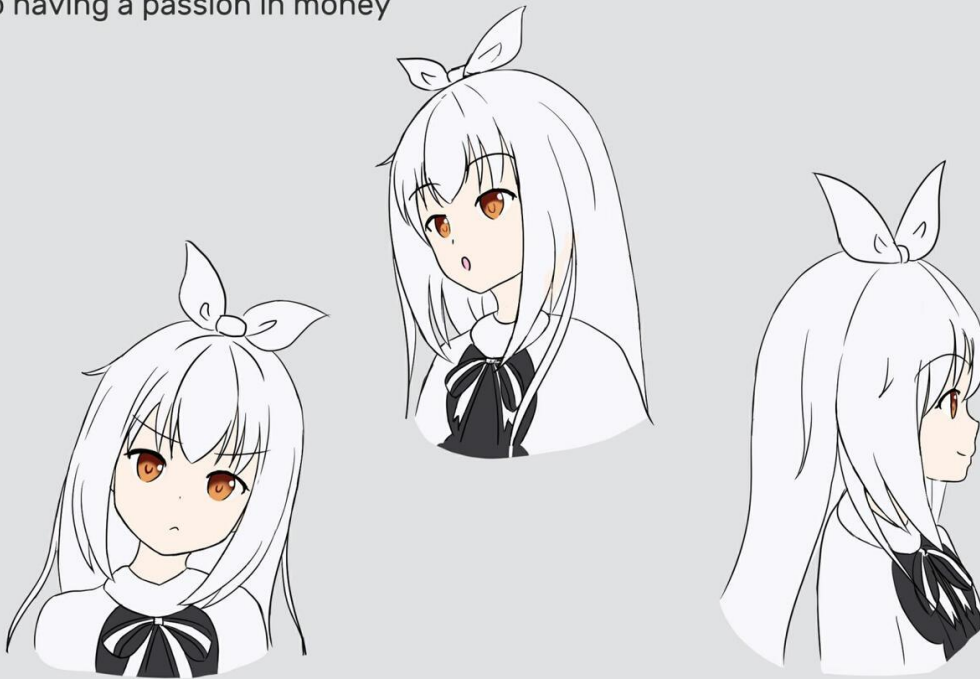

LOEBAD 434/UCI

Birthday: 3rd March

Just a random vtuber who likes to be friend with everyone, likes tall building, Skyscraper and modern style megastructure for random reason thats why they often build megastructures in Minecraft. often plays rhythm games such as Osulmania as a time killer. also having a passion in money

Note : all of the illustration above is my personal illustration and my past commission, all of the rights or origin is for who the commissions
