Fursona Ref Sheets

...Base Price \$140

*Reference Sheets are big projects, they are what will be used to represent your fursona for all other types of artworks, so it is very important that there is good communication.

YOU MUST PROVIDE A **GOOGLE/WORD DOCUMENT** FOR THIS

In the Document, it must provide as much information as possible on your fursona. This includes: species type, bio, body type, fur color, eye color, all the colors, how you want the hair, eyes, and other body features, if you want it to be SFW or NSFW. I insist on providing all the images you want that are for reference for your sona. And if possible having it as a google doc, that way if you want to add or change things you can just add it and tell me.

contains : Sona Name, Front & Back full body view, 3 HeadShots, Color List
Optional & Free: Dimension Description, and Bio
