

**Counselor Preparation Comprehensive Exam
(also known as CPCE or comps) Registration Process First Step**

Please complete this NCCU [CPCE registration interest survey](https://forms.gle/H1e8bp3YuNT2669V9) using your NCCU email (link repeated here: <https://forms.gle/H1e8bp3YuNT2669V9>).

Completing this will allow the NCCU Counseling Program Testing Director to:

- 1.) Endorse you for testing
- 2.) Provide you the step-by-step directions by email for your preferred testing location (i.e., at home, on campus, or at a testing center close to home).

After you complete the survey the Testing Director will send along next steps based on where you are testing.
