

Parent and Family Talent Survey

We request that each parent or adult family member fill out the following sheet. If possible, please turn in this sheet at this meeting. However, you are welcome to take it home, fill it in, and return at the next meeting.

Troops are Scout led; however, they still need adult guidance and assistance to keep our program going. We are fortunate to have an excellent group of adults who have committed to help according to their abilities and available time. We invite you to tell us about your talents and interests so that the best possible program can be developed for your Scout.
