

[Tineco.com] Clicking link to vacuums after a search take you to a Page does not exist error page

Description

After searching for an item, try clicking the link to vacuums under popular items. Page does not exist is the page displayed.

Replication Steps

1. Go to [Tineco.com](https://www.tineco.com) † Innovative Home Appliances for Modern Living: Tineco Floor Washer, Vacuum Cleaner, Carpet Cleaner, Toaster | Tineco US
2. Click the Link to Search in the top right corner
3. Enter a term to search (Test)
4. When the results page is displayed, click the Vacuums link next to the Popular:

Expected Behavior

Should take you to a page displaying different vacuum cleaners

Actual Behavior

Sorry, the page you are looking for does not exist is displayed.
