Battle of the Books

Battle of the Books is a Southern Nevada competition open to fourth and fifth grade Adelson students. Teams of **four members only** must read the 8 designated books which include 6 books nominated for the 2023 Nevada Young Readers' Award, the winner of the 2022 Newbery Medal, and the winner of the 2022 Sibert Award for outstanding nonfiction.

Teams read and study the books very carefully to prepare for exciting Jeopardy style battles to take place in Spring of 2023.

All books are available at LV public libraries, can be purchased, and an extra copy of each will be available in the Adelson Library.

Even though we won't officially begin Battle of the Books until Fall of 2022, interested students are encouraged to begin reading the books now!
