

Randolph High School Choir and Theater Booster Association

Tricky Tray Donation Request

Dear Business Owner/Organization,

Area residents are invited to attend the 14th annual Randolph High School Cabaret on Friday, February 27, 2026 (snow date February 28th) at 6pm at the high school. Students from both the Randolph High School choirs and Randolph Middle School select choir will present their musical talents with Broadway show tunes while the audience enjoys an array of cuisine donated by local restaurants.

Sponsored by the Randolph High School Choir and Theater Booster Association, the event is highlighted with an impressive tricky tray and 50/50. All proceeds will help offset the costs of student education in the performing arts, equipment, and student travel for choir competitions and performances.

We would love for you to partner with us in this popular annual event! ***Please consider donating a gift card or merchandise*** from your organization. In the past, the event has sold out with a record attendance of more than 400 local residents.
