Parents/guardians,

In Quarter 4(in April), your student will need to memorize the US Constitution Preamble. They will **recite** this to me. I'll post the date when we are closer to April.

US Constitution Preamble: "We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America."
