PLEASE NOTE: Commissioners can ask for updates at any time! I will respond as soon as I can. If it is the weekend, be aware that I am usually busy and will get back to you asap. I also try to update this doc daily when I make progress on commissions so it's consistently up to date!

Each commission is labeled and in order by the date I received payment. Long Coms can take up to a month or longer to finish!

Art Work Days: Monday - Friday, 5 pm CST - 12 am CST, Saturday and Sunday I try not to work.
