

Block Doubleweave Towels & Scarf

- Asymmetrical profile inspired by Fibonacci (see attached)
- Profile expanded to fit warp width three times across warp
- Tie-up as per Barbara's document (see attached)

Towel #1 – TAW

The first towel was woven TAW with profile repeated four times from top to bottom. Weft colours as per warp.

Towel #2

Additional Weft Colours – Apricot, Lemon, Nile

Asymmetrical stripe sequence designed using Fibonacci and repeated two times down length of towel.

Towel #3

Additional Weft Colours – Apricot

Asymmetrical stripe sequence designed using Fibonacci and repeated three times down length of towel.

Towel #4

Additional Weft Colours – Nile

Asymmetrical stripe sequence designed using Fibonacci. Incorporating 4D/4L sequence from C&W gamp by alternating A & B blocks. Sequence repeated 2 times.

Towel #5

Additional Weft Colours – Apricot, Nile

Asymmetrical stripe sequence inspired by Fibonacci. Incorporating 2D/2L sequence from C&W gamp by alternating A & B blocks. Sequence repeated 3 times.

Scarf - 30/2 Silk Weft Colours

Sweet Potato Pie, Tiger Lily, Autumn Spice

Chocolate Cherry, Double Chocolate, Lime Light

First Half – Used original profile graphic as per Towel #1 but elongated it lengthwise to accentuate vertical dimension in scarf.

Second Half – Used graphic from Towel #4, again, elongating the graphic.
