5. What is your worst fear and why?

Answers from Mrs. Paynter:

1. 9 years.
2. I can Greek dance. In middle school and high school, I was in a Greek dancing group that competed against other groups from around the US and in Canada.
3. "Samson just peed on the carpet."
4. "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." (Jeremiah 29:11) This verse is a wonderful reminder to me that I need to set aside my stubborn plans for myself and let God direct my life. He knows (better than I do) what is best for me.
5. My worst fear is showing up to work in my pajamas. Just kidding! I sometimes do that for my 5:30 am meetings. On a serious note, my worst fear would be if something happened to my husband or one of my kids. Nevertheless, everything that I have (including my family) is from God, so that is a fear that I need to release to Him.
