

QTBIPOC Arts Fest Access

Guide 09/12/2026

Location & Event Information

- Located at Othello Park at 4351 S Othello St, Seattle, WA 98118
- It will be held outside in a grassy area with mixed shade coverage. There will be several tables with chairs at the artmaking stations and limited folding chairs near the open mic. People are encouraged to bring lawn chairs and blankets to make themselves comfortable
- The open mic will have amplified music and speech. Foam earplugs will be available for free. We are actively working to find ASL interpreters.
- This event can be low or high interaction, as decided by the attendee
- As this is a public park, we cannot guarantee a low-scent or masks required environment. We encourage attendees to mitigate disease risk and protect our communities
- Food will be available to volunteers, artists, organizations, and Trans-Wa staff; bottled water will be available to all attendees
- If you would like to opt OUT of being photographed or recorded, you may find a red paper wristband at the Trans-Wa table or the decompression area to indicate this

Getting to QTBIPOC Arts Fest

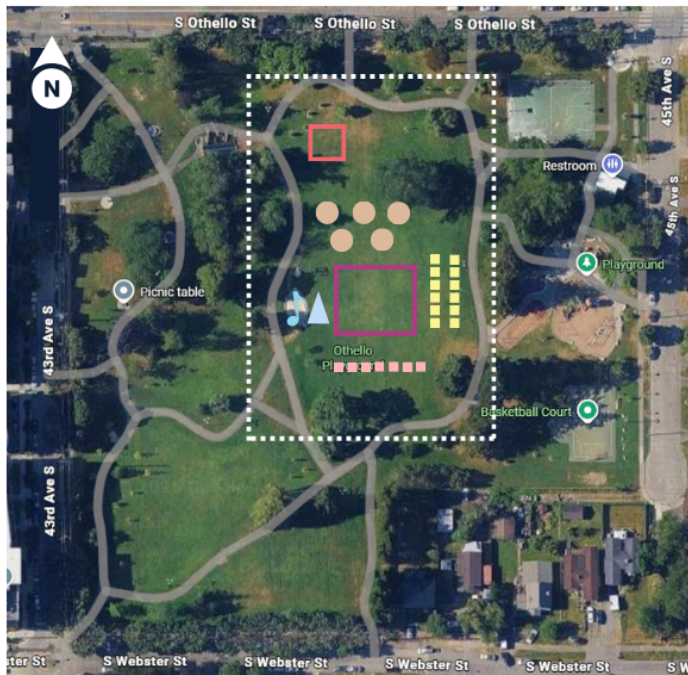

- There are many options for public transportation nearby, including buses and the Link light rail

- Buses: 50, 36, and 106 are a 5 minute walk away
- Link 1 Line: Othello Station is a 7 minute walk away
- There is lots of street parking in the neighborhood surrounding Othello Park. If you park your car in a nearby business' lot, you may be towed

Othello Park Information

- There is a nearby playground and basketball courts, which we cannot guarantee noise level or presence
- There are gendered public restrooms at the park
