

Privacy Policy

INDODEV PROJECT("we") values and is committed to protecting your privacy. We will collect, use, share and protect your information in accordance with this Privacy Policy whenever you use Giant Panda("App") or our Service(s).

If you do not agree to this Privacy Policy, please stop downloading or using the App.

Collection of Information

The type, model, version, brand, language and resolution of device;

The type and operator of network;

The type, version name and version number of operating system; device identifiers (for example: MAC Address, etc.);

Advertising id (for example:GAID, IDFA, IDFV);

Behavioral usage of the App(for example:page views, click-through statistics, etc.)

Use of Information

We generally collect your information only if: (i) we have your consent; (ii) we need the personal data to perform a contract with you; or (iii) processing is in our legitimate interests and not overridden by your rights.

Specifically, your information is used for:

Maintenance, development, and testing of our applications, which may include troubleshooting;

Analysis of trends and statistics;

Serving you with advertising; and

Preventing crime and prosecuting criminals.

Protection of Information

We are dedicated to safeguarding the personal data of yours. In accordance with this commitment, we comply with the principles of the General Data Protection Regulation (GDPR) and California Consumer Privacy Act (CCPA) when collecting, utilizing, and handling personal data. This includes adherence to principles of legality, fairness, and transparency; limiting data collection to specific purposes; minimizing the amount of data collected; ensuring accuracy; limiting data storage; maintaining integrity and confidentiality; and being accountable for data protection. In order to protect your data, we have taken several steps to ensure compliance with globally-recognized security best practices and has adopted additional security measures and tools to ensure a more robust level of protection around your data.

Sharing of Information

We may disclose aggregated information about our users and information that does not identify any individual without restriction.

We may disclose the information we collect or you provide, as described in this Privacy Policy, in the following circumstances:

To our contractors, service providers, and other third parties we use to support our business;

For any other purpose disclosed when you provide the information;

To comply with any court order, law, or legal process, including in response to any government or regulatory request; and

To exchange information with other companies and organizations for fraud protection and credit risk reduction.

Retention of Information

We will decide how long to store your information based on the time needed to provide you with the service, the time required for the purpose of data collection, and the duration of legal obligations. This means that we will retain your data throughout the life cycle of the App. After that, your personal data will be completely deleted or anonymized for a period of time for analytical purposes.

Your Rights

Under the American Data Privacy and Protection Act(ADDPA) and/or the EU General Data Privacy Regulation (GDPR), you have the right to receive a copy of all personal information we hold about you. On request, we will provide you with a copy of this information. You also have the right to have any inaccuracies in that information corrected. You also have the right to have that information deleted, but in this case we may have to close your account as we will then be unable to continue to provide you with our services.

Third Party

The App may provide links to websites or other online platforms operated by third parties. If you click on a link to a website or platform that is not owned or controlled by us, you should review their privacy and security policies and other terms and conditions. We do not guarantee and are not responsible for the privacy or security of such websites, including the accuracy, completeness or reliability of the information on these websites. Our inclusion of such links does not in itself imply our endorsement of the content on such platforms or their owners or operators, except as disclosed in the Services.

Children

We are committed to protecting the safety and privacy of young people's Internet use. We do not intentionally provide the App to teenagers under the age of 14 or collect their personal information.

We believe that any teenager under the age of 14 should obtain the consent of their parents or guardians before using the App or providing us with personal information.

If you find that any teenager under the age of 14 is using the App without the consent of their service or guardian, please notify us immediately.

Changes

We reserve the right, at our sole discretion, to change, modify, add, or delete portions of these Terms at any time. If we do this, we will post the changes to these Terms on this page. Any changes to the Terms will be effective immediately. By continuing to use the Services following such notice you consent to the changes.
