

Week 6 - Popping Bubbles

GROUP QUESTIONS

Reflection & Celebration

Share some of your Grace Bombing stories from the past week, or how you were able to apply the previous message in your everyday life.

Read Romans 10:13-15

- Who can be saved if they “call upon the name of the Lord”? Discuss the implications of that.
- How will people hear whose name to call upon for salvation?
- What makes you uncomfortable about sharing this message with those in your life who need to hear it?

Read Matthew 28:18-20

- How much authority is ‘all authority’? Name some things in heaven and on earth that fall under that umbrella.
- How does that address some of your fears or insecurities about going to your ‘neighbors’?
- What does it mean to go? (Consider that in the original language, that phrase is really ‘as you are going’)
- Name 1 person in your life that you will commit to ‘go’ to with a Grace Bomb this week.
- Jesus says that He will be ‘with us always’. What does that mean to you?

Consider that Jesus is still on the same mission that He has always been on, to seek and save the lost. His commitment to be with us is an invitation to join Him on that mission of Reaching the Lost, and Making Disciples.

LOAD, LISTEN, LET 'ER GO, LET US KNOW

Encourage your group members to share their stories within the group but also on gracebomb.org

NEXT STEPS

GROWTH TRACK

Growth Track is a series of on-demand videos designed to help you discover your unique gifts, and how to use them in your personal life and in partnership with Lighthouse Church. Head to lighthouse.church/growth-track to get started!

WANT TO JOIN THE MVMT?

Our MVMT Team is a group of passionate people who gather to serve our church community and guests each weekend, or during our Ministry Nights (CR, Students, and Young Adults). From Production (Cameras, Audio, etc), to LH Kids, Greeting to Security your gifts and talents are important to completing the mission of Reaching the Lost and Making Disciples as we move together with Jesus. Head to lighthouse.church/connect to get started.
