You do not need to complete anything on this at the moment**

Technical difficulties happen occasionally. Is it frustrating? Yes. However, use it as an opportunity to continue practicing Spanish and improving your proficiency. Remember, learning a language is a SKILL and if you do not exercise that skill daily you run the risk of losing information. In short, if you don't USE it.... you'll LOSE it.

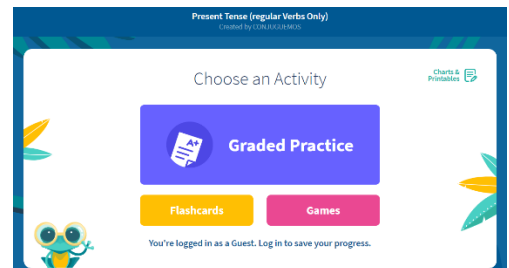

Use the following websites to practice both the vocabulary and/or grammar from each unit:
