## ***1. Workroom Volunteer - On-going***

We are looking for extra help in our workroom. If you are interested in cutting, copying or laminating, this opportunity is for you! You can come in to help out at your convenience or take a project home to work on! If you are interested, please contact Wendy Brown/Volunteer Service Coordinator for more information.

## ***2. Celebrity Reader Day - Friday, February 6, 2026***

We are looking for volunteers to be "Celebrity" Readers! Celebrity Reader Day is scheduled for Friday, February 6, 2026. During this event we have "Celebrity" readers visit classrooms and read to our students a book of their choice! The "Celebrity" Readers consist of parents, grandparents, high school students, school board members and community members....we consider everyone a celebrity in their own way! We have "Celebrity" Readers come at their convenience during the 4 hour window of time from 10:00am-2:00pm that day! The "Celebrity" Readers are welcome to come at a time that is convenient for them and stay as long as they would like. If they do not have a book they would like to read to the students, we will have several books for them to choose from when they arrive!!

If you are interested in being a Celebrity Reader or know someone who would be, please contact Wendy Brown/Volunteer Service Coordinator! This is a fun opportunity to connect with the kids in our school!

### ***3. Art Adventure - Picture Person***

We are looking for volunteers to become a Picture Person! Art Adventures is a program that engages students with artworks from the Minneapolis Institute of Art's collection. Art Adventures brings visual arts into the classrooms! It encourages creativity, critical thinking and global awareness! Art Adventures is an opportunity for students to experience art up close and personal through reproductions, technology, and touch-and-feel props. The theme this year is "People and Their Environments"! We ask that the volunteers have availability in the month of January 2026! All materials and training is provided! If you are interested, please contact Wendy Brown/Volunteer Service Coordinator for more information!

### ***4. Chaperones for Field Trips***

To be considered as a chaperone, a background check and volunteer forms are mandatory. Please watch for information from your student's classroom teacher. Please use the links below to complete!
