Let Me Help YOU Kickstart 2023 with a Sustainable, Honest Side Hustle that Can Bring in \$300+ Per Day

A personal message to you, my friend

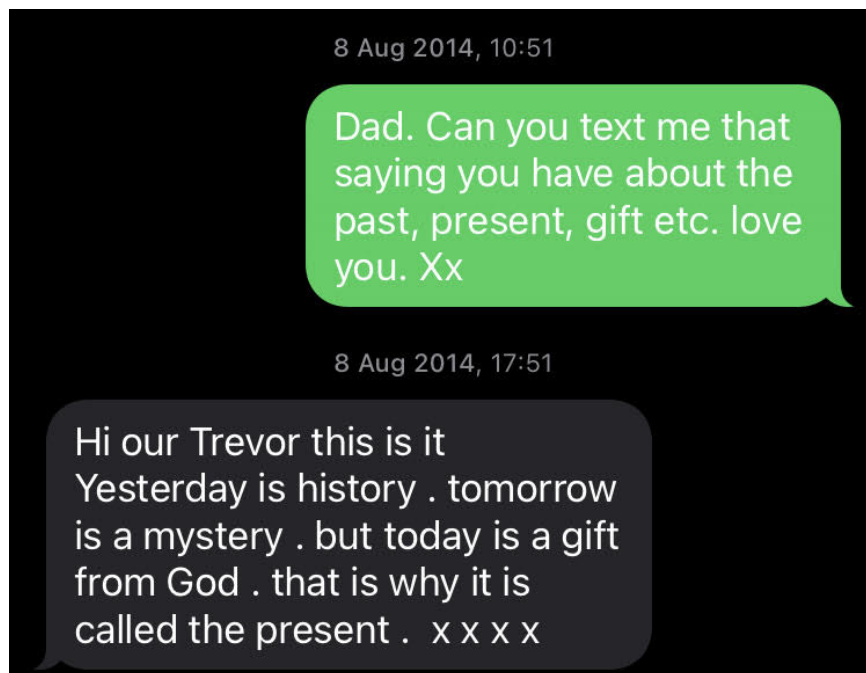

On August 8th, 2014 I sent a text to my Dad.

I asked him about a special saying that he used to tell me.

Thankfully, I still have that message on my phone, over 8 years later 🥰

I lost my Dad in 2016.

Here is that message...

Yesterday is history, tomorrow is a mystery, but today is a gift.

So true my friend.

As I sit here typing this to you (in my kitchen) I am feeling my Dad with me. I took my son to his grave today. Three generations. Sadly, one of us was below ground. But his spirit was there with us, above the ground, and is here with me now.

My Dad was such a special man.

And he taught me to be kind.

He taught me to be honest.

Honesty, in a business like this (Make Money Online), feels good (great!)

To be a kind, honest, product creator and coach, is a superb feeling.

I'm proud of my Dad, and proud of how he raised me.

And I'm proud of the man I am, thanks to him.

I am blessed, my friend.

Here I am a few nights ago at the iconic Ronnie Scott's in London's West End with my beautiful wife, handsome son and beautiful daughter. To be with them at Christmas, in such an inspiring venue is nothing short of beautiful itself.

I rarely share this kind of information by the way.

But felt compelled to tonight. To let you into my world.
A world that is only possible thanks to the business that I have built, which teaches people how to make money online.

And the way things are at the moment in the world, I think I'm going to be in demand more than ever!

As we head into the New Year, it's a special time for all of us.

A time to reflect.

A time to take stock on our lives and where we are.

And I want to help you to make sure 2023 is stunning for you and your loved ones.

So I have opened up a special offer once again. One that many of you have virtually begged me to reopen many times before.

But tonight I decided to max it out for you.

So you KNOW you will have an amazing year and life ahead if you are lucky enough to be one of the 4 people to secure this offer.

I'll summarise everything that I'm offering you now.

No hype. No bullshit (excuse my French lol)

OK. Here we go.

I want you in on my Breakthrough VIP program. It's the way forward for you. It's the way you'll be able to take control of your life, your future and your dreams.
