MOJO MADNESS MARCH GIVEAWAY!

Greetings and welcome to Planet Mojo's exclusive Mojo Madness Giveaway event! This document will walk you through all the steps required to claim your Mojo Madness rewards.

STEP 1 - ENTER THE CODE

Load the official Mojo Madness Giveaway web page at this address:

account.planetmojo.io/mojomadness

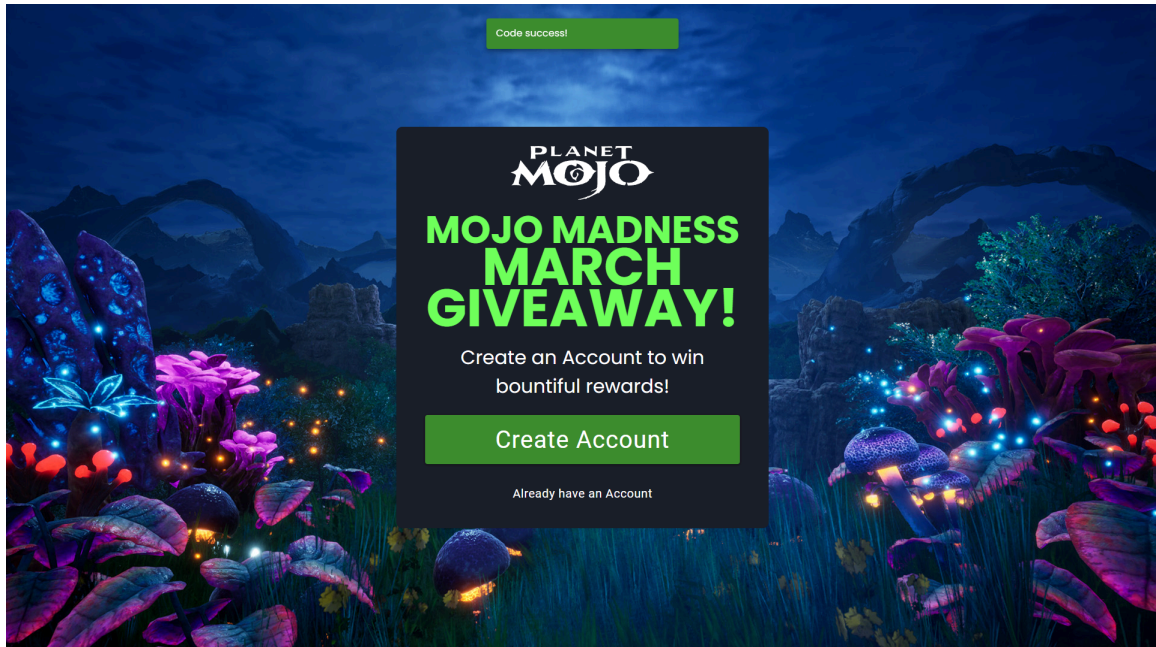

On this page you can type in your redemption code in the text box, then press **enter**.

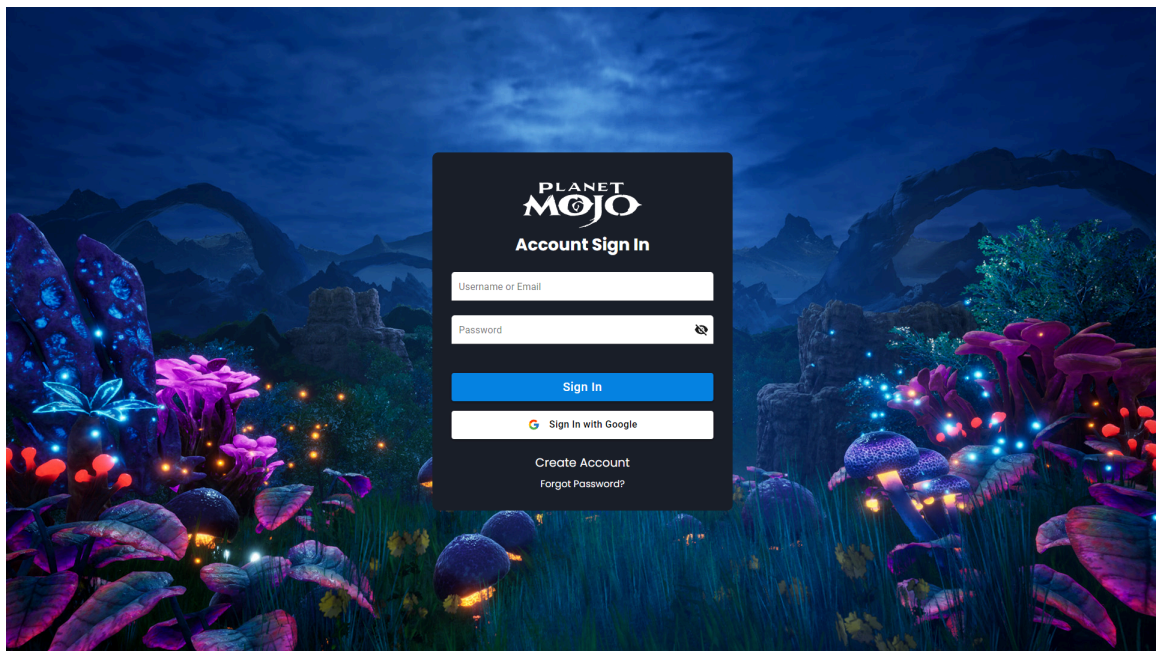

If you don't have a code, press the "Sign up for Waitlist" button, provide your email address and we will put you on the list.

STEP 2 - SIGN IN OR CREATE ACCOUNT

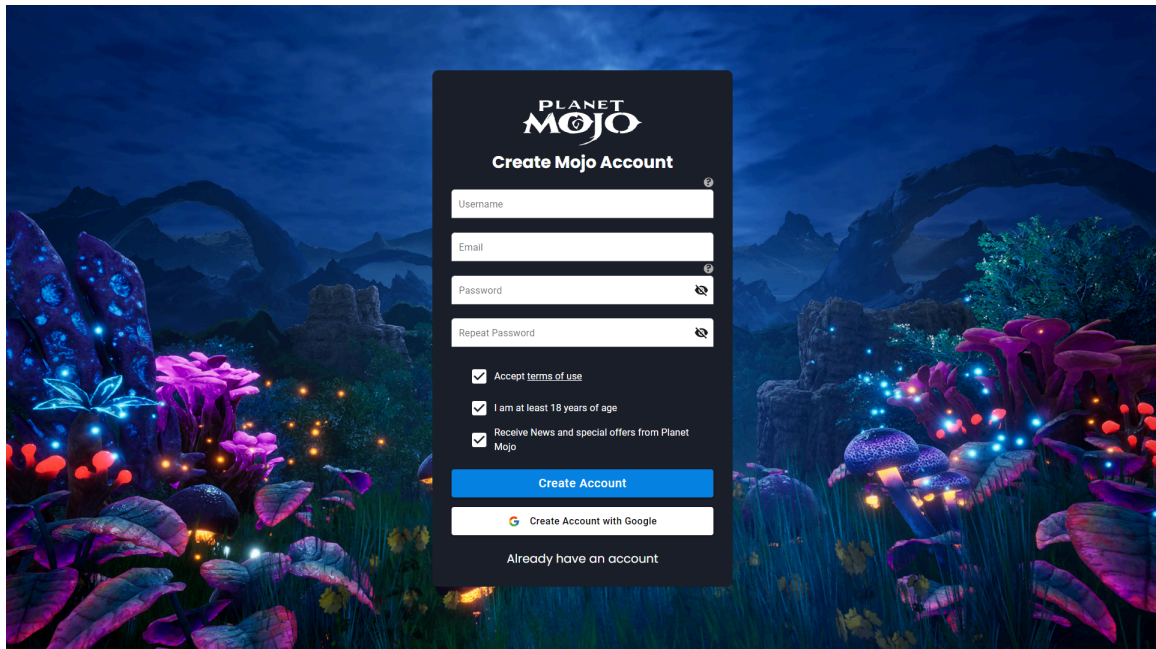

After you enter a valid redemption code, you'll see a "Code Success" box at the top of the screen.

If you already have a Planet Mojo account that you use for playing Mojo Melee, press the "Already have an Account" option below the "Create Account" button. This will ensure your rewards will be associated with any other assets you have earned.

If you do not have an account, press the “Create Account” button and fill in the requested information.

The image shows a 'Create Mojo Account' form overlaid on a vibrant, dark-themed background of glowing purple and blue plants. The form is dark grey with white text and input fields. It includes fields for Username, Email, Password, and Repeat Password, each with a small icon to its right. Below the fields are three checkboxes: 'Accept terms of use', 'I am at least 18 years of age', and 'Receive News and special offers from Planet Mojo'. A blue 'Create Account' button is positioned below the checkboxes. At the bottom of the form, there is a link 'Create Account with Google' and a link 'Already have an account'.
