- Budget and Projections
 - Current enrollment is 360; projection for the year was 340. We shall receive additional funds after October count.
 - Current school year staffing is based on projection number and budget that is given based on projection back in March.
 - Please refer to the presentation link for current grade level enrollment numbers.
 - Larger grade levels (Kindergarten and First grade) are being supported with EA1s. Support staff also “floods” those two grade levels by pulling small groups.
 - Fundraising money can not be used for staffing salaries.
- School Data (CMAS, School Performance Framework)
 - Please refer to the presentation for CMAS results.
 - There was a change to our Math curriculum 5 years ago. It took 2-3 years for the results to reflect that change.
 - Students on READ plans have decreased by 100 in 6 years.
 - Adopted a new literacy curriculum last year. Also focusing more on writing responses.
 - School Performance Framework: we are a “performing” school.
- Bond/MIL
 - Funding information for 5A and 5B can be found on the district website: dcsdk12.org
 - Please click [HERE](#) for information on how bond money will be used at FVE.
