 - [Updated License for Events](#)
- What are you looking forward to the most in 2018

➤ **Fan memories/shoutouts**

- While it's not really a moment from this year, I've been using hearthstonetopdecks a lot this past year and I think that Evident (the main guy that runs the website) doesn't get enough credit for what he does. Between running the website and gathering all the pro decks from the first few days of the expansion he's been a great part of the hearthstone community! Love the show!
