4 years away isn't pedo. pedo is declare if someone in love over 20 years away or 10 years away this isn't creepy either its love

Mya Glase Apr 4, 2022 10:16 PM

An 18-year-old eating a 15 year old is classified paraphilic behaviour because the 15 year old mind is still developing when the 18 year olds mind is way more developed developed than the younger person I guess it's fine if you are close to the 17/18 Gap but what you just said wqs 100% incorrect It depends on the age of the actual person and how their minds are still developing A 20 year olds mind could still be developing alot

Shadow The Dark Angel Apr 4, 2022 10:17 PM

sigh..... fine... if u don't aprove our love then be that way....

Mya Glase Apr 4, 2022 10:18 PM

Depending on our way more experienced 30-year-old

(Place All The Screenshots Here)

So as you can see from the screenshot enlisted here. He has been not truly honest about his age or himself when it comes to talking to these kinds of people in the **Sonic The Hedgehog** community. In the screenshots. He claims to be 19 because of the genetics “Aka” the sound of his real voice. Now to be clear about the meaning when I say about the genetics of his real voice. The definition of genetics is basically “the study of heredity and the variation of inherited characteristics.” Also means the phrase “Whatever you were born with will never go away or leave you.” You can grow out of something that you were born with by age and time sure. But when it comes to voice, size, etc. Then it doesn’t matter because you’re gonna be stuck with what you were born with for the rest of your life. As for **Shadow The Dark Angel's** real age. He claims to others that his age is supposed to be 19 because of his voice. But... His actual age is 30 years old, and he’s been hiding his real age with him saying to people that he’s 19. If people knew his actual real age is 30, then people would start to expose him for the crimes that he’s been doing being a pedophile and as well as doing the right thing making sure that he is reported by either the police or any local security.
