ABSTRACT [Arial 10pt, 1 spasi]

Abstract must be written in English, in single paragraph and no more than 200 words. Abstracts contain clear statement of objectives, methods, results, and conclusions.

Keywords: 3–5 English words or phrases in alphabetical order (Arial 10 pt)

ABSTRAK [Arial 10pt, 1 spasi]

Abstract must be written in Bahasa Indonesia, in single paragraph and no more than 200 words. Abstracts contain clear statement of objectives, methods, results, and conclusions.

Keywords: 3–5 Bahasa Indonesia words or phrases in alphabetical order (Arial 10 pt)

INTRODUCTION
[Arial 11pt, 1.25 spasi multiple]

They were presented briefly, and information concerning the research's background, aim, and purpose was provided. The introduction is supported by primary and up-to-date references. This introduction also includes the research objectives written at the end of the paragraph.

RESEARCH METHOD
[Arial 11pt, 1.25 spasi multiple]

Explain clearly and concisely regarding the choice of paradigm, logical framework, location, time of research, method (survey or experimental design, data collection and analysis technique). The research site is accompanied by an image of the location and includes a scale.

RESULTS AND DISCUSSION

[Arial 11pt, 1.25 spasi multiple]

Explain the findings by presenting the data in a complete, accurate, systematic, and logical manner. Data visualization (tables, figures, or diagrams) must be presented and discussed in a clear and concise manner. In discussion, it is necessary to relate and explain the findings obtained with the concepts used/explained in the introduction and/or hypotheses. The discussion should include comparisons with previous articles related to the topic.

CONCLUSION

[Arial 11pt, 1.25 spasi multiple]

The conclusion should be explained clearly. The suggestion after the conclusion contains a recommendation on the research done or an input that the consumer can use directly.

ACKNOWLEDGMENT (If there are)

[Arial 11pt, 1.25 spasi multiple]

Acknowledgments are extended to those who provided financial assistance (official sponsors).

REFERENCES

[Arial 11pt, 1 spasi]

Articles have ten recent references or over, and 60% are journals. JPLT used APA citation style for reference. Authors are suggested to use reference tools such as Mendeley or EndNote.
