

## Spirit of Revenge: Elizabeth's Secret Collector's Edition

After investigating the mysterious case of the Flatsburys, Brenda Gale, a psychologist and a bit of a parapsychologist as well, decided to take a little vacation to visit her family's ancestral castle on the outskirts of England. There she find the diary of her ancestor Willa de Shakeston who was a maid of honor at the court of Queen Elizabeth the First. From the diary Brenda learned that one boy Edward, that was entrusted to Willa by the Quenn, one day disappeared, vanished into thin air.
