 Long diagonal line on the left A long diagonal line on the right Short horizontal line connecting across the middle Long vertical line on the left A small curve to the right that connects to the middle of the vertical line Joined by a bigger curve on the bottom A big curve open to the right A long vertical line on the left A big curve to the right that connects with the bottom of the vertical line A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right A long vertical line on the left A mother medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A long vertical line A long vertical line on the left 	Letter	Description of Sample Salient Features
Short horizontal line connecting across the middle Long vertical line on the left A small curve to the right that connects to the middle of the vertical line Joined by a bigger curve on the bottom A big curve open to the right A long vertical line on the left A big curve to the right that connects with the bottom of the vertical line A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left A the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A long vertical line on the left A long vertical line on the right A long vertical line on the right With a medium upward curve to the left A long vertical line on the left With a medium upward curve to the left A long vertical line on the left		
Long vertical line on the left A small curve to the right that connects to the middle of the vertical line Joined by a bigger curve on the bottom A big curve open to the right A long vertical line on the left A big curve to the right that connects with the bottom of the vertical line A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left A big curve to the left A the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line A long vertical line on the right A long vertical line A long vertical line on the left A long vertical line on the left A long vertical line on the left A long vertical line on the left A long vertical line on the left A long vertical line on the left A long vertical line on the left A long vertical line on the left A long vertical line on the left A long vertical line on the left A long vertical line on the left	A	 A long diagonal line on the right
A small curve to the right that connects to the middle of the vertical line Joined by a bigger curve on the bottom A big curve open to the right A long vertical line on the left A big curve to the right that connects with the bottom of the vertical line A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left A tight bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left A long vertical line on the left A long vertical line on the right With a medium upward curve to the left		 Short horizontal line connecting across the middle
Joined by a bigger curve on the bottom A big curve open to the right A long vertical line on the left A big curve to the right that connects with the bottom of the vertical line A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left A the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left A long vertical line on the left A long vertical line on the right A long vertical line on the left	D	 Long vertical line on the left
A big curve open to the right A long vertical line on the left A big curve to the right that connects with the bottom of the vertical line A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left A big curve to the left A the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A long vertical line on the right A long vertical line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left A long vertical line on the right With a medium upward curve to the left A long vertical line on the left	D	 A small curve to the right that connects to the middle of the vertical line
A long vertical line on the left A big curve to the right that connects with the bottom of the vertical line A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A long vertical line on the right A long vertical line connecting them across the middle A long vertical line A long vertical line on the right A long vertical line on the right With a medium upward curve to the left A long vertical line on the left With a medium upward curve to the left A long vertical line on the left		 Joined by a bigger curve on the bottom
 A big curve to the right that connects with the bottom of the vertical line A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 	C	A big curve open to the right
ine A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left A the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A long vertical line A long vertical line A long vertical line on the left With a medium upward curve to the left A long vertical line on the left A long vertical line on the left		A long vertical line on the left
 A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 		 A big curve to the right that connects with the bottom of the vertical
A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left A the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A long vertical line connecting them across the middle A long vertical line A long vertical line on the left With a medium upward curve to the left A long vertical line on the left A long vertical line on the left A long vertical line on the right With a medium upward curve to the left		line
to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A long vertical line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left A long vertical line on the left		 A long vertical line on the left
Another medium horizontal line touches the middle of the vertical line and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left A long vertical line on the left		 A medium horizontal line touches the top of the vertical line and goes
and goes to the right Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A long vertical line A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left A long vertical line on the left		to the right
 Another medium horizontal line touches the bottom of the vertical line and goes to the right A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 		
and goes to the right • A long vertical line on the left • A medium horizontal line touches the top of the vertical line and goes to the right • Another medium horizontal line touches the middle of the vertical line and goes to the right • A big curve to the left • At the bottom of the curve, a short horizontal line goes inward to the left • A long vertical line on the left • A parallel long vertical line on the right • A short horizontal line connecting them across the middle • A long vertical line • A long vertical line on the right • With a medium upward curve to the left • A long vertical line on the left • A long vertical line on the left		
 A long vertical line on the left A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 		
 A medium horizontal line touches the top of the vertical line and goes to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 		
to the right Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left A long vertical line on the left	l F	~
 Another medium horizontal line touches the middle of the vertical line and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 	' '	
and goes to the right A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left		
 A big curve to the left At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 		
 At the bottom of the curve, a short horizontal line goes inward to the left A long vertical line on the left A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 		
 A parallel long vertical line on the right A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 	G	
 A short horizontal line connecting them across the middle A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 	ш	 A long vertical line on the left
 A long vertical line A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 	П	·
 A long vertical line on the right With a medium upward curve to the left A long vertical line on the left 		
With a medium upward curve to the left A long vertical line on the left		A long vertical line
With a medium upward curve to the left A long vertical line on the left		A long vertical line on the right
A long vertical line on the left	J	
	K	A long vertical line on the left

	Starting in the middle of the vertical line, a medium diagonal line moves and to the right.
	 up and to the right Starting in the middle of the vertical line, a medium diagonal line moves
	down and to the right
	A long vertical line down
L	 Starting at the bottom of the vertical line, a short horizontal line goes to the right
1 1	A long vertical line on the left
/ 🗸 🗎	 Starting at the top of the vertical line, a long diagonal line going down to the right
	Starting at the bottom of the diagonal line, a long diagonal line going
	 up to the right Starting at the top of the diagonal line, a long vertical line on the right
	A long vertical line on the left
N	 Starting at the top of the vertical line, a long diagonal line going down
	to the right
	Starting at the bottom of the diagonal line, a long vertical going up on
	the right
0	A big circle
Р	A long vertical line down
	 Starting at the top of the vertical line, a medium curve to the right that connects to the middle of the vertical line
	A big circle
W	A short diagonal line intersects the circle's lower right side
R	A straight vertical line down
IX	 Starting at the top of the vertical line, a medium curve to the right that connects to the middle of the vertical line
	 Starting at the middle of the vertical line, a medium diagonal line going
	down to the right
C	A small curve at the top going to the left
3	 Leading into a diagonal line going down to the right
	With a bigger curve at the bottom going to the left
T	A long vertical line down A madium beritantal line contared garage the tap of the vertical line.
_ '	A medium horizontal line centered across the top of the vertical line

	A long vertical line down and curving to the right
U	The curve moves upward ending with a long vertical line up
	 A long diagonal line going down to the right
 V	 Starting at the bottom of the diagonal line, a long diagonal line going
	up to the right
\\/	 A long diagonal line going down to the right
 	Starting at the bottom of the diagonal line, a long diagonal line up to
	the right
	Starting at the top of the diagonal line, a long diagonal line going down
	to the right
	Starting at the bottom of the diagonal line, a long diagonal line going up to the right.
	up to the rightA long diagonal line down to the right
X	 A long diagonal line down to the left
	Both lines intersect in the middle
	A short diagonal line going down to the right
Y	 Starting at the bottom of the diagonal line, a short diagonal line going
'	up to the left
	 Starting where the two diagonal lines intersect, a short vertical line
	down
7	A short horizontal line at the top
<u> </u>	 Starting on the right side of the horizontal line, long diagonal line to the
	left
	 Starting at the bottom of the diagonal line, a short horizontal line going
	to the right
