Made by u/the_horse_gamer on reddit.

If you found any wrong/new info, please message me on reddit.

Banned = Suspended

Removed = Reddit says the account does not exist

Unused = No recent activity

Comment on 2024-01-13: Some old removed accounts seem to have been unbanned. Their status was updated to Unused.

Comment on 2024-06-22: Added creation dates for unused accounts. Hoping to document ban dates from now on.
