BM1

Toki Toki's disappearance/Kaioшин of Time's foreboding

(At the Time Nest.)

Kaioшин of Time: Toki Toki has... Toki Toki has disappeared...!!

He seemed totally on guard against something...

Then he suddenly tore open the space-time & flew away into it...!!

Trunks (Xeno): On guard...? What is going on... I'll go look for Toki Toki.

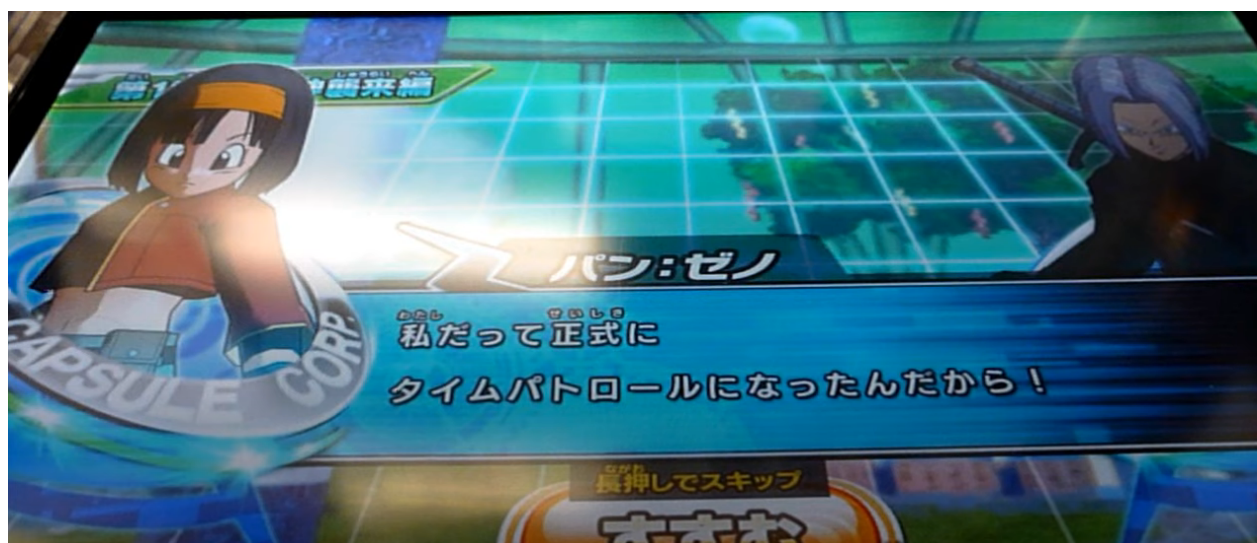

Pan (Xeno): I'll go too!!

Trunks: Pan-chan! You can't. It might... turn into a rather dangerous mission.

Pan: But I've been officially induced into the Time Patrol!

If you go, then I will too!

Kaio of Time: Alright...! You two go on ahead! Time Patrol, move out!

(Trunks (Xeno) & Pan (Xeno) head out.)

Kaiohsin of Time: Could it be... that *that bird* has been released...? The bird of calamity, Dogi Dogi...

--

Time Patrol head to Universe 7 Earth/Gods of Destruction arrive

(On Earth in a city.)

Trunks (Xeno): We've found you!

Son Goku: Ohh — if it ain't Trunks! Didn't ya go back into the future?

Vegeta: Kakarotto, he's not that Trunks.

Goku: Hmm, I don't really get it but any reason for being here?

Toki Toki: To — !

Trunks: Toki Toki! I'm glad you're safe!

Goku: Wait, does that bird belong to ya?

Trunks: Yes, we've crossed space-time in order to look for this bird.

Toki Toki is with us, the Time Patrol.

He's a very important bird for the sake of all dimensions.

Goku: Whewww! I definitely don't get what's going on, but... glad ya found him!

(New mission. Vs. Beerus)

Son Goku: Beerus-sama!

Vegeta: He's not the only one... The other Gods of Destruction are here too...

Goku: Oi, Beerus-sama! What in the world's going on?!

Beerus: ...

(New mission.)

Goku: W-what the hell are ya doing, Beerus-sama?!

Trunks (Xeno): Are you now... targeting Toki Toki...?

Beerus: My prophecy fish made a prophecy.

He foretold of a calamity in which a strange bird appearing in Universe 7... would destroy all the universes.

Trunks: To... Toki Toki is a god bird...! That's preposterous!

Beerus: Just before now, planets from the several universes which haven't been touched had been destroyed.

In all of those places, that bird was sighted.

Quitela: You're always saying unnecessary crap, Beerus.

We don't need to play questions & answers, let's just get on with it.

Trunks: Pan-chan, take Toki Toki & get out of here!

Quitela: I won't let you get away!

--

Fuu & Dogi Dogi/The Universe tree

(New mission.)

Fuu: Kukuku, good, the opening act is just about to begin...!

That bird came to this world looking for you, huh.

Dogi Dogi: ...

Fuu: Thanks to you, things have become quite interesting~

Now, let us begin. The experiment to burst open the universes...!

(New mission. Goku (Xeno) & Vegeta (Xeno) are present on Earth.)

Vegeta (Xeno): ...

Pan (Xeno): Grandpa...!

Son Goku (Xeno): We heard about the situation from Kaioshin of Time. Things have become troublesome, haven't they.

Pan: Those guys are strong! At this rate everyone's gonna be finished!

Son Goku (Xeno): No, that's not the only thing. There's something bigger brewing up...

(Another location on Earth.)

Beerus: ...Whis. What is that?

Whis: This is also my first time seeing this, although I understand things better now.
That is a root of the Universe tree.

Fuu: Ding ding ding ding —!

(New mission, Vs. Fuu. The Earth is in ruins.)

Fuu: Now now, I want to thank everyone for attending my experiment.

Dogi Dogi: ...

Son Goku: You again, what're ya planning this time?

Fuu: I've raised the Universe seed that you folks & Hearts nurtured into this divine "Universe tree."

Right now it's still a young sapling, but once it gathers enough nutrients it will extend its roots across the farthest ends of the universes.

Vegeta: Hearts?! Are you saying that the bastard was part of your plan too?

Whis: The Universe tree... It grows by absorbing nutrients from the universes. The legendary giant divine tree.

Fuu: Once the Universe tree drains all of the universes completely, it'll grow into a giant tree the size of a galaxy...

And then a brand new universe will bear from it... This is the experiment to create a universe, you see.

Vegeta: Ku... I ain't gonna let a bastard like you do as he pleases!!

(Battle commences. Vs. Fuu.)

(After battle.)

Fuu: Well then, see ya later. I still have other things to do, you see.

Bye bye!

(Fuu disappears.)

Krillin: Hey... doesn't it feel... suffocating?

Whis: That's because the universe's energy is being absorbed.

Since everyone here has lots of reserves, it's prioritizing who to absorb.

Beerus: My energy's the only one being absorbed. Will I be able to last long enough, I wonder.

Oi, I can't move from here like this. Under these circumstances... I'll have to leave it to you guys.

Son Goku (Xeno): Trunks, you & the me here go trail after Fuu together.

Me & Vegeta have one more thing we have to do.

Trunks (Xeno): G-got it!

Goku-san, father... Will you please lend me your power?

Vegeta: Hmmph... Although at this rate our universe is going to suffer.

Goku: Yep!

(End.)

--

Saiyans vs. Freeza army special arc

(Trunks (Xeno) explaining some game mechanics in battle missions.)

Trunks (Xeno): The Saiyans in Planet Vegeta are being taken over by Freeza...

To oppose Freeza's army, Saiyans will have to fight & gather allies! Won't you please lend us your aid?

Stand up to Freeza's army with several allies!

(New mission. Vs. Abo & Cabo.)

Bardock: You've been pushing Saiyans around!

(New mission. Vs. The Ginyu force.)

Bardock: How long are you guys going to let them do what they want to you!

(New mission. Vs. King Cold.)

Bardock: King Cold... you're letting your son Freeza rule over this planet?!

(New mission. Vs. Bardock.)

Bardock: Goddamn it...! What the hell is this bad premonition I'm getting...?

(New mission. Vs. Bardock's gang.)

Bardock: What's wrong?! What the hell's going on here?!

(After battle.)

Bardock: You guys, come with me! We're going to defeat Freeza!

(New mission. Vs. King Vegeta.)

Bardock: You hate Freeza too, don't you King Vegeta? Won't you help us out...

(New mission. Vs. Freeza, Ginyu force, & Abo-Cado.)

Bardock: I'm not gonna let things happen as Freeza planned! Let's go! Hold your Saiyan pride with you!

(Battle commences. Vs. Vs. Freeza, Ginyu force, & Abo-Cado.)

(After battle.)

(CGI cutscene of an army of Saiyans led by Bardock & King Vegeta ambushing Freeza & Ginyu force while retrieving supplies.)

Caption: After claiming a difficult victory over Freeza's army, the Saiyans managed to free Planet Vegeta.

Caption: Time passes...

(CGI of Bardock, King Vegeta, Bardock's gang, Vegeta, Tarble, Raditz, Nappa with a gang of Saiyans behind them (modeled after Beets).)

Caption: The final battle against Freeza begins.

(End.)

--

BM2

Scientists scheming

(Somewhere unknown.)

Fuu: Well, this has become quite fun!

Dr. W: You're in a good mood, did those fools chase after you?

Fuu: Ahh, Doctor, it does look like the bird heading over there is able to give chase after Dogi Dogi.

Dr. W: Now that they've come this far for us... the plan's about to end soon.

Fuu: Yep, that's why I led them all the way there.

Bojack: Don't get the wrong idea, I ain't your lackey.

Fuu: Of course not! This is a request! Would you please entertain them for a bit?

Turles: It's fine if we fuck 'em up too?

Fuu: Fuck 'em up! Fuck 'em up!

Towa: Are you sure? We will need Son Goku & the others for after the plan.

Fuu: Yep, they get stronger by getting more messed up.

I also think it'd be interesting to try to inflict damage to them once.

--

Dr. W vs. Goku (Xeno) & Vegeta (Xeno)

(Video skips to new mission. Vs. Dr. W & three Janemba (Fat).)

Dr. W: Time Patrol... I see.

Well then, you fools. Would you mind help me tune this body of mine?

Goku (Xeno): What? That guy... is he a machine...?

(Battle commences. After battle.)

Goku: That guy's not fighting back at all... Is he even into this?

Vegeta (Xeno): Don't let your guard down, Kakarot! We don't know what he's planning!

(Video skips to new mission. Vs. Dr. W, Dr. Gero, & Dr. Myuu.)

Dr. W: More... attack me more.

Goku (Xeno): Oi! Why don't you get more serious on us?

I'm losing my motivation here.

Vegeta (Xeno): Saying ridiculous shit! I'll end this soon...!

(After battle.)

Goku (Xeno): Doesn't seem like such a big deal given what he's been saying...

Dr. W: Kukikikiki... I see, I see... I've learned it, your powers...!

My power is overflowing... I am, after all, the greatest & most powerful scientist...!

I must thank you fools. For with this, the plan has overcome another big hurdle...

(Disappears.)

Vegeta (Xeno): Tch, he went & disappeared... that bastard... what the hell is he planning...!

--

Goku & Vegeta vs. Bojack & Turles/Towa appears

(Video skips to new mission. Vs. Bojack.)

Goku: Is Fuu here? I can't find that guy's ki anywhere.

Trunks (Xeno): Toki Toki is after the black bird who was with Fuu...

We're tailing Dogi Dogi's presence.

(Bojack shows up.)

Bojack: Is this the feather you've been looking for?

Vegeta: Tch, were we led to the middle of a diversion? This stupid bird...!

Bojack: Your trip ends right here.

Vegeta: Now that you've come out what the hell can you even do? Have you forgotten how wretchedly you lost before?

Bojack: I still haven't lost to you guys...!

(Video skips to new mission. Vs. Turles.)

Goku: You're...

Turles: Long time no see, Kakarot.

Vegeta: Damn it, one after the other...

(Video skips to new mission. Vs. Towa.)

Fuu: Sorry to cut in the fun part.

Towa: You two, Doctor W's plan has begun to move. Return at once.

Trunks (Xeno): You're... Towa...! Why are you here...

Towa: I don't have time to play with you all.

(Video skips to new mission. Vs. Fuu.)

(After battle.)

Trunks (Xeno): This... this is Kaiohshin of Time's Freeze...?

Dogi Dogi: Do.

Fuu: It was fun to lead you here, & the battle with you all has helped nurture the Universe tree.

Fuu: I'll think up more fun things to do for you.

Trunks (Xeno): How could this have happened... Toki Toki... has been stolen from us...

Without Toki Toki we have no way to find them...

Goku: Gohan, Piccolo, 17... we need to call them after all.

We'll think of a way to find them afterwards.

Trunks (Xeno): ... Alright then. Let's return to where everyone is on Earth at once...

Vegeta: What's wrong, Kakarot.

Goku: Nothing, I'm just getting excited, ya see.

The guys we fought in the past have grown stronger... I wanna be able to fight those guys again...

Vegeta: Hmph... the thing I'd have to worry about the most is this carefree idiot.

(End.)

--

BM3

[\(Part I video\)](#)

(In Hell.)

SS4 Xeno duo vs. Dark Janemba/Trunks (Xeno) & co. arrive to Hell/SSB & SS4 duos vs. Dark Janemba

SS4 Vegeta (Xeno): Where the hell did that W or whatever he's called disappear off to...?!

SS4 Goku (Xeno): I don't know... but what's that?! Something's coming over this way...!!

(Janemba appears.)

Janemba: Gya gya gya!!

SS4 Vegeta (Xeno): Is that... Janemba?!

SS4 Goku (Xeno): I can't read his moves at all... & my attacks don't seem to affect him...!

(Dr. W appears.)

Dr. W: Kukuku... I apologize to keep you waiting, you fools...

This is a new Janemba whose soul has been contaminated...

And I've analyzed & input both of your battle data.

There is no chance of you two winning...!

And now, let us continue, visitors of Hell!

(Video skips to new mission. Vs. Janemba, Dr. Colchin, Kishime, Ebifurya, & Misokatsun (World's Strongest antagonists).)

Goku (CC): UWAAA?!

SS4 Goku (Xeno): What the...?!

Trunks (Xeno): Ouch... Wh...where are we?!

Pan (Xeno): Eh—?! Even though we were on our way back to Earth...! Why did we—?!

SS4 Vegeta (Xeno): Explain later! First we need to focus on what's in front of us!

(Video skips to after mission.)

Janemba: Gihihihihihi...

SS4 Goku (Xeno): Our attacks have no effect on him at all... Oi, why'd you guys come to Hell!

Trunks (Xeno): It seems like we were pulled into a distortion in spacetime...

Goku (CC): Is that guy with Fuu or something?

SS4 Goku (Xeno): Yeah. What's more, neither mine or Vegeta's attacks have any effect on him. We can't read his movements either.

Goku (CC): ... Alright. I got it. Then we'll fight together with ya!

(Video skips to new mission. Vs. Lord Slug & his Demon clan.)

Goku (CC): Hah!

(Transforms into Super Saiyan Blue.)

Let's go, Vegeta!!

SSB Vegeta (CC): I'm gonna beat up all of these guys here!

Pan (Xeno): Al—right, we'll fight too—! Trunks, after me!

Trunks (Xeno): Please don't get hurt, Pan-chan!

(Video skips to after mission.)

SSB Goku (CC): Haha... he's strong.

Dr. W: Feh! I've gathered enough of all of your battle data.

Whatever you do is futile!

Janemba: Gihihih!

(Someone intercepts Janemba.)

... gigi?!

SS4 Goku (Xeno): Janemba stopped in his tracks...?!

Who's there...

--

A Demon duo arrive to Hell/Update on Universe 7

(Video skips to new mission. Vs. Perfect Cell & Cell Jr's.)

(Poutine & Salsa appear.)

Poutine: My ice stopped him. Be grateful to me.

Trunks (Xeno): You guys...! Are you... Majin Poutine & Majin Salsa...?

Salsa: We're no longer residents of the Dark Demon Realm...

Poutine: And our Majin powers are pretty much gone too~~

Why don't we team up for the time being?

(Battle commences. Vs. Perfect Cell & Cell Jr.'s. Poutine is provided as support.)

(Video skips to new mission.)

SS4 Vegeta (Xeno): Why the hell did you bastards come here...!

Salsa: You lot were going to Fuu's place, right?

If so then we're going to follow you to his whereabouts.

Pan (Xeno): Huh? What's with you coming in so suddenly! There's no way we'd believe what you guys would say!

Salsa: I can't stand that guy's plan. Also, I need to put an end to his plan.

Trunks (Xeno): What do you mean by that?

(King Kai suddenly calls out.)

King Kai: ... O—i, Goku~~!

The Earth is... No, the universe is in big trouble~...!!

(Video skips to new mission. Vs. Dr. Gero, Android 19, & Androids 13-15.)

SSB Goku (CC): King Kai! What's going on over there?

King Kai: The universe tree's roots are severely encroaching across all the universes~!

The Gods of Destruction & the Supreme Kais who were protecting the universes also suddenly left for some place...

The universes haven't gone to ruin yet, but it's only a matter of time~...!

SSB Goku (CC): ... So we don't have much time, do we?

Trunks (Xeno) (to Salsa): Could you please guide us to where Fuu is?

Salsa: ... First we need to take care of the guys in front of us.

(Battle commences. Vs. Dr. Gero, Android 19, & Androids 13-15. Salsa is provided as support.)

(After battle.)

--

The Time Patrol, Demons, & CC duo vs. Dark Janemba

(The Gokus & Vegetas battling against Janemba.)

SSB Goku (CC): Seems like our attacks ain't working on that guy either, huh.

(Trunks (Xeno) transforms into Super Saiyan God.)

SSG Trunks (Xeno): Everyone, let's go!

Dr. W: It's as Towa has said. The Time Patrol also wields the power of the gods, huh.

But, it's within the range of my assumptions.

SSG Trunks (Xeno): Damn it... We can't do anything...

Salsa: Oi. I thought of something.

... At the time when the Evil Dragons were defeated, didn't the Saiyans pool their power into one person?

Right now, it's the same situation... you lot should pour your kis into those two.

SS4 Goku (Xeno): Into me & Vegeta...?

SSB Vegeta (CC): I refuse! Why should I share my ki with anybody else!

--

(Part II video. Vs. Janemba.)

Another Saiyan ritual/Super Full Power Saiyan 4: Limit Breakthrough

Salsa: We don't have time! The Universe tree's growing even further as of this moment...!

We can't waste any more time fighting this guy.

SSG Trunks (Xeno): I beg of you... Father, Goku-san...!

SSB Goku (CC): Yeah, it's pathetic but the me right now can't find a way to beat him.

Sorry to leave this to ya!

Pan (Xeno): Things get messy when it comes down to grandpa~

I'll just have to share some of my power with you!

(Trunks (Xeno), Pan (Xeno), & SSB Goku (CC) give their power to SS4 Goku (Xeno) & SS4 Vegeta (Xeno).)

SS4 Goku (Xeno): ... What an awesome power.

SS4 Vegeta (Xeno): Kakarot!! Here he comes!!

(Battle commences. Vs. Janemba.)

(After battle.)

Janemba: Gigigigi....!!

Trunks (Xeno): Yes! He's starting to take damage!

Dr. W: Fu... fuhahahaha! What a surprise!

But unfortunately for you, that level isn't enough to beat Janemba!

Trunks (Xeno): Hrgh... That's...

SSB Vegeta (CC): Hah... hah... Goddamn it all...!

... Oi! I'll give you my ki! But you better hurry it up & finish him off!

(Video skips to new mission. Vs. Janemba & Dr. W.)

(The SS4 Xeno duo power up. Their bodies are glowing & their hair is red.)

SS4 Goku (Xeno): ... My body's being filled to the brim with ki...!!

SS4 Vegeta (Xeno): ... Hmph. This power's not bad at all. Get ready!!

(Battle commences. Vs. Janemba & Dr. W.)

(After battle.)

SS4 Goku (Xeno): DRAGON FIST... EXPLOSION—!!

(The SS4 Xeno duo combine their Dragon Fists.)

Dr. W: I... I don't believe this... Why...! I wholly analyzed those two's strengths!

They should have been no match for my Janemba... Why has their battle power ascended so high...!!

SS4 Goku (Xeno): You're finished——!!!

(Janemba is destroyed.)

Dr. W: Damn you... DAMN YOU!!

(Some time after.)

Trunks (Xeno): Dr. W has escaped, but we managed to defeat Janemba...!!

Salsa: Yeah... But we have no time to relax. We need to head over to Fuu's location right away...

--

Majin Demigra & the mysterious man

(Somewhere else in Hell. A mysterious dead person & Demigra.)

???: ~~♪

... Hmph. This is quite... the strange "voice."

What do you want with me?

Majin Demigra:

(Battle commences. Vs. Majin Demigra.)

(After battle.)

... dead, & yet a man of ambition with no direction to follow.

Will you come with me?

(End.)

--

BM4

(Full dialogue voiceovers: Trunks (Xeno), Salsa, Vegeta (CC), Goku (CC), Vegetto (CC).)

The Universe Tree/Goku & co. vs. Fuu/Towa traps the Time Patrol

Salsa: At last, we've arrived... this is the Crack of Time... & over there is the Universe Tree.

Trunks (Xeno): That's... the Universe Tree...! We need to destroy it immediately...

Fuu: It'd be nice if you could cut that out. There's no point in destroying it.

... Welcome. Gods cannot intervene here. So let's all wait for the birth of this tree here in the "Time Chasm!"

Trunks: That's enough! Fuu, we will defeat you here...!

Fuu: Hah... You guys really enjoy fighting, don't ya?

Can't be helped. I'll play with you since I've got some time to spare.

(Video skips to new mission. Vs. Fuu)

Fuu: Ahh, that's right!

These folks are here to fight my own friends! And so I brought them along~

Goku (CC): Is that Gohan? No. 17, No. 18... even Krillin...!

Vegeta (CC): Enough with these shitty jokes...! I'll beat the hell out of the Universe Tree & you!!

(Video skips to after mission.)

Towa: Sorry to ruin your fun along the way, but you lot are coming with me.

Vegeta (Xeno): What?!

(Towa takes the Time Patrol & disappears.)

Goku (CC): The others from the different spacetime are gone...!

Salsa: Son Goku. I'm giving you my Potaras... Don't waste them.

Vegeta (CC): We don't need them!

(Transforms into Super Saiyan Blue.)

SSB Vegeta: I'll beat it out of this punk. I'll force a way to get rid of the Universe Tree out of him...!!

--

Goku & Vegeta (CC) go berserk/SSB Vegetto vs. Super Fuu/Beerus appears

(New mission. Vs. SSB Vegeta (Berserk).)

Fuu: Sorry~ The experiment's been done at this stage.

And furthermore, look!

Cumber's released aura is profoundly interesting. I'm still researching it~! Look.

SSB Vegeta (CC): Guh...?!

(SSB Vegeta goes berserk.)

.....

Goku (CC): Vegeta...!!

(Transforms into SSB.)

Damn... even this form is making me quiver...!

Fuu: Fufufu... I mean, you've experienced it yourself, haven't you?

I'll make the battle even more interesting for you.

SSB Goku: Gua--!!

(SSB Goku goes berserk.)

.....

Fuu: Perfect. And with this you'll be a little more agreeable now, won't you?

Alrighty, get ready~

(Mission. Vs. SSB Goku (Berserk) & SSB Vegeta (Berserk).)

(After mission.)

Fuu: Ahahahaha! Good, good!

Goku (CC): Guh...!

Vegeta (CC): Gah...!

Fuu: Now that was fun.

... it's strange, y'know. Why do I, who dislikes fighting, wield this much power...

If I fought with you guys, then I thought I might also be able to understand my roots better, but anyways...

Now, behold!

I shall initiate the destruction of a universe in an instant, along with the birth of a new universe in an instant...!

(New mission. Vs. Fuu.)

Goku (CC): Vegeta... there's no time. We have no choice but to fuse with Potara here...!

Vegeta (CC): In the end, that...!! Goddamn it all...!!

Goku: But y'know, if it's Vegetto... he could probably do something about that bad black ki, wouldn't he?

Vegeta: The barrier, huh...! Tch... give me that Potara!!

(Goku & Vegeta fuse to become SSB Vegetto.)

SSB Vegetto: ... Fuu. I'll beat the crap outta ya & destroy the Universe tree too!

Fuu: Fusion, huh... I saw it in the Prison Planet too...

How boring.

(After mission.)

SSB Vegetto: Hmph. It seems like you black ki can't get through my barrier.

Fuu: Heh... you're a jack of all trades, aren't you.

It's strange. Why is it that you've become stronger than the time in the Prison Planet?

SSB Vegetto: You wouldn't understand having just watched from behind the scenes.

You say you dislike fighting? Stop spewing boring crap & show me all you've got.

Fuu: Fufufu... Ahahahahahah!!

(Transforms into Super Fuu.)

In any case, I've got free time to spare until the birth of the universe.

For the finale I'll give you "all I got."

(Vs. Super Fuu commences. SSB Vegetto (CC) is provided as support.)

(After mission.)

Super Fuu: Really, I don't get it. No weak points... you keep growing stronger.

Haha... what is this feeling... it's fun, isn't it, fighting...!

...?! It's here! At last! At least, the Universe Tree is becoming complete...!

SSB Vegetto (CC): Shit, I wasted too much time...!

Super Fuu: Too bad. It was becoming fun, but... this is where we stop.

Now, oh Universe Tree! Bud open a brand new universe!!

Ehh...? Wait, what is this... the Universe Tree's roots are disappearing...? ... Impossible!
What's going on...!!!

(Beerus appears.)

Beerus: Did you think we Gods of Destruction would just watch while we sucked our thumbs? Brat.

The roots of the Universe Tree have been destroyed. Thanks to a wish by the Super Dragon Balls.

--

Gohan vs. Bojack/Androids vs. Super 17

(Full dialogue voiceovers: No. 17, Super No. 17.)

(Mission. Vs. Bojack gang.)

Gohan: ...where in the world is this place...

Krillin: The guy who brought us here said "Time Chasm" or something like that, but...

Android 17: This is no place to dig up oil to sell, but...

Android 18: The guy who brought us here said that we could claim our reward.

(New mission. Vs. Super Bojack.)

Bojack: ...it's been a long while, hmm? You're not going to use that golden hair form?

Gohan: You're... Bojack...! ...This is the current me...!

Bojack: Kukuku... Delightful. To defeat you, I will...!

(Transforms into Super Bojack.)

Now, Son Gohan...! Fight me...!!

(New mission. Vs Super No. 17.)

Super 17: Hahaha! What a ridiculous tale. That the me from the past was such a frail chump...!

Android 17: What in the world are you?

Krillin: He's equal to No. 17... this guy's really freaking strong...!

Android 18: Of course... I don't know what's going on, but that guy's also No. 17.

Super 17: Kukuku... why don't I try out that female scientist's invention?

Krillin: What in the... I've got a bad feeling about this...

(Mission. Vs. Super 17 (Mask).)

--

The dark factor/Towa's scheme

(Full dialogue voiceovers: Trunks (Xeno), Goku (Xeno), Vegeta (Xeno).)

Goku (Xeno): ... Towa. What are you up to now?

Pan (Xeno): What's your relationship with Fuu?!

Towa: Fuu is my creation.

I used the data from various warriors across different dimensions, & the result of that culmination is Fuu.

I intend to make him the new Dark King...

Trunks (Xeno): I see... that's why you've been at his side this whole time...!

Towa: Yes, & in order for that I will need your cooperation as well...!!

(After battle.)

(Towa takes something out from Vegeta (Xeno).)

Vegeta (Xeno): What... is that...?!

Towa: This is the Dark factor. It contains the life force of the Dark King...

Just right before you lot sealed him away, this factor was released into his surroundings.

And to think that at the time, it was so close to you. Hidden among each of you.

I will give this Dark Factor to Fuu & he will awaken as the Dark King...!

(New mission.)

Towa: Fufu... soon, Fuu...

Here are the Dark Factors from Son Gohan & Goten, whom Mira went to capture, which I will combine with the rest...

A brand new Dark Army shall rise...!

Goku (Xeno): ... Hah, hah...

I won't, let ya...!!

(Mission. Vs. Mira & Towa.)

(After battle.)

Goku (Xeno): ... Tch.

Mira: You're late, Towa. I've collected these guys' Dark Factors.

Towa: I have no more use for you.

Good-bye, Time Patrol. Disappear within the confines of the Crack of Time.

Goku: D... damn it all...!!

(End.)

--

BM5

Super Fuu awakens/SSB Vegetto vs. Dark King Fuu

Super Fuu: The Universe tree's roots are disappearing... impossible!! But why...!!!

Beerus: Brat, did you think we Gods of Destruction were sucking our thumbs as we watched?

We got rid of the roots by making a wish using the Super Dragon balls.

(Video skips to new mission.)

Whis: it seems that the Universe tree's roots are disappearing from all of the universes.

(... Although, only the extended "roots" were erased....)

(After all, Super Shenron's power doesn't reach the Universe tree's original body. There must be a "time chasm" around...)

Now then, for the time being we shall take care of the emergency of the universe crumbling away, & leave the rest up to you.

Beerus: See ya. Best of luck to you all.

(Beerus & Whis disappear.)

Super Fuu: Damn it... How dare those Gods of Destruction...!

SSB Vegetto: Hmph, too bad. Your plans have somehow been halted right here.

Super Fuu: Damn it...

DAMN IT DAMN IT DAMN IT...!!

Those gods! They're nothing but a bunch of clowns who ruin & destroy! My plan... how dare they... HOW DARE THEY...!!!

I won't let it end here... I won't let my plans end here like this— — —!!!

Towa: Fuu...? What are you awakening...?!

(Battle. Vs. Towa & Mira.)

Towa: Ku...?! The Dark factor is returning to Fuu...?!

SSB Vegetto: ... What's this? I have a bad feeling about this ki...!!

(Video skips to new mission.)

(Flashback.)

Towa: Someday... your era shall come.

Live & grow, & you will definitely... claim the world & everything in it...

Super Fuu: I see... This is "me," huh.

Dark King Mechikaboola: That's right! This is the power of the Dark Demon Realm!

Super Fuu: Who... are you?

Dark King Mechikaboola: That's something you don't need to know... I am you... & you are me...!

Dark King Mechikaboola: Now... allow me into your body...! What say you we engulf the world into darkness...!

(Vs. Dark King Mechikaboola.)

Super Fuu: Sorry but I'm not interested.

I'm only taking your "power." I have no need for you.

Dark King Mechikaboola: GUOOOOOO...!!! YOU FOOOOOOOOOOLLL.....!!!

(Dark King Fuu appears.)

Dark King Fuu: ...

(New mission.)

Towa: Fuu?

Dark King Fuu: ... hey, Towa-san. Or should say, "mother?"

Towa: I see... your memories have returned to you, Fuu... no, our new Lord Dark King...!

We are your vessels. Please call upon us as you please.

Dark King Fuu: Again, that's... sorry but I'm not interested.

However, this power is quite something... with it it would be simple to supply energy to the Universe tree.

I have no interest in this Dark Demon Realm & what not, but I'm still going to use this power.

SSB Vegetto: You bastard, what do you intend with creating a universe? Will you be done after that?

Dark King Fuu: Fufufu... would you like to try to pry out of me by force?

(Vs. Dark King Fuu.)

Dark King Fuu: Hahaha, I have to commend you...! Even with this power I can't finish you off.

SSB Vegetto: Tch, acting so composed...!

Towa: Fuu, proceed with your plan at your own leisure. I'll take it from here.

(Vs. Towa & Mira.)

Dark King Fuu: I've been snatched out of my plaything... but true, I'm just getting warmed up here.

... It's time to wake up, Universe tree!

Time Patrol escape the Time Chasm

Pan (Xeno): What do I do... we got left in an unknown place...

Also... why... can't I breathe so well in here...

Trunks (Xeno): We can't be here at a time like this. We have to find some way to escape...

(New mission.)

Trunks: Arghh!!

Pan: What's going on...

(New mission. Vs. Demigra & Robel.)

Majin Demigra: Been a while, Time Patrol.

Trunks: Majin Demigra?! Why are you...!

(Battle commences. Vs. Demigra & Robel.)

Demigra: What you calmed down yet? I heard your “why are you?”

Fuu is an eyesore towards my military ascension.

I’ve been acting in order to stop him as well, but it seems I’ve been one step behind.

Using the Dark factor that he took from you fools, he’s completely become the Dark King.

... however, thanks to the Gods of Destruction’s doing, the Universe tree has been temporarily put out of commission.

Goku (Xeno): Damn it... we have to at least do something about that Universe tree...

Demigra: I have a plan. Son Goku, Vegeta, I’ll lend you power.

Goku: Those are Potara...!

Vegeta (Xeno): Tch, you come after Fuu, Demigra!! Better be ready...!!

Goku: Trunks, take care of Gohan & the others.

SS4 Limit Breakthrough Vegetto vs. Dark King Fuu

Towa: Wha...?! How were you able to escape the Time Chasm?!

Dark King Fuu: Good gosh, it’s the limit-breaking power that the doctor mentioned... do you guys have infinite potential or something? ...jeez.

However, the battle power of your infinite potential are etched into my genes, y’know?

And with that... I’m also getting excited.

SS4 (Limit Breakthrough) Vegetto (Xeno): ...this is as far as I’ll let you go, Fuu!

(Battle commences. Vs. Dark King Fuu. SS4 Vegetto (Xeno) is provided as support.)

--

Mysterious figure: (Silhouette of Broly...)

(End.)

--

BM6

SS4 Broly vs. SS4 Vegetto (Xeno)

SS4 Vegetto (Xeno): HAH—!!

Dark King Fuu: Guh...! Fufufu... You Saiyans just won't throw in the towel, will ya...!

We've been fighting for a while now. How about I change the scenery a bit?

(Fuu changes the location of the field to a castle.)

It seems like this space-time came from my memories.

It'll be cramped in this kind of place... I'm not liking it, jeez.

SSB Vegetto (CC): ...?! Hold on, who's this ki from...

Towa: No way... that's...!

(Broly enters the castle.)

LSS Broly: ARGHHHHHHHHH!!!!

(New mission. Vs. SS4 Broly.)

LSS Broly: ARGHHHHHHHHH!!!!

SS4 Vegetto (Xeno): Broly!

Towa: After the battle in Mechikaboola's castle, even though you didn't know the way to get here...

Were you possibly sent here through the Crack of Time...?!

Broly: Kakarotto... Vegeta... UOOOOOOOOO!!!

(Transforms into SS4.)

I'll crush you...!!

Majin Demigra: He's free of the mind control as well, so all that remains now is a devil with his battle instincts...

Given how many times he's escaped from the clutches of death, it seems his battle power has unimaginably increased...

Trunks (Xeno): Still, he shouldn't be able to compete with dad & the others now...!

(New scene.)

Majin Demigra: Up until now we've been on the defense...

Robel, take us to the Time Chasm.

Yes, Demigra-sama. The preparations are already complete, as expected of me.

(Inside Fuu's castle.)

SS4 Broly: GUOOOOO!!

SS4 Vegetto (Xeno): He's been holding back on us... this ki... no way?!

(SS4 Broly achieves Limit Breakthrough.)

SS4 Broly: GAHHHHH!!!!

SS4 Vegetto: Oh come on... he was able to go into that form by himself...!

(New scene.)

SSB Vegetto (CC): ... I was thinking of how to stop him, but now it seems I can't even say that...

SS4 Broly: Guh... guh... Kakarot... Vegeta...!

--

SSB Vegetto vs. Dark King Fuu

Dark King Fuu: Well now, so I'm outside the nest, huh... works for me.

So let's get on with creating a universe... now, it's time to awaken, Universe tree...!!

SSB Vegetto (CC): Shit...!!!

SS4 Vegetto (Xeno): ... Oi! What's... this light...!! The light's taking in all our surroundings...!!

SSB Vegetto (CC): Tch... at this rate we're both going to lose...!! Catch me if you can! Broly!!

I'm repaying you back for that time in the Prison Planet...! I'll leave things here to you!

SS4 Vegetto (Xeno): You...!

(SSB Vegetto & Broly go away.)

SS4 Vegetto: Damn it!!

(New mission. Vs. Dark King Fuu.)

Dark King Fuu: ... This is a universe...? No, that's not it... It's still not complete.

Is it in this bad of shape because I messed with it... an empty space-time. Now that's interesting, seems like it'd be worth continuing the experiment.

(SS4 Vegetto arrives.)

SS4 Vegetto: FUU!

Dark King Fuu: ... Ahh, you again? I can't let you interrupt me like this any further.

I'll definitely nurture a new universe with this empty space-time...!

SS4 Vegetto: I won't let you have it your way!!!

Dark King Fuu: Jeez. You don't hold back, do ya.

--

Majin Towa & gang vs. Demigra & Majin Robel

Towa:

(Majin Demigra shows up.)

Majin Demigra: Are you worried about your kid? That's not like you.

Towa: Demigra!

Majin Demigra: Kuku... That brat's not the ideal king you wanted him to become, is he.

Your dream of rebuilding the Dark Empire Army is coming to an end.

(Towa transforms in her Majin form.)

Majin Towa: Silence...! SILENCE...!!

Majin Demigra: Hmph... you've taken in the Dark factor, huh. How vexing...

(New mission. Vs. Majin Gravy, Majin Dabura, & Majin Towa.)

Majin Dabura (Xeno): It's been a while, Demigra.

Majin Gravy: Hahaha, you're outnumbered!

Majin Demigra: One after the other... Robel!!

Robel: Yes, leave it to me.

(Robel transforms into her Majin form.)

... come at me.

(Vs. the Dark Empire trio. Majin Robel is provided as support.)

Majin Dabura: Guh... Demigra...! So your own subordinate became a Majin too, huh...!

Majin Robel: As expected of me... Demigra-sama, let us go now.

Majin Demigra: Yeah.

Let's go, Time Patrol!

--

SS4 Vegetto (Xeno) vs. Dark King Fuu

Demigra: When I give the signal, you restrain Fuu.

During that interval, I'll open up the Time Labyrinth just like the Kaioshin of Time did.

Got that? We only have one chance so don't mess it up.

Tch... I can't stand taking orders but fine... let's leave it at that...!

(Vs. Dark King Fuu. Majin Demigra is provided as assistance.)

(After battle.)

SS4 Vegetto (Xeno): Now, Demigra!! Go for it!!!!

Demigra: Time Labyrinth!

Dark King Fuu: Wha...

(Dark Fuu gets sent into the Time Labyrinth.)

Demigra: It worked.

Majin Towa: How dare you... you think you'll be able to keep Fuu trapped like this?

Demigra: ... Hmph, I wonder. We're done here, let's go Robel.

Robel: Yes, Demigra.

--

Goku (CC)'s whereabouts

(Elsewhere during the battle.)

Trunks (Xeno): Tch! You're okay, Pan-chan...!

If it's Goku-san & father... they'll definitely be okay! They'll definitely come back...!!!

(It's up to you... Father, Goku-san...!!)

(New mission.)

(Goku (CC) wakes up in a new place.)

Goku (CC): Ouch... Is this... West City...?!

(Elsewhere during the battle.)

Dr. W: Ugh... this light is...?!

UWAAAA...!!! I-I'm being swallowed by it...!!

(New mission. Vs. Super Bojack, Super 17 (Masked), & Turles.)

Turles: Hmm...? What's this light...?

The light's swallowing us...! GUAAAA---!!

(End.)

--

BM7

The copy universe/The masked Saiyan/Goku (CC) vs. the masked Saiyan

Goku (CC): Where am I... this place feels like West City, but...

Trunks (Xeno): ...san... Goku-san..... Can you hear me?

Goku: This voice... Trunks?! Are ya safe?!

Hey, have I really been sent to the universe that Fuu created?

Trunks: Yes... But I wouldn't say that it's a real universe. More like an empty space-time, that is.

I couldn't believe it, but the empty space-time that Fuu created had acquired a piece of "this universe!"

Goku: Hmm? What's that mean?

Trunks: This universe, as well as the empty space-time, have been brought together. Their histories are connected & being distorted together...

In other words, the empty space-time is forcing the original universe to copy what it does, so it's kind of like a situation where the universe is now "two being one."

Goku: Huh...? I'm starting to get confused...

Oh? Isn't that... Freeza's spaceship...! Wait, there... are two of them...?!

(Video skips to new mission.)

Goku (CC): Why're Freeza & that Cooler guy here...?

(Video skips to new mission. Vs. Masked Saiyan.)

Trunks (Xeno): Goku-san! If you can, please be careful so as to not destroy the buildings around you...!

That copied universe is "two being one" with ours now! In other words...

Red-masked Saiyan: Can you explain it in a simpler manner?

Goku (CC): Who're you... and why're you wearing such a weird mask?

Trunks: Mask...? G-Goku-san! Please get away from that man!

Red-masked Saiyan: I'll explain this universe's rules.

Goku: W-what's he doing... He's destroying the buildings around us?!

Trunks: No! Just now, the original Universe 7's West City buildings collapsed...!

The copied universe and the original universe... they're definitely connected...!

(After battle.)

Goku (CC): So that's how it is... you're a bad guy. Are you with Fuu?

Red-masked Saiyan: Fuu? Hmph, I was used as a tool for that guy's plans...

Kukuku... I'll use this mock universe to grant my wish...

And now, what say we begin by exterminating this entire region?

Since it involves an unknown cause of destruction in the original universe, I wonder how many people can disappear.

Goku: What the... I don't... have any strength left...

Red-masked Saiyan: Before coming here, you've been in battle after battle... your body's finally starting to reach its limit.

--

Goku (CC) vs. Freeza (BR) & Cooler

(New mission. Vs. Freeza (BR) & Cooler.)

Red-masked Saiyan: Now... first, I'll have the interfering Time Patrol out of the way.

Trunks (Xeno): Damn! ...Go... sa... ... escape... someh...

Goku (CC): Trunks! I can't hear him anymore.

Red-masked Saiyan: Shouldn't you be concerned about me in the first place? ... Let's begin.

Freeza (BR): Really now, that kid called Fuu had the nerve to abduct me...

Metal Cooler: I can't believe you showed up here... Freeza...

I'll destroy you if you get in my way... or so I would say but now's not the time... the first to go is Son Goku.

Freeza: Fufufu... this is the first time since I was born that I am on the same page with my troublesome elder brother.

(After battle.)

Goku (CC): Don't have any strength... at this rate...

(Hearts appears.)

Hearts: Hey now, Son Goku. Is that the extent of your limits?

Goku: Hearts?! You're... alive...?

--

Hearts arrives/Metal Cooler transforms/Golden brothers vs. Goku & Hearts

(New mission. Vs. Golden Metal Cooler.)

Hearts: As you can see, I'm actually dead. However, some Majin guy pulled me out from Hell.

Metal Cooler: This bastard... Cumber's ally...!

(Transforms into Golden Metal Cooler.)

On my pride, I will thoroughly destroy the one who influenced him!

(Vs. Metal Golden Cooler. Hearts is provided as support.)

(After battle.)

Hearts: Fuu... the man who plans to destroy & create a new universe. I must stop him.

For that, I'll ally with those hateful gods, I'll lend you a hand, I'll be a contradiction of myself.

Goku (CC): If you do bad things again, I'll beat the crap outta you.

Hearts: Kuku, if that happens, you'll have to worry about getting out of this space-time safely on your own.

Goku: Hey! You know a way to get outta here?

Hearts: We'll talk later. Before that... we need to do something about *him*.

(New mission. Vs. Golden Freeza (BR).)

Freeza (BR): You're weak, Son Goku. I'm not going to pass up this opportunity!

(Transforms into Golden Freeza.)

Now...! Prepare yourself!!

(Vs. Golden Freeza (BR). Ultra Instinct Omen Goku is provided as support.)

(After battle.)

Goku (UI Omen): This is as far as I'll... let you go!

Golden Freeza (Br): Guh...! Damn it...!

Goku (UI Omen):

(Reverts back to normal.)

Goku: ... Freeza, this ain't the time for this, y'know that too don't ya.

I'll fight ya later as many times as you want.

But for now, don't ya think we should focus on escaping from here first?

Golden Freeza: Me, cooperate with you again...?

--

Dark Dragonballs/Broly appears/The black-cloaked warrior

(New mission.)

Red-masked Warrior: How boring. Stop talking & rampage more. Alright... I'll make this a bit more interesting...!

Goku (CC): What's that...?! He took out black Dragon balls!

Red-masked Warrior: These are the Dark Dragon balls...Evil ornaments gathered from various different eras of time.

(The Dark Dragon balls latch on to Golden Freeza (BR) & Golden Metal Cooler.)

Goku: What the, what the hell's this bad feeling I got...! Is it due to those Dragon balls?~

(Vs. Golden Freeza: Xeno & Golden Metal Cooler: Xeno.)

(After battle.)

Goku (CC): Damn it... what unbelievable power...!

(Broly shows up.)

Goku: Who're you?!

Broly: UWOOOOOOO!!!!

Hearts: Hoh... this fella may be our stroke of good or bad luck...

(New mission.)

Goku (CC): Damn it... ... Freeza then Cooler... And now this guy too...!!

Red-masked Saiyan: Hahaha! Unsightly... it's truly unsightly. But this is good too, keep struggling more...!

(A new person appears.)

Black-cloaked warrior: ...

Goku: Hmm? Who're you...? Could you please help us out here?!

(Vs. Broly. Black-cloaked warrior is provided as support.)

(After battle.)

--

Goku & co. vs. Red-masked warrior/Goku & Hearts team up

Black-cloaked warrior: ...!

Freeza (BR): ...!

Golden Metal Cooler (Xeno): Gah?!

(Returns back to Metal Cooler.)

Red-masked Warrior: You ruined my fun.

Black-cloaked warrior: ...

Broly: GAAAAAH!!!!!!

(Broly leaves.)

Goku (CC): That guy went off elsewhere...

(New mission. Vs. Red-masked warrior.)

Hearts: You had a blast just sightseeing from above.

Red-masked warrior: If you have any complaints, I'll be glad to come down. This mock universe... lacks in conflict...

(Vs. Red-masked warrior.)

(Ultimate attack is called Darkness Impact.)

(After battle.)

Hearts: He escaped... that masked man, & that black-cloaked man... I couldn't read either of their minds.

Goku (CC): Who were those guys... ow ow... my body...

Hearts: You should eat this. I Believe your stamina should recover after doing so?

Goku: Eh, this! It's a Senzu!

Hearts: Before I caught up with you, I checked around this world a little bit. Found it above a strange pole.

Goku: You knew about the Senzus?

Hearts: I read your minds a while back. ...You should already know this.

This universe seems to be a copy of the original universe, is it not?

In other words, if we can gather the balls here, we also have a chance of escaping, do we not?

Goku: I see. In that case, let's go find the Dragon balls! Ummm, the Dragon radar should be close by...

(Finds the Dragon radar.)

Heh heh... where oh where... Oh, we got a response!

Yoshh... let's move out!

(End.)

--

BM8

Caption: In a new spacetime, within the revived “Planet Vegeta...”

Turles becomes an Evil Saiyan/Evil Saiyan Turles vs. SS3 Cumber

(SSB Vegeta vs. Turles vs. Cumber.)

SSB Vegeta: Saiyans fighting in Planet Vegeta, which was destroyed in the past... what an unbelievable situation.

Cumber: Evil is undoubtedly a Saiyan's true essence, his pride... you, whose fists lack it... have no value at all!

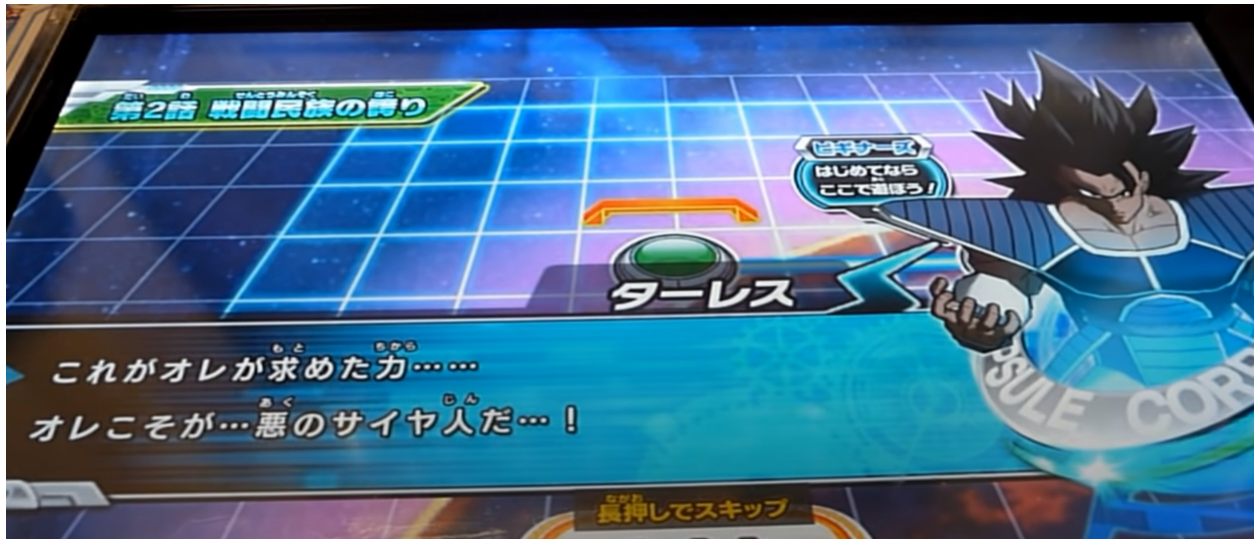

Turles: Kuku... we think alike, Evil Saiyan... evil is undoubtedly a Saiyan's true worth... & I have reached that pinnacle!

(Turles eats fruit & his hair grows out to the length of that of Super Saiyan 3 while sporting a bang. His eyebrows are intact.)

Instead of amplifying my power with the power of the fruit, I have enveloped my heart with evil via the fruit of the God Tree...

This is the power I have sought..... I am now... an Evil Saiyan...!

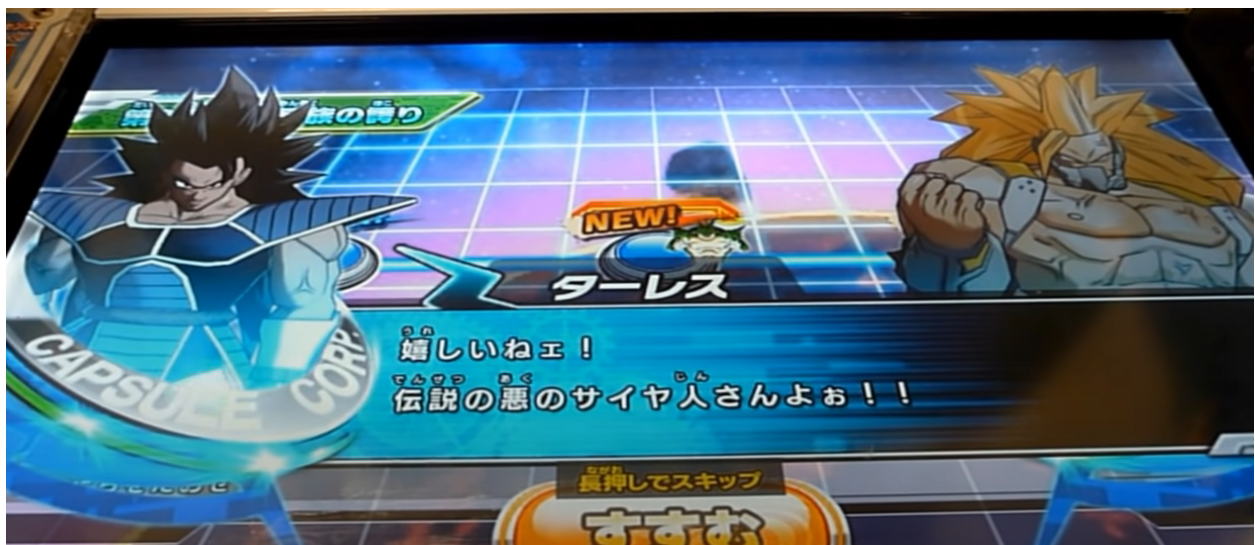

(New mission. Vs. Raditz & Nappa.)

SSB Vegeta: An Evil Saiyan...?!

(New mission. Vs. Paragus & King Vegeta.)

SS3 Cumber: That's right...! With that evilness, you're a real Saiyan...!

Now! Fight with me...!

Turles: I'm happy to hear that! Coming from the legendary Evil Saiyan!!

Goku & Hearts arrive/Red-masked Saiyan vs. SSB Goku & Super Hearts

(New mission.)

SSB Vegeta: Damn it...!! Evil Saiyans... such power...!

(Goku & Hearts teleport to Planet Vegeta.)

Goku: Oh! Vegeta!

SSB Vegeta: Kakarot!

Hearts:... That Cumber fellow. I haven't seen him indulge himself this freely in a while...

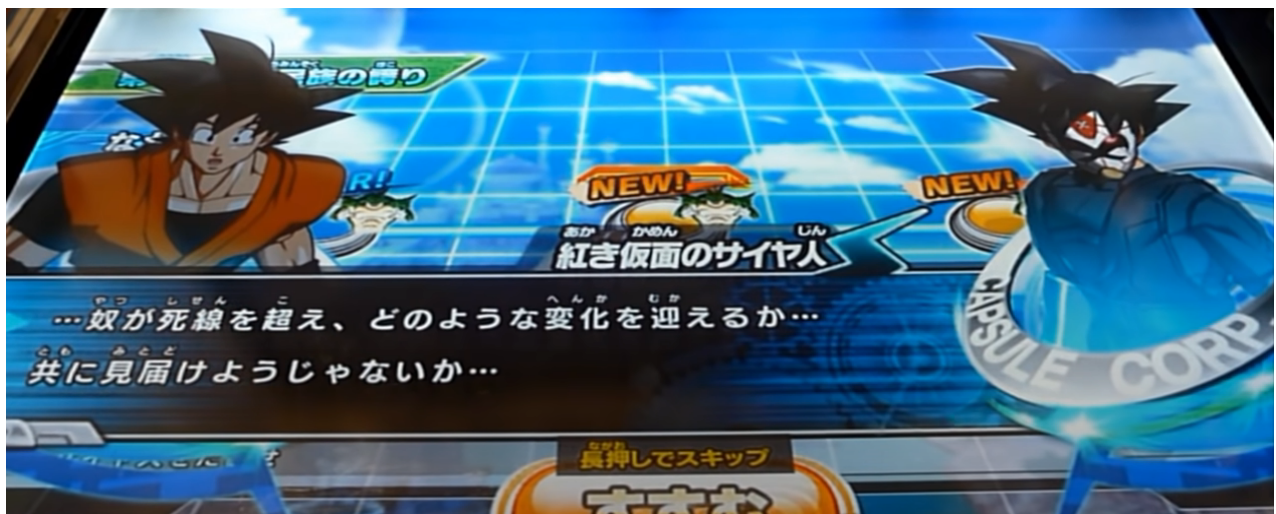

(New mission. Vs. Red-masked Saiyan.)

Red-masked Saiyan: Son Goku..... you've finally come... hey now, I'll be enough for you.

Goku: Y-you! ...huh?! A Dragon Ball?!

Red-masked Saiyan: You want this, don't you? Then don't interfere with Vegeta, Son Goku.

... I wonder what transformation he'll achieve in the face of death. Why don't we just stay back and watch for ourselves...

Super Hearts: Good grief...

Son Goku, our opponent will be this man.

(New mission. Vs. Red-masked Saiyan.)

SSB Vegeta: Kakarot...! I don't need backup from you...! Fools like these... I'll be more than enough for them!

Red-masked Saiyan: That's the same thing he said. Why don't you guys have some fun with me?

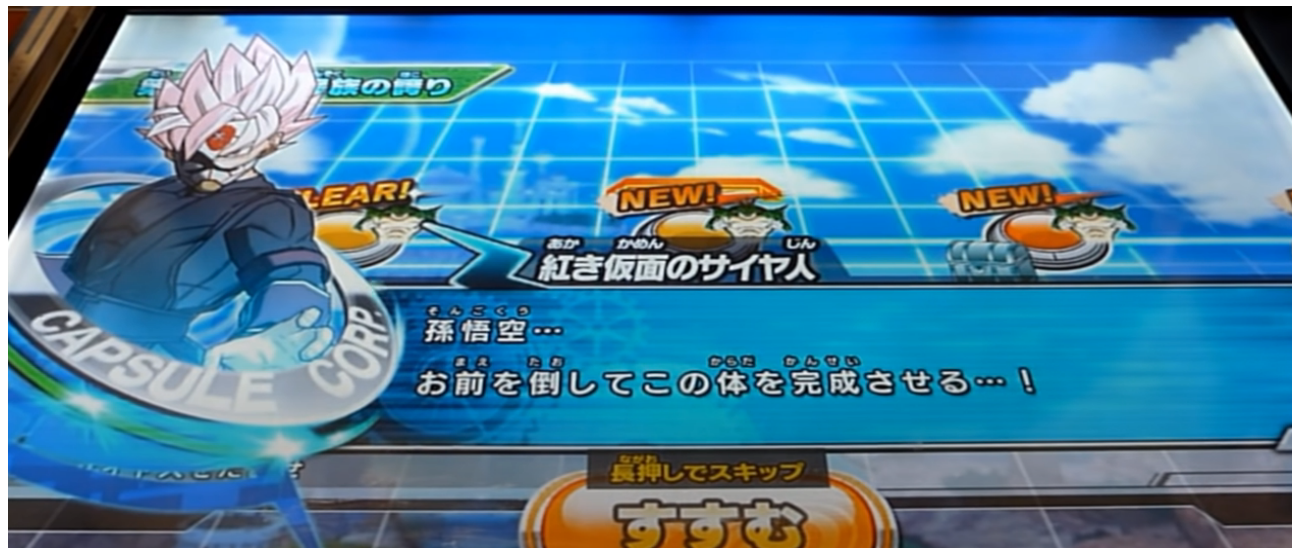

(Transforms into Super Saiyan Rose.)

Son Goku... once I defeat you I'll be able to complete this body...!

Goku: Wha..... You're...!

(Transforms into SSB.)

I don't know why you're here, but it seems like I ain't got a choice...!

(After battle.)

SSB Vegeta: That person... it can't be, Black...?

Evil Saiyan Turles: Where do you think you're looking, Prince!!

Vegeta & evilness/Vegeta vs. SS3 Cumber & Evil Saiyan Turles

(New mission. Vs. Evil Saiyan Turles.)

Evil Saiyan Turles: Kukuku, I'll give you some of this power too, Vegeta.

(Turles envelops Vegeta in evil ki.)

SSB Vegeta: GUAAAAAA...!!

(New mission. Vs. Evil Saiyan Turles & SS3 Cumber. SSB Vegeta is provided as support.)

SSB Vegeta: I see... Long ago, I was... the same as these guys... however...!

Evilness as a Saiyan's true essence...? That's wrong... Our true worth as a warrior race is to continue to battle...

To surpass all of you... to seek strength and nothing else...!

(Vegeta gets the evil ki under his control.)

Evil Saiyan Turles: What...?!

SSB Vegeta: To rely on power gained from eating fruits off a shitty tree... the one who's lost his pride... is YOU!!!!

SS3 Cumber: That power...! Good...! Fight with me!!

SSB Vegeta: Good or evil doesn't factor into it...

All I need to do is become stronger than anyone... this is my PRIDEEEEE!!!

(After battle.)

SS3 Cumber: ... That wasn't so bad... my fellow comrade.

SSB Vegeta: ... I'll always be ready to take you on whenever you want.

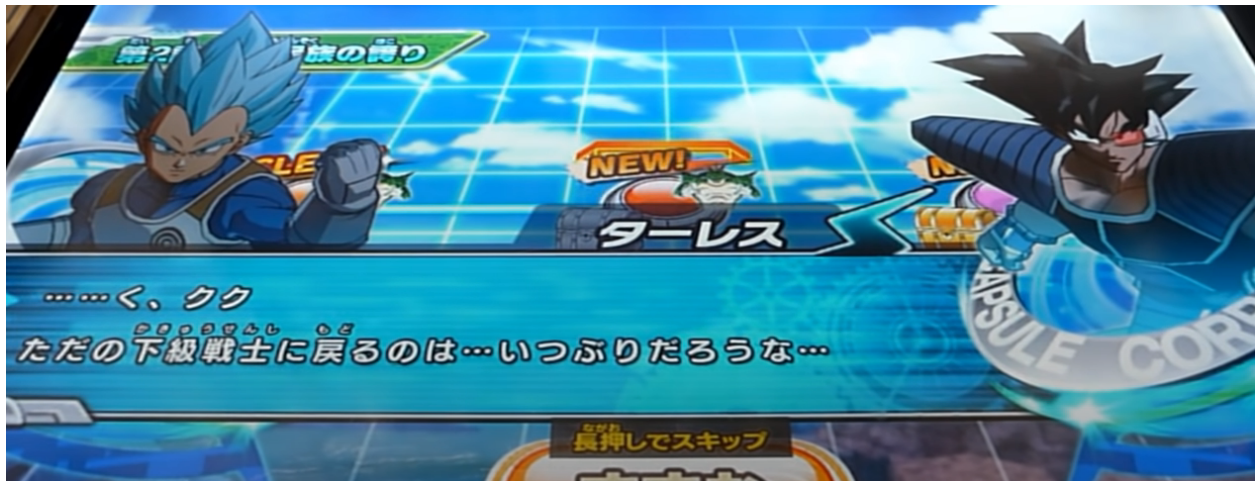

Evil Saiyan Turles: Damn it... we're the same as Saiyans... how did you suddenly become so...

(Turles reverts back to base.)

I... why can't I win...

SSB Vegeta: If you still have even a shred of Saiyan pride left in you, I hope you'll find your way once more.

Turles:Ku, kuku. So going back to being a lower-class warrior... same as always then...

Red-masked Saiyan vs. Ultra Instinct Omen Goku/Destruction of Planet Vegeta

(New mission.)

Red-masked Saiyan (SSR Goku Black): Traveling across countless spacetimes, I've defeated Son Gokus... & you're the hundredth I'll face.

And then I'll finally be able to claim this body as mine completely...

Goku: Ku...!

SSB Vegeta: Kakarot...!

B-bastard!! ... Goddamn it! My body's...

Red-masked Saiyan: That power... you still haven't used it yet... very well then, I don't have any more use for this planet nor you lot...

Perish together! Saiyans!!

Super Hearts: This guy... I feel like he's going to destroy this planet.

Goku: Wait...!

(Transforms into Ultra Instinct Omen.)

Red-masked Saiyan: Tch... an insignificant power-up.

Fufufu! If you can still get stronger... then I can still ascend further.

Now! Prove to me you can survive! Son Goku!

(Vs. Red-masked Saiyan.)

(After battle.)

SSB Vegeta: Kakarot, hurry the hell up! We won't make it in time!

Goku: There's nobody else around... I can't sense any other ki either...

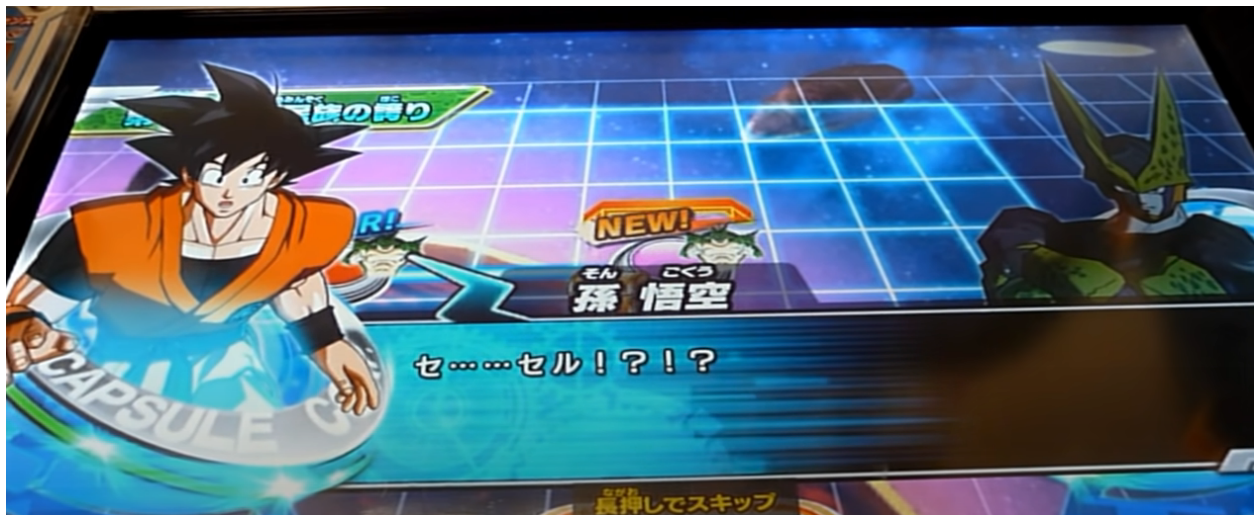

I was only able to come here 'cause I could sense you, Vegeta... but now there's nobody else to find, & my ki's getting weaker...

Hearts: Oi oi... now's not the time to be sleeping peacefully...!

Cumber:

(Perfect Cell suddenly appears. He has a halo.)

Cell: I've found you, Son Goku.

Goku: Ce... Cell??!!

Red-masked Saiyan: ... Another dead person has intefered yet again... damn Majins, doing unecessary things... I won't let you escape!

(Turles interferes.)

W-what?!

Turles: Ku...kukuku... don't underestimate... us Saiyans!

Red-masked Saiyan: ...get out of my way!

(Goku & co. have disappeared.)

.....Son Goku & the others have escaped from me, huh.

Caption: *The red-masked Saiyan disappears, & Planet Vegeta is engulfed in an enormous explosion...*

(End.)

--

BM9

Voiced characters: Goku, Gohan, Vegeta, Shroom, Krillin, Dr. W

Conversation with Demon Realm/Room of Spirit & Time Training

Caption: *Moments before Planet Vegeta explodes, Cell takes Goku to...*

Gohan: Father!

Goku (CC): Gohan! Krillin! Ya guys also came here?!

What's more, Androids 17 & 18 too!

Gohan: We were fighting in a different location, but then a light suddenly swallowed us up...

Cell was there, & so we arrived to this place.

Goku: *(Puts up fighting pose)* Cell... You, why're ya...

Cell: ...

Shroom: I'll take it from here.

Goku: Who're you?

Shroom: A Majin... no, former Majin.

I was the one who busted Cell out of Hell.

Vegeta (CC): You bastard...!

Salsa: Oops, that's enough, we didn't come here to fight you guys.

Oi Shroom, hurry up & explain already.

We were wondering who that red-masked man is, so we gathered you guys in order to find out...!!

(New mission. Vs. Shroom & Cell.)

Vegeta: "Zero mortals plan..." he says...?!

That masked bastard with his bullshit!

Shroom: After he was brought to this current timeline, instead of going along with Fuu's plans, he hijacked it for his own plans.

Right now, everything is going all according to his plan.

Goku: So why'd ya bring Cell along then?

Shroom: The same reason as Hearts over there.

We need the powers of others "outside" of that guy's plan.

Vegeta: You bastard...

Do you know how much of a shitty scum bastard this guy is!!

Gohan: Vegeta-san...

I feel the same way... but we need his cooperation... to save our original universe...

Vegeta: Tch... what the hell are you planning...

Cell: *(thinking)* Hmph... I know the difference in strength between you bastards & me. So I'll just lay back & observe for the time being...

Hearts: I see.

Cell: ?!

Hearts: I don't intend to say anything. Let us keep our inner thoughts within us for the time being.

(After mission.)

Krillin: If we tried to take that masked guy all at once, wouldn't we be able to defeat him?

Goku: Hmm... I don't think it'd be that easy for us to win.

Android 17: Meaning that as us, as we currently are, have low chances of winning, right?

Krilling: But hang on! We even have Goku who has Ultra Instinct!

Goku: E——hhh... I actually still can't use it freely, ya know.

And Vegeta, that dark thingy, you can't control it very well either yet huh?

Vegeta: Tch...

Salsa: And so, we need to have you guys be able to use those powers.

We'll open the path to a spacetime where time flows slowly. One day here is one year in there.

Poutine: If we're talking about a place you're familiar with, it'd be like the Room of Spirit & Time.

Shroom: Inside are phantoms that we've met up until now... they'll make good training.

Goku: Training, huh!

--

Dr. W arrives/Goku & Vegeta's training/Bojack vs. Gohan rematch

(New mission. Vs. Bojack.)

Krillin: Training?! D-do we even have that much time left?!

The original universe's in danger, isn't it?!

Shroom: We have a plan for that too.

Right now, there's a man who should be on his way to stop the masked man.

Goku: It's true, the way I am now I can't win. Alright, I'll do it.

(Bojack, 17, & Dr. W. appears.)

Bojack: I've found you! Son Goku!!

Salsa: Damn it...! At this time...!

Super 17: ...

Android 17: Seems like we won't have time for training, do we.

Gohan: Father! Vegeta-san! Hurry up & get in there!

We'll stop them here!

Goku: I'm counting on you! And everyone!

(Goku & Vegeta get into the new spacetime. After battle.)

Gohan: What do you guys want from us?!

Is your objective to claim this empty universe?!

Bojack: Ha... ha... what I seek is the restoration of the Hera Clan, & domination of this new universe... my ambitions won't end here...

But you're... you're in front of me! I'm fighting you once again & couldn't win!

Nothing else matters...! This time, I will... no matter what it takes... I'll defeat you!!

Gohan:...

Bojack: ... Hah... you're strong, damn it.

(New mission. Vs. Yamcha, Gohan, 17, Krillin, 18, Tenshinhan, & Piccolo.)

Caption: Thanks to Salsa & the others, Goku & Vegeta were able to enter into a place imitating the Room of Spirit & Time...

Goku: It's true, it looks just like the Room of Spirit & Time.

Vegeta: Kakarot... can you feel it?

Goku: Yeah, there are several kis blended together & surrounding us.

Vegeta: Once we defeat these guys, they said our powers will increase even if just a little, huh.

Goku: Huh?! Why're these guys here?!

Vegeta: It's those illusions that Shroom & others warned us about!

That being said, their battle strengths have also increased.

Goku: Here they come, Vegeta!

(New mission. Vs. Garlic Jr. gang.)

Goku: Ahh, how nostalgic to see these guys again!

Vegeta: Hurry up & let's end this!

(New mission. Vs. Time Patrol & Chronoa.)

Goku: It's the other me.

Vegeta: They have an unbelievable ki... we can't let things end here.

It's too bad they're only shadows, I wanted to fight 'em again one more time!

--

17 & 18 vs. Super 17/Dr. W vs. Krillin & Hearts/Dr. W's identity revealed

(Elsewhere. New mission. Vs. Super 17 (Time Breaker Mask).)

Caption: *On the other side, around the same time... Android 17 & the others are protecting the Mock Room of Spirit & Time for the sudden assault...*

Super 17: I don't understand... you're the old me, right? So then why are you able to fight me?!

17: It's me who doesn't understand what you're saying. Also, I don't remember stepping on your toes or the like.

Super 17: You haven't gotten on my bad side. It's just your carefree way of living... really pisses me off!

Android 18: 17! You alright?

Super 17: ...

17: This guy doesn't seem to want to attack you.

18: What does that mean?

Super 17: Ahh, this again... doing the same thing over. This time will be different!

(Puts on the Time Breaker mask to become the Masked Android.)

Masked Android: Now, no more holding back! I'll absorb you guys, & become the "true me!"

(After battle.)

17: It's over.

Masked Android: ...

(The mask breaks off.)

Super 17: It... seems like it... Tell this to Son Goku...

The mask draws out power beyond normal limits... & that overflowing energy at the same time becomes a weakness.

I'm not sure if that masked guy is the same as me... but there must be a catch to it.

17: Okay. I'll tell him later.

Super 17: Hey, you..... do you... have... a family... or the like?

17: ?... Yeah.

Super 17:Heh. Don't make me laugh...

(New mission. Vs. Dr. Wheelo & henchmen.)

Shroom: Yo, old man, you trying to start a festival here?

Right now, you were surely..... Doctor W?

Dr. W: ...Yes, that's the name I took on.

And I've come into this new universe that Fuu has created...

This has been our longstanding desire...

A being to resurrect his clan, a being to become a heinous king...

A being to prove his existence... and...

This time, to make all of humanity acknowledge "me"...!

Krillin: Who... are you?

Dr. W: My name is Wheelo. The man who holds... the greatest mind in all of the universes.

Krillin: Wheelo... You mean that Doctor Wheelo?!

Dr. W: In order to restore my ambition that was once crushed, I partook in Fuu's experiments.

However... all we could manage was this hollow, vacant universe...

There is absolutely no meaning to this...

(Transforms into a humanoid robot.)

I can no longer contain my deep grudge...!

I'll entertain myself by crushing you fools.

Krillin: Damn it...! It's one thing after another...!

Hearts: Yare yare, you're quite hectic.

(After battle.)

Krillin: Wait a minute!! Wait!!

Didn't you want humanity to acknowledge you?!

If that's the case, then the masked guy who is trying to wipe out humanity should be your enemy, right?!

Let's call it a truce for now & go beat him up!!

Wheelo: My goal is to make the foolish humans acknowledge my brilliant mind, & then to rule over them.

I just told you that those humans you want to rule over will be wiped out!

If we're talking about what to prioritize, then that masked guy should be first, right?!

Wheelo: How foolish, what a foolish way of thinking...

(Wheelo flies off.)

Krillin: Hah... saved in the nick of time...

Hearts: Is that okay? That guy will eventually become a threat to you guys.

Krillin: We'll deal with that when the time comes.

... Goku would have definitely done the same thing.

Hearts: Ohh... Fufufu. Really now...

--

Black-cloaked warrior vs. SS3 Rose Masked Saiyan/Goku & Vegeta arrive after completion of their training

(New mission. Vs. Super Saiyan 3 Rose Masked Man.)

SS Black-cloaked Warrior: ...

SSRose 2 Red-masked Saiyan: Are you concerned about the attacks directed towards the streets?

And also, those moves... what are you stalling the time for?

SS Black-cloaked Warrior: What to do.....

SSRose 2 Red-masked Saiyan: Should I end this quickly now?

(Transforms into Super Saiyan 3 Rose.)

SSRose 3 Red-masked Saiyan: It's over.

(Vs. SS3 Rose Red-masked Saiyan. Ultra Instinct Goku is provided as support.)

(After battle.)

SS Black-cloaked Saiyan: ... You made it in time.

(Reverts back to base.)

(Ultra Instinct Goku & SSB Vegeta show up.)

SSRose 2 Red-masked Saiyan: Son Goku...

That power... you've achieved that dimension of power, huh...

Good, now bring out more!!

Once I defeat you, I'll ascend even further to the top.....!

(End.)

--

BM10

Voiceovers: Goku, Goku Black, Vegeta

Caption: In order to prevent the "Zero Mortals Plan," Goku and the others plan to confront the Red-masked Saiyan...

UI Goku: Vegeta... let me fight him first.

Krillin: This is bad! That attack's going straight for the city...!

SSBE Vegeta: That piece of shit!!

SSR 3 Red-masked Saiyan: Nothing else left to stand in our way... shall we continue, Son Goku?

The more I fight with you, the more this body will continue to evolve to further heights...!

(New mission. Vs. Super Android 13 and Janemba.)

Krillin: For now, the city seems to be okay!

That Goku, he's mastered Ultra Instinct!

UI Goku: ...

SSBE Vegeta: No, it's still not mastered yet...

The transformation will wear off if the fight drags on.

Gohan: Then let's finish this off all at once!

Father! We'll support you!

SSR 3 Red-masked Saiyan: Stay out of this!

Krillin: ... That guy's brought out some kind of a weird scroll...?!

SSR 3 Red-masked Saiyan: Come out... Destruction king!

(New mission. Vs. Majin Broly and Limit Breakthrough SS4 Broly.)

Shroom: Did he say Destruction king?! He's really fucking doing it...

SSBE Vegeta: What the hell is he doing now?!

SSR 3 Red-masked Saiyan: Don't worry, I'm not stopping with just this.

Destruction King Broly: ...

SSBE Vegeta: Broly?!

Super Hearts: ...?! The air about this guy seems different from that one previous Saiyan... yet... at the same time their presence feels quite similar...

(Another Broly emerges.)

Broly: UOOOOOOO!!!

SSBE Vegeta: Tch! One after the other...!

Destruction King Broly:!

Broly:!

(Broly powers up into SS4 Limit Breakthrough.)

LB-SS4 Broly: RAAAAA!!!!

Krillin: Those guys... have begun fighting...!

(New mission. Vs. Majin Janemba & Majin Bojack.)

Krillin: T-those other guys seem like bad news as well...

Gohan: We have to do something about them...!

(New mission. Vs. Majin Hatchiyack & Majin Turles.)

Krillin: Huh...? Is that...?

Wheelo: ...

Krillin: Wheelo! Have you come to help us out?

Wheelo: Fool, I've only come to eliminate impediments to my objective...!

(New mission. Vs. SSR3 Red-masked Saiyan.)

SSR3 Red-masked Saiyan: Now there's nothing left to stand in our way. Let's continue, Son Goku.

UI Goku: ...No, it's already over.

(After battle.)

SSR3 Red-masked Saiyan: I... wasn't told... this about the mask's power.....!

UI Goku: With this, you're done.

SSR3 Red-masked Saiyan: Th... this...

(New mission. Vs. SSR3 Red-masked Saiyan.)

Goku: That was close...

I still haven't stabilized Ultra Instinct, after all.

I have to head to where everyone is... and find a way out soon.

..... What...?!

SSR3 Red-masked Saiyan: As expected of my body, Son Goku... now you've done it...

But you have no chance of beating me in this universe.

I've gathered all the copy humans, and their lives serve as energy for me...!!

(Powers up. Armor and mask are broken off.)

As long as this light exists, I am immortal! I'll resurrect as many times as it takes!!

(Goku transforms in UI.)

UI Goku: What a pain...

(After battle.)

SSR3 Red-masked Saiyan: Hmm? What's wrong, I can see that the radiance has dulled compared to what it was a while ago.

Fuhahahaha...! I get it!

You still can't use that power properly, can you!

Goku: ...!

SSR3 Red-masked Saiyan: The more damage it takes, the stronger it grows... what a fascinating thing, a Saiyan's body!

It's hiding the potential to surpass even a god!!

Kukuku, it's about to be perfect! My body, that is!

(New mission. Vs. Yi Xing Long.)

SSBE Vegeta: What the hell are you doing, Kakarot!

Goku: Vegeta...!

SSR3 Red-masked Saiyan: Ohh... so you managed to stop the Destruction King, have you?

Too bad for you... I, who have perfected my body, have no need to fight you all any longer.

Moreover, I will use that earlier energy to recover once again.

Come forth... my brainwashed Evil Dragon!!

(Destruction King Super Yi Xing Long come out.)

Destruction King Super YX Long:

Goku: W-who's that...

SSBE Vegeta: He's different from the previous others...

Super Hearts: I'll deal with this guy. You two do something about the other guy.

Goku: Hearts! ... he's a tough one.

Super Hearts: What, you think I was going to fight alone? I have with me a loud fool who is good for nothing but battling.

Sorry I woke you up early, but time to introduce you, Cumber.

FP-SS3 Cumber: ...Hmph, I alone will be enough.

(After battle.)

SSR3 Red-masked Saiyan: How disgraceful, being saved at the last minute.

In the end, all you insolent mortals can really do is flock together in order to survive.

Goku: That may be the case, but it ain't so bad to be surprised.

SSR3 Red-masked Saiyan: What a load...what can you even do at this point to stop me?

Goku: Heheh... it's like he says... things are looking pretty grim for me...

Ultra Instinct is pretty hard to use, after all...

SSB Vegeta: Tch! This miserable bastard... you stay put!

SSR3 Red-masked Saiyan: Did you control that evil aura now, Vegeta?

... You won't be able to reach me with just that though.

In the end, you're just a mortal no matter how strong you get!

I've decided you are unnecessary to this universe I control! Take this!

(Vegeta reverts back to base.)

Vegeta: Goddamn it...!

Goku: Vegeta!

SSR3 Red-masked Saiyan: It's so befitting that you two would bow under me right here on this Earth.

For the celebration of the "Copy Universe," I'll enjoy the destruction of all mortals...

(New mission. Vs. SS3 Red-masked Saiyan. SSB Gogeta is provided as support.)

Goku: Let's do that, Vegeta.

Vegeta: You don't mean fusion?!

Don't mess with me! I told you I'd never fuse with you ever again!

For starters, there's no guarantee if we could win using that!

Goku: I don't like it any more than you do though...

But we couldn't beat him even with our training.

Everyone's going to be erased if we don't do something about him.

Goten, Chi-chi... Bulma & Trunks too.

Vegeta: ... This will be the last time we do this.

SS3 Red-masked Saiyan: You think I'll let you two merge right before my very eyes?

Vegeta: We don't have time to take that dumbass pose...!

(Golden Freeza: BR & Golden Cooler appear.)

Golden Freeza (BR): I have found you. How dare you force me into such an unsightly state?

Golden Cooler: I'll pay you back... for the humiliation you've caused us!

SS3 Red-masked Saiyan: Slgh... How long will I continue to be bothered by these tyrannic puppets?

There should only be one ruler, & that is me.

Goku: Now!

(Goku & Vegeta fuse to become SSB Gogeta.)

SS3 Red-masked Saiyan: Kuku... it's futile....!!

SSB Gogeta: I have to go... even higher...!

(SSB Gogeta powers up further into SSB Evolution Gogeta.)

(After battle.)

SS3 Red-masked Saiyan: YOU DESPICABLE MORTALSSSSSSS!!!!

(SS3 Red-masked Saiyan is defeated.)

Krillin: They did it... they did it--!

Goku: Alright now... next we gather the Dragon balls as well to escape from here.

The dragon radar is responding...? Hm? The response is from here?

Black-cloaked warrior: ...

Goku: You! You gathered the Dragon balls for us?!

Hehe! Thank you for doing that!

SS3 Red-masked Saiyan: Son Goku... I will.. Erase you...!

Goku: What a persistent guy!

Shoot... I don't have any ki left... if... I had just a little bit...

Black-cloaked warrior: I'll give you some ki.

(Goku turns Super Saiyan.)

SS Goku: This ki... you're also a Saiyan...?

(Black-cloaked warrior turns Super Saiyan.)

SS Black-cloaked warrior: Let's finish this.

SS3 Red-masked Saiyan: Ghhhh...!! Son... GOKU-----!!!!

(SS Goku & the Black-cloaked warrior finish SS3 Red-masked Saiyan off.)

Goku: Alright! Let's go home to our own universe!

... What are you going to do?

SS Black-cloaked warrior: Don't worry about me... I still have some things left to do here.

Goku: He left...

Anyways... Shenron! Come on out!

Caption: After defeating the Red-masked Saiyan, Goku & co. brought forth Shenron in the copy universe & wished to escape...

(End.)

--

BM11

Voiceovers: Goku, Vegeta, Fuu, Salsa

Caption: After escaping the [Copy Universe], Goku & Vegeta went back to the place where they had their decisive battle with Fuu...

In that same place, Goku: Xeno and Vegeta: Xeno, who came out of Potara fusion... and for some reason, Fuu, who has turned into a young boy, were resuming their battle.

Goku (Xeno) & Vegeta (Xeno) vs. Young Fuu

Young Fuu:

Goku (Xeno): This guy's on a completely different level than before.

Vegeta (Xeno): This bastard... did he fuse with the God Bird?!

Young Fuu: After you guys were dragged into the copy universe, the Demon gods trapped me in the Time Labyrinth.

But using Dogi Dogi, I was able to ascend through time.

And then Doki Doki interfered, dragging me into a time mess.

I may have ended up like this, but I was able to capture Dogi Dogi & squeeze out its power.

Majin Towa: This boy is indeed the strongest... He will become the Dark Demon King!

I've also deployed Demon realm soldiers to your little friends.

Don't take these Demon realm soldiers lightly.

Mira: I won't be letting you fools get in our way anymore...

--

Demon realm soldiers vs. Time Patrol/Cell/Salsa & co./Demigra group

(New mission off elsewhere. Vs. Demon realm soldiers.)

Goten (Xeno): Why did these Demon realm soldiers come all the way over here?!

Gohan (Xeno): Let's do this, Goten!

(After battle.)

Goten: Hah... hah... it seems like we're almost done with them...

Gohan: We were able to somehow beat them... just hang on...

Let's go!

(New mission. Vs. Demon realm soldiers.)

Perfect Cell: What's with these guys... irritating bastards...!

(New mission. Vs. Poutine, Salsa, & Shroom.)

Salsa: Sending Demon realm soldiers against us...? Don't make me laugh.

Poutine: So doesn't this mean Towa's up to something again?

Shroom: Let's beat these guys quickly & head over where they are...

(After battle.)

Poutine: JEEZ! They keep on coming no matter how many times we beat them...!!

Salsa: Shit...! How long until we get rid of them...!

Shroom: Like hell we're going to be stopped right here...!

(New mission. Vs. Demon realm soldiers.)

Majin Demigra: So that Fuu guy escaped from the Time Labyrinth.

Majin Robel: These Demon realm soldiers... something's different about them from usual.

Majin Demigra: Whatever the case, this place has become Towa's own experimental bench.

There will be no mercy, we'll put you out of your misery...

(After battle.)

Majin Demigra: In the end, these Demon realm soldiers were no match for us.

Majin Robel: Lord Demigra, please leave the cleanup to me.

--

Broly vs. Hearts & Cumber/Salsa & Shroom unification

(New mission. Vs. Hearts, SS3 Cumber.)

Caption: Goku is fighting against Fuu, who has captured Doki Doki.

Then all of a sudden, intruders burst into the scene.....

LSS Broly: Kakarot----!!!!

Goku (CC): ...?!!

Super Hearts: Good grief, this seems like a sore battle, doesn't it?

Goku: You're...!

Vegeta (CC): Did that Cumber..... just shield us?!

SS3 Cumber: Hmmph!!

Goku: Why did you come here?

Super Hearts: It's Fuu... that guy claims it's an experiment, but he's becoming an existence akin to that of Zeno.

As an obstacle to my ambition, I want to eliminate him.....

Goku: Whatever the case, seems like we're partnered up right now!

Super Hearts: Heh, seems like it.

(New battle. Vs. LSS Broly. Super Hearts is provided as support.)

LSS Broly: UOOOO!!!

Cumber: Geh...?!

Super Hearts: Cumber...! Why...! I'm getting pretty fired up as well.

HAAAAAAAAAH!

(Super Hearts' hair becomes more spiked up.)

Seems like I need to get pretty serious against this guy too...

Why don't I be your opponent?

(New mission. Vs. Mira & Demon realm soldiers. Shroosa is provided as support.)

Vegeta (Xeno):This is frustrating, but we have no choice but to merge in order to beat Fuu.

Goku (Xeno): No choice but fusion, huh!

Vegeta: Tch..... I hate to do this but we have to bet on it.

Majin Towa: As if I'll let you merge...!

(Salsa appears.)

Salsa: Oops, how about you stay out of their way.

Shroom: How dare you send those Demon realm soldiers after us!

Majin Towa: These damn former Demon gods... Mira! Absorb me at once!

Mira: ?!

Majin Towa: Destroy all of those who stand in the way of the resurrection of the Dark demon realm!

(Mira absorbs Majin Towa. He gains white fur across his body like a SS4.)

Mira: ...

Salsa: This bastard.....

Shroom: We're at an overwhelming disadvantage since we've lost our Demon god powers.

What's more, given the damage we've already taken, and more we're going to get from here on out...

Salsa: Consume my soul.

I hate the thought of living in the pits of your stomach, but it's better than being turned into whatever that bastard over there wants.

Shroom: ... You sure?

I'm going to beat the hell out of Fuu, resurrect Mechikaboola, then beat the hell out of him too.

Salsa: That doesn't sound too bad either, at least, I figured you'd try to challenge that person.

(Shroom consumes Salsa and powers up. His appearance becomes a mixture of the two.)

Mira: You aren't even Demon gods, what does it matter if you two fuse.....!

Shroosa: Salsa... to think you had this much power.

I'll make sure not to let this soul I've consumed go to waste!

--

Double fusion/Kaioшин of Time arrives/Combined ki attack

(New mission. Vs. Young Fuu. SS4 Gogeta (Xeno) is provided as support.)

Goku (CC): They're buying time for us... let's not waste it.

Goku (Xeno): Let's do this Vegeta! Fusion!

(Fusion for both pairs occur, emerge SSB Gogeta & SS4 Gogeta (Xeno).)

Young Fuu: Hehhh, you guys are interesting after all...

Just how strong can you guys become...

SS4 Gogeta: This is our full power.....!

(After battle.)

(The fusions wear out & the pairs emerge again.)

Goku (CC): Our time ran out!

Goku (Xeno): Damn it! We were so close.....

Vegeta (CC): Dogi Dogi has been completely absorbed. That Fuu bastard is probably going to get stronger from here on out.

Vegeta (Xeno): Now that I think about all the things he's done up until now, I have no idea how strong he could actually be.

Young Fuu: Fufu, with this I'll no longer allow you to interfere with my plans!

It'll be a pain if you guys recover enough to merge, so I'll just disperse everyone!

Vegeta (CC): Wha-?! He cut open the space-time.....!

Vegeta (Xeno): Shit! I'm being sucked in!

(Both Vegetas are sucked into the space-time tear.)

Goku (CC): VEGETA!!!

Goku (Xeno): The Vegetas are gone...

(Kaioшин of Time suddenly appears.)

Kaioшин: Whew, I made it in time~

I thought I'd have some peace of mind after blasting down the Universe tree, but I can't believe it's been resurrected again.

Goku (Xeno): Lady Kaioшин of Time!

Kaioшин: I wanted to get here faster if it weren't for those Demon realm soldiers who got in my way...

I got a grasp of the situation, so what to do now...

Goku (Xeno): Since the Vegeta's ain't here anymore, we can't do fusion...

Kaioшин: Fusion... that's it!

You two are the one same being from different space-times...

If I use my power, then perhaps I can unite the existing kis in separate space-times!

Goku (Xeno): You can do that?!

Goku (CC): Let's give it a shot!

Young Fuu: What are they up to? I got the feeling they're still trying to interfere...

(Gokus power up to SS4 & SSB.)

SSB Goku: What an amazing ki... how did this happen.....

SS4 Goku: I don't really get it either, but with might be able to win with this!

(New mission. Vs. Young Fuu.)

Young Fuu: What the?! This isn't just a mere power-up... I've never felt a ki like this before until now...!

Kaioшин: This isn't just sending kis to them.

The real value of ki is to be able to link it together.

SSB Goku: Doesn't seem like we have much time using this power.

Let's end this now!

SS4 Goku: KA~ ME~ HA~ ME~ HAAAAAA!!!

Caption: The Kamehameha arising from the combined kis of the two Son Gokus is then released in the direction of Fuu...

(End.)

—

BM12

Caption: Goku and co. head off to the final battle in order to settle things with Fuu...

Goku and Goku: Xeno succeed in synchronizing as they save the Kaioшин of Time.

SSB Goku: HAAAAAAA!!

Kaioшин of Time: Just a little bit more...! Keep it going...!

SS4 Goku (Xeno): HOW'S THISSSSSS!!!!

Young Fuu: These guys are incredible... That was really dangerous, just now...

Goku (Base): Haa... haa... we were so close...

Young Fuu: Damn it... I just wanted to know!

This world's... this universe's origin..... I wanted to know the true meaning of this natural universe...!

You see, I was raised in the Chasm of Time, lived without knowing anything about the universe...

And then, I found this really interesting so-called "universe"...!

Wouldn't it be completely natural to want to find out more about this world...?!

Goku (Xeno): That's no good reason to be messing up our universe!

Goku (CC): We're not gonna let ya do as you please!... is what I want to say... but it seems like this next battle will be the last of my strength left to use up...

Young Fuu: Sorry but I'm not letting that happen, I'll crush you with this overwhelming power...

(New mission.)

Android 17: Really? We're in a hurry here.

Krillin: Eeeh! Jeez, we're still not safe, are we...

Android 18: Krillin! We're going to beat these guys around!

(New mission. Vs. Beerus.)

Whis: Ohh? There's so many Demon troops here!

Beerus: Really..... I think something's coming.....

(After battle.)

Earth! This blows!

I'm busy!

Whis: Weren't you just napping?

Watch out, there are still Demon troops coming...!

(New mission. Vs. Golden Freeza: BR & Golden Metal Cooler.)

Golden Freeza (BR): What's this, these Demon measly flies are shuffling around.

They must have some real courage heading towards us.....

(After battle.)

Just measly flies in the end...

After all, they didn't even have the strength to bare their fangs towards us.....

Golden Metal Cooler: You say that but you're pretty tattered there, Freeza.

Now, it's about time we end this.....

(New mission. Vs. Demon army soldiers.)

Poutine: That damn Salsa & Shroom~!

I know it's better to hurry on over to Fuu's location...!

Even so, these Demon troops... they're pretty scary!!

(After mission.)

Caption: As Goku & Fuu's fierce battle is increasingly expanding, other battles around their environment are each developing...

Mira: These guys are really despicable after all... ...

Shroosa: Hey now, you don't have the luxury of looking around now.

Mira: Tch, this guy is a lot more trouble than I thought he'd be... ...

(New mission. Vs. Super Saiyan 4 Limit Breakthrough Broly.)

Broly: GAHHHHHHH!!!!

(Transforms into Super Saiyan 4 Broly: Limit Breakthrough.)

UAHHHHHHH!!!!

Super Hearts: This guy's power is endless...

It's about time you give up... ..!

(New mission. Vs. Young Fuu.)

Caption: From the battle against the perfectly synced two Gokus, Fuu has taken quite a beating.....

However, he does not yet give up on his goals.....

Young Fuu: Really, I wanted to save up the remaining power grown from the Universe tree.

It would've probably been better to have beaten you two beforehand...

KoT: What are you planning?!

Young Fuu: I'm going to absorb Dogi Dogi's power.

And next, I'll flow the Universe tree's ki into my body...!

Goku (Xeno): This is bad! At this rate, he's gonna get even scarier!

KoT: But you two don't have any remaining power that's connected...!

What are we going to do...

(After mission clear.)

Young Fuu: Fuhahahahaha!

(Absorbs power and gains wings.)

... .. As I thought, this is incredible power!

Goku (CC): Damn it, I dunno what's going on, but we gotta stop him... ..!

Young Fuu: What?! As I receive the Universe tree's power, my ki supply is being torn off?!

Goku (CC): Hnnnnng... ..!!!

Goku (Xeno): Alright! Let's finish him off...!

Goku (CC): Guaaaaa!!!

Goku (Xeno): What?!

The energy gushed out all at once...?!

Fuu (Shonen): You can't begin to comprehend the power of the Universe Tree.

Now, go ahead and eliminate yourself from absorbing the Universe tree's power!

This is punishment for interfering in my plans! HAHAAAAHA!

(New mission. Vs. Fuu (Shonen). SSB Goku is an ally.)

Goku (CC): Ghhhhhh...!

Fuu: What...?! It can't be... ...

You're actually controlling the Universe tree's power for yourself?!

(Goku (CC) transforms into Super Saiyan Blue.)

SSB Goku: I won't forgive ya... ... Given the way I am now.

I will beat the hell outta ya!

Fuu: Hmph, you're just all show!

My... ... my power is greater! Take this!

(SSB Goku deflects his attack.)

What?! It didn't work at all... ...!!

SSB Goku: Fuu... You've gone too far with your shenanigans...

Sorry but this is where I stop ya!

(After battle.)

SSB Goku (CC): This is my max power... ...

Along with the power of all the universes, released into this Kamehameha! Eat this, Fuu!

KA~ ME~ HA~ ME~ HAAA!!

Fuu (Shonen): It can't be...

My power is completely bursting right now!

You think I'll let you win?!

SSB Goku: HAAAAAAAAA!

Goku (Xeno): ... Where's Fuu?

Kaiohshin of Time: He's not here anymore... ... could it be that we won...?!

Toki Toki: Toki!

Kaiohshin: Toki Toki! You were okay!

Goku (CC): Seems like we beat Fuu.

Goku (Xeno): You were pretty amazing out there!

It was a lotta trouble, but I'm glad we at least restored peace for the time being.

Goku (CC): Yeah!

We both got even stronger thanks to this battle... ...

Goku (Xeno): We both still can get even stronger too!

Oh that's right!

Kaiohshin-sama, could ya please restore everyone back to normal?

Kaiohshin: Jeez~, being a Kaiohshin sure is tough...

But we got Toki Toki back... ... so it should be possible!

Toki Toki: TO~ KI~

Caption: Thanks to the power of both Toki Toki and Kaiohshin of Time, each of the universes were restored back to the way they were...

Big Bang Mission: Great New Space-time Battle Arc ~End~
