

Phone Clone Data Transfer

Privacy Policy

Thank you for using the **Phone Clone Data Transfer** ("App") developed by **Mutual Soft**. This Privacy Policy explains how Mutual Soft collects, uses, discloses, and safeguards your information when you use our App. We value your privacy and are committed to protecting it. By downloading and using this app, you agree to the terms of this policy. Mutual Soft is committed to ensuring your privacy is protected and that your data is used responsibly.

If you choose to use our Service, then you agree to the collection and use of information relating to this policy. The Personal information that we collect is used for providing and improving services. We will not use or share your information with anyone except as described in this Privacy Policy.

1. Information We Collect

We do not collect any personal information when you transfer the data between devices. However, during the transfer process, certain non-personal data related to your device and App settings may be collected to facilitate the app functionality. This may include:

- Device model
- Operating system version

We collect the following data to enable the app's functionality:

Location Data: We use your location to enhance Wi-Fi connectivity and find nearby devices for faster data transfers between devices. This data is not stored or shared with third parties.

Wi-Fi Direct Access: This allows us to establish a direct connection between devices for fast and secure data transfer. No data is stored or shared.

File Access: The app requires access to all files on your device to transfer photos, videos, music, documents, and other files between devices. We do not store or retain any files.

SMS: We access your SMS messages only to transfer them to your new device. We do not store, read, or share the content of your messages.

- **Default SMS Handler:** Before read/write SMS, you need to set our app as Default SMS handler. After completing the restoring process you can use the previous app as default SMS handler.

Contacts: We require access to your contacts to transfer them between devices. Your contact data is never stored or shared with any third parties.

Call Logs: We access your call history to transfer it to your new device. Call log data is not stored, retained, or shared.

Calendar: If you grant our App permission to access your calendar, we may collect and process calendar data to provide features such as calendar transfer.

Apps: If you grant our App permission to access your apps apks not apps data, we may collect and process apps apks to provide features such as apps transfer.

Camera Access: We require access to your camera to scan QR codes for device pairing. No images are stored or shared.

System Write Settings: We access your system settings to make adjustments necessary for data transfer functionality. We do not make any changes to your device's settings without your consent.

2. How We Use Your Information

The information collected during the transfer process is used solely for the purpose of transferring your App data when requested by you. We do not use this information for any other purpose.

3. We Will Not Store Data or Use It for Commercial Purposes:

We do not store the information collected through the permissions mentioned above on our servers. Additionally, we do not use this information for commercial purposes, such as selling or sharing it with third parties for marketing or advertising purposes.

4. Third-Party Services

This app does not share your data with any third party services. All data transfers are performed directly between your devices.

5. Children's Privacy

Our Service does not address anyone under the age of 13. We do not knowingly collect personal identifiable information from children under 13. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact us so that we can take necessary action.

6. User Control

You have full control over the permissions you grant to the app. You may revoke any permission at any time through your device's settings, but please note that certain features may become unavailable if permissions are revoked.

7. Changes to This Privacy Policy

We may update our Privacy Policy from time to time. You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.

8. Contact Us

If you have any questions or suggestions about our Privacy Policy, do not hesitate to contact us on **mutualsoft0001@gmail.com**.
