  - Summary: We celebrate birthdays. A birthday is the day you started your life on earth. That wasn't the beginning of your story. You lived in heaven with Heavenly Father before coming to earth. We celebrate Christmas too. We are celebrating the day that Jesus started His life on earth. That wasn't the beginning of His story either. He also lived in heaven before. In heaven He did many things that Heavenly Father wanted Him to do. He created the earth and everything on the earth. He is our Savior.

Scripture Story Video: [The Creation of the Earth](#) (2:09)

- Summary: (0:00 - 0:27) Coming to earth is part of God's plan. Jesus (the Lord) followed God's instructions to create the earth. (0:27 - 2:09) Each part of the earth is created during six days (or time periods). God was happy with all the creations. Then God rested.
- Latter Day Kids Video: [Divine Attributes of Jesus Christ](#) (4:58)
  - Summary: We can learn about Jesus in the scriptures. He is powerful. Powerful enough to create the earth. Because He has power we can trust Him. He knows all things, He keeps His promises, and He loves us so we can trust Him. The more we know about Jesus the stronger our faith in Him can grow.
