

# **Rmarketplace FAQs**

## **Definitions**

**Disclosure:** The definitions below reflect how the words are used exclusively within Rmarketplace and with its member Establishments.

### 1. What is the difference between lawful and legal?

Lawful is based on our common sense of justice.

Legal is based on statutory law, which restricts the law and needn't be just.

### 2. What is life, liberty, and the pursuit of happiness?

Ultimately these are a matter of tending to the Body, Mind, and our inspiration, aka Spirit.

These are lawfully distinct from legal jurisdiction, title, and ownership, respectively.

### 3. What is the Living, Breathing, Spiritual Being?

The Living, Breathing, Spiritual Being

- is the private non-fictional natural organic living being in the intended private "Garden of Eden" with full abundance
- is distinct from the corporate fiction experienced in the traditional commerce model, which may tend to impair or impede commerce
- is distinct from the corporate entity in Rmarketplace, which facilitates commerce and serves as the shield to the living, breathing, spiritual being
- is the authorized party to autograph on behalf of the member Establishment issued by Rmarketplace
- is the Authorized Representative and Overseer of its member Establishment

- with undivided unencumbered exclusive interest in and total control of its private member Establishment within Rmarketplace
- who controls, manages, and oversees its member Establishment and its membership commercial operations within Rmarketplace private membership commerce plaza
- Me, My, I, Us, Our, We

#### 4. What is the Spiritual Being?

A common worldview is that we are spiritual beings having a human experience.

#### 5. What is Commerce?

Commerce: is the exchange of goods and services between two or more entities

#### 6. What is a Contract?

Contract:

- is a meeting of the minds with full disclosure
- is about an activity that will benefit both contracted parties as expressed in the form of an offer and acceptance
- is clear, transparent, moral, ethical, lawful, and sound among contracted parties
- is based on the capacity, competency, and authority of both contracted parties to perform
- is based on justification, clarification, and the promise of compensation
- The spirit of every contract is intent.

#### 7. What is a Member?

- A member is a Buyer/Patron, Seller/Vendor, and/or a member Establishment issued by Rmarketplace to operate within Rmarketplace private commerce plaza.

#### 8. What is a Buyer?

- is a man, woman, or entity that takes ownership of some asset in exchange for some monetary remuneration.
- In Rmarketplace, a private commerce plaza, an exchange of ownership is based on a meeting of the minds.

#### 9. What is a Patron?

- is a supporter without necessarily being a buyer.

#### 10. What is a Seller/Vendor?

- is a member Establishment issued by Rmarketplace that sells goods or services to a buyer.
- In Rmarketplace, a private commerce plaza, one who warrants to the buyer accurate and complete representation of a good and/or service.

All goods and services between parties shall have and be provided with integrity, honesty, and transparency, obviating caveat emptor, “buyer beware”.

- In Rmarketplace, a seller/vendor shall be the Authorized Representative and the Overseer of its member Establishment with undivided unencumbered exclusive interest in and total control of its private member Establishment within Rmarketplace private membership commerce plaza.

#### 11. What is Rmarketplace?

Rmarketplace:

- is an unincorporated closed-loop private membership business community and virtual international commerce plaza that aims to:

- facilitate honest exchanges of goods and services within Rmarketplace membership
- facilitate healthy social relations and healthy communities
- implement our right to issue the money to realize our full potential and contribute to our communities in ways our communities value
- authorizes Nadabanc to issue the Replik, Rmarketplace's private circulating medium of exchange

An Authorized Representative is the Overseer of the member Establishment authorized by Rmarketplace Membership Agreement to autograph on behalf of the member Establishment.

17. What is DBA?

DBA: Doing Business As

18. What is Nadabanc?

Nadabanc:

- issues Replik through the authorization of Rmarketplace
- is a money-exchanger that facilitates the exchange of Replik for other currencies and financial instruments
- is the liaison between the private and the public through mediums of exchange

- implements the wishes of the members of Rmarketplace

## 19. What is the Replik?

Replik:

- is the private medium of exchange exclusively within Rmarketplace private membership
- is a stable coin
- it uses the US dollar as a basic unit of value\*
- is issued by Nadabanc through the authorization of Rmarketplace
- is issued in proper proportion to represent value, present and intended, and managed accordingly
- is issued and managed to create healthy communities, including building the basis for providing the resources to assure abundance;
- that we, the people at large, need to live
- based on what we, the people's capacities warrant
- based on the wealth the community creates together, and
- based on common sense consent-based decision-making by each community.

\*Note: Currency is both Unit of Value and Medium of Exchange. Since the dollar is the unit of value, then the Replik is only the Medium of Exchange.

## 20. What is Rwallet?

- is a private escrow/bank account within Rmarketplace.
- Anything to do with funding goes into one's private Rwallet, controlled by the Overseer of the member Establishment.
