

Activity Accordions

Clicking on Section Events by Activity will take you to an alphabetized list of all of your section events.

Each Activity you administer will have a blue Activity Accordion like this:

Activity Accordions:

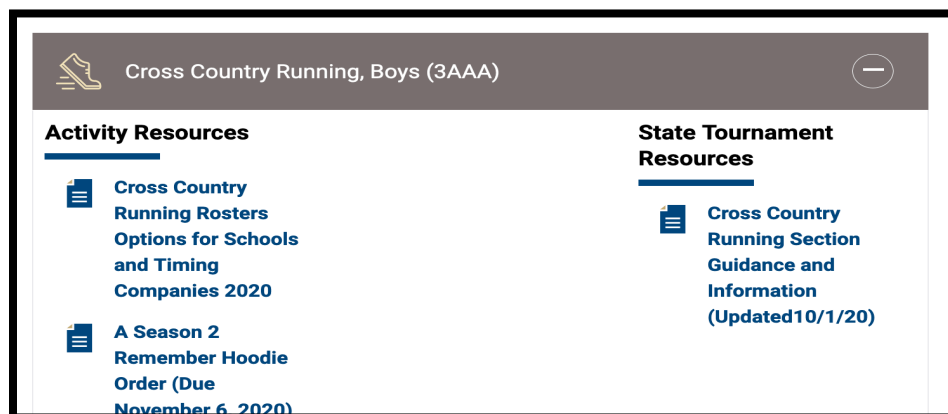

- Region Secretaries have Activity Accordions for those Activities/Section Tournaments they administer.
 - These become visible when MSHSL Staff has assigned them the tournament.
- School Administrators have Activity Accordions for the Activities offered by their school
- Coaches have Activity Accordions for the activities they coach.

The Activity Accordion has the name of the section (i.e, 3AAA). Coaches and School Administrators see this also letting them know which section their team is in.
