Our Meet and Greet Open house will take place Thursday, September 8th, 6-7 pm. This is an opportunity for families to meet their student's teachers and check out their classrooms.

On Tuesday, August 23rd, the 5th graders were given the grand tour of the middle school campus by Ms. Sharon Schultz, Grade 5/6 Counselor. The school was also open for self-guided tours throughout the day.

Sleepy Hollow Lake Helping Hands Donation

Thank you to Sleepy Hollow Helping Hands for their amazing donation of school supplies to support our Middle School students. We greatly appreciate their ongoing support and generosity!

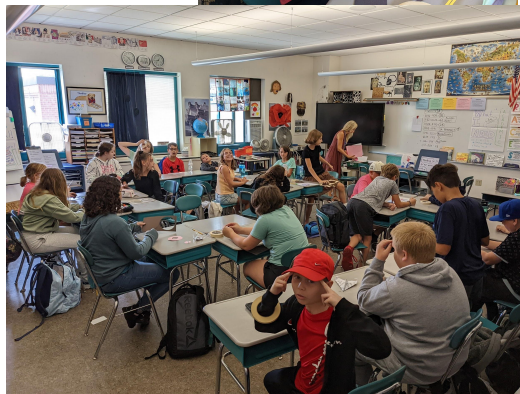

Students in Mrs. Bradt's room participated in a values circle and played a rousing game of Wah! as part of first week getting-to-know you activities.

Once again, the entire 6th grade will be traveling to Acra, NY for their annual Environmental Awareness Field Trip on September 21st. The goal of the Environmental Awareness Day Program is to introduce students to their local natural resources and environment with a series of presentations by area scientists, environmental educators and natural resource professionals.

Mrs. Collier's reading class worked on a bulletin board to decorate the room and remind everyone to never pass up a good book!

Ms. Nestlen's classes developed classroom rules in 7th grade Social Studies.

New bulletin boards outside of Ms. Tadjbakhsh's rooms.
