Same-Day Appointments

We offer same-day appointments and flexible scheduling for busy families.

Committed

We strive to make a lasting impact on our patients, not just as healthcare providers but as part of your community.

Convenient

We're dedicated to providing accessible healthcare where you need it.

H2: Primary Care Services

Access Medical Clinic offers a broad array of primary care services and can play an important role in treating illness and proactively managing your health and wellness.

H3: Preventive Care

Services include routine physical exams, administering flu vaccines, ordering lab work such as blood testing and urinalysis, physicals for school and work, sick care for illnesses like colds and COVID-19, and more.

H3: Specialist Referrals

Many medical insurance plans require patients to see a primary care provider before seeking care from specialists. Our clinicians have extensive experience and training in multiple health issues and medical conditions to make referrals to outside specialists as needed.

H3: Chronic Disease Management

Chronic diseases and illnesses can be challenging to manage. Our primary care team ensures you have the support you need by helping manage chronic medical issues like high blood pressure, asthma, heart disease, COPD, and diabetes.

H4: Why do I need a primary care provider?

Having a primary care provider and getting a routine physical exam every year enables your provider to gather important information about your health that can help detect diseases and other serious medical issues in their earliest stages. Annual visits also establish a baseline that

can help manage your care as your needs change. Plus, having visits every year provides you with the opportunity to discuss any health concerns you may have and to get important health and lifestyle guidance that can help you lead your healthiest life.

H2: Providing Compassionate Healthcare to Seniors

Access Medical Clinic offers convenient, high-quality care with integrity and a commitment to your health and wellness as you age. Our bodies respond differently to medications and treatments as we grow older, which means our overall healthcare needs also change. Regular visits to Access Medical Clinic ensure you and your provider can monitor your health over time to adjust care as needed.

Services Provided:

- Health and wellness management
- Proactive illness treatment
- Vaccines for shingles, pneumonia, flu, and COVID-19
- Long-term medical issue management for high blood pressure, asthma, heart disease, COPD, and diabetes
- Referrals to outside specialists
- Medicare wellness visits

Same-Day Appointments

We offer same-day appointments and flexible scheduling for convenient senior care options.

Committed

We strive to make a lasting impact on our patients, not just as healthcare providers but as part of your community.

Convenient

We're dedicated to providing accessible healthcare where you need it.

H2: Senior Care Services

At Access Medical Clinic, we offer a broad array of senior care services that can help treat illness and proactively manage your health and wellness. Our primary care services are also important for seniors, such as shingles, pneumonia, flu, and COVID-19 vaccines.

H3: Chronic Disease Management

Chronic diseases and illnesses can be challenging to manage. Our primary care team ensures you have the support you need by helping manage long-term medical issues like high blood pressure, asthma, heart disease, COPD, and diabetes.

H3: Specialist Referrals

Our clinicians have extensive experience and training in multiple health issues and medical conditions. When necessary, we also leverage strong connections with outside specialists when making referrals to ensure continuity of care.

H3: Medicare Wellness Visits

Medicare wellness visits are annual office visits to establish your baseline health information and help you and your provider plan your preventive care options for the next 12 months.

H4: What happens during an annual Medicare wellness exam?

Your visit will begin with a review of your medical history and an assessment of your health risks, including your health status, risk of injury or depression, lifestyle behaviors, and any urgent care needs you may have. We will create a list of all your current healthcare providers, medical devices, prescriptions, and over-the-counter medications and supplements to ensure we meet your healthcare needs.

You and your Access Medical Clinic provider will work together to create a screening checklist to include tests and evaluations based on your individual preventive healthcare needs. Your height, weight, and body mass index will be measured and recorded, and you may have a simple screening test to look for signs of cognitive impairment. In addition, we will assess your functional ability to perform regular tasks without falling or incurring other injuries. Finally, you'll be provided with guidance about how to maintain or improve your health, as well as referrals to other healthcare providers as needed.

H2: Pediatric Care Services

Access Medical Clinic's pediatric check-ups provide parents with the knowledge and guidance needed to ensure their child's health and well-being.

H3: Annual Check-Ups

Pediatric check-ups, also called "well-child visits," are critical in tracking your child's growth and development. Our services prioritize comprehensive assessments to monitor your child's developmental progress and identify potential issues early, enabling timely interventions.

H3: School and Sports Physicals

Our skilled healthcare professionals conduct thorough physical examinations and medical history evaluations to ensure your student meets all school and student sport guidelines and regulations.

H3: Recommended Child and Adolescent Immunizations

At Access Medical Clinic pediatric clinics, we provide the American Academy of Pediatrics (AAP)'s recommended child and adolescent immunizations from birth to age 18, including flu, COVID-19, measles, mumps, and rubella (MMR), and more. <CTA: Find a pediatric-specific clinic near you.>

H4: What assessments and chronic disease care do you provide for children?

During annual check-ups or well-child visits, Access Medical Clinic can give regular vision and hearing screenings to catch any developmental issues. We can also help manage common childhood conditions with personalized treatment plans, including asthma, allergies, and Type 2 diabetes.

H2: Your Partner in Keeping Ongoing Medical Issues in Check

At Access Medical Clinic, we offer convenient, compassionate, high-quality care to proactively manage your health and wellness, from sudden acute illnesses to long-term chronic care. Our chronic disease management services include all the care and steps needed to keep ongoing medical issues under control so you can live life to the fullest.

Services Provided:

- In-person management services
- Remote patient monitoring
- Diabetes care
- Heart disease care
- High blood pressure care

Committed

We strive to make a lasting impact on our patients, not just as healthcare providers but as part of your community.

Convenient

We're dedicated to providing accessible healthcare where you need it.

H2: Chronic Care Services

Access Medical Clinic offers a variety of chronic care management options, including remote patient monitoring, depending on patients' underlying medical conditions. Some examples include diabetes, heart disease, and high blood pressure.

H3: Diabetes Care

Type 2 diabetes management services include nutritional guidance, lifestyle recommendations, medication, and blood glucose monitoring. Access Medical Clinic's providers regularly work with patients to assess the condition's progression and ensure continuity of care.

H3: Heart Disease

Access Medical Clinic provides Electrocardiograms (EKGs) for heart issues, regular blood pressure monitoring, and periodic blood testing to monitor for cholesterol and other disease markers.

H3: Hypertension (High Blood Pressure)

Nearly half of adults in the U.S. have high blood pressure, and many of these patients also take prescription medication to manage the disease. Access Medical Clinic monitors blood pressure and adjusts medication dosing as needed over time.

H4: How often will I need to have chronic care services?

The frequency at which you need to see a care provider for chronic disease management depends on the condition that's being treated, your age, your overall health and wellness, and other medical and lifestyle factors. Regular visits are important not only for lab testing and medication monitoring, but also for receiving lifestyle guidance as you age or as your needs or habits change. During an initial exam and evaluation, a routine visit schedule will be determined to ensure your condition is properly managed and your health is optimal at every stage of life.

H2: Walk-In & Same-Day Care Services

Access Medical Clinic bridges the gap between traditional family healthcare appointments and hospital or urgent care facilities, ensuring that your health needs are met promptly and efficiently.

H3: Expecting the Unexpected

When unexpected health concerns arise, waiting for an appointment might not be the best option. This is where Access Medical Clinic's walk-in clinics play a crucial role. Our services are designed to cater to urgent, non-life-threatening medical conditions that require immediate attention but do not necessitate a visit to the emergency room. If you come for a walk-in appointment, but need more specialized care, we can refer you to an emergency room or specialist as needed.

H3: State-of-the-Art Facilities

We take pride in our modern and well-equipped facilities. Our walk-in health clinics are designed to provide a comfortable and efficient healthcare experience for all patients. We have invested in the latest medical technologies to ensure accurate diagnostics and effective treatment.

H3: Comprehensive Care

Our comprehensive range of services includes treatment for minor injuries, common illnesses, infections, allergies, and more. Our medical professionals are experienced in diagnosing and treating a wide spectrum of medical issues, ensuring that you receive accurate and timely care without lengthy wait times.

H4: How do I find an urgent care clinic near me?

When you're looking for an "urgent care walk-in clinic near me," Access Medical Clinic is the answer. We understand the importance of accessibility, especially in urgent healthcare situations. Our strategically located facilities are easily accessible, allowing you to receive timely medical attention without the need for an appointment. No matter where you are in the area, you can trust that there's an Access Medical Clinic nearby to provide the care you need.

H2: Where Patients and Care Teams Thrive

Access Medical Clinic staffs and supports rural skilled nursing, long-term care, and assisted living facilities with medical director oversight, on-site provider coverage, and outcome-driven care. Our dedicated team of physicians, family nurse practitioners, physician assistants, nurses, and other healthcare providers and support staff are committed to helping our local communities' citizens stay as healthy as possible at every age and every stage of life.

We deliver a differentiated value proposition to our partners by offering unmatched access to care, superior patient outcomes, and a comprehensive suite of services tailored to your needs — all at no cost to the facility. Our model supports earlier diagnosis, reduces hospital readmissions, and drives measurable financial impact.

Heading: Who We Work With

- **Skilled Nursing Facilities (SNFs):** Skilled nursing facilities provide short-term on-site clinical care for older adults who are recovering from an illness, injury, or surgery. AMC supports your facility with medical director and mid-level provider staffing solutions to reduce hospital readmissions and improve patient outcomes.
- **Long-term Care Facilities (LTCs):** Long-term care facilities provide medical and personal support services for older or disabled adults who cannot live independently. We staff LTCs with medical directors and mid-level providers to ensure residents receive high-quality long-term care.

- **Senior Living Communities:** Senior living communities, also known as nursing homes and assisted living communities, were created for older adults to age in place with dignity while receiving medical or personal support as needed.

Reduced Hospital Readmissions

Our proactive care model helps reduce costly hospital readmissions, improving resident outcomes and facility performance.

Enhanced Staff Efficiency

We collaborate closely with skilled nursing facility and long-term care facility staff, providing support and resources to improve efficiency and job satisfaction.

Optimized Medicare Reimbursement

We help facilities maximize Medicare reimbursement through accurate assessments, documentation, and care coordination.

H2: Great Care Is Within Reach

Access Medical Clinic delivers a differentiated value proposition to its partners by offering unmatched access to care, superior patient outcomes, and a comprehensive suite of services tailored to the needs of rural nursing home, long-term care, and skilled nursing communities. Our model supports earlier diagnosis, reduces hospital readmissions, and drives measurable financial impact.

Our medical directors' and providers' specialized geriatric expertise includes proficiency in polypharmacy, wound care, palliative care, and more, and they are trained to care for patients with dementia through medication management and behavioral management.

Heading: Services Listing

- **Primary Care:** Accessible, ongoing health care to manage an individual's general wellness; provide preventive services, such as vaccines, screenings, counseling; manage common illnesses, such as colds, flu, and high blood pressure; and coordinate care with specialists.
- **Wound Care:** The comprehensive process of diagnosing, treating, and managing injuries, such as pressure injuries, diabetic ulcers, and venous stasis ulcers, to promote healing, prevent infection, and minimize complications.
- **Chronic Care Management (CCM):** Healthcare services for people with two or more serious, long-term conditions, such as diabetes, heart disease, or arthritis, to maintain and improve health and quality of life.
- **Audiology:** The science and practice of hearing, balance, and related disorders, including diagnosis, management, and treatment.

- **Podiatry:** The science and practice of diagnosing, treating, and preventing disorders, injuries, and conditions of the foot, ankle, and lower leg.
- **Cognitive Health:** Maintaining, assessing, and improving the brain's cognitive functions, or the ability to think, learn, remember, and solve problems, through a holistic approach that links brain health to physical, mental, and social well-being.
- **Behavioral Health:** The field of study and practice focused on how behaviors, lifestyle, and mental health affect overall well-being, including the prevention, diagnosis, and treatment of mental health conditions, substance use disorders, stress, and related physical symptoms.
- **Medication Therapy Management (MTM):** A healthcare service designed to ensure patients use their medications safely and effectively to achieve the best possible health outcomes.

H2: Our Care Model

Access Medical Clinic serves as a medical director and provider resource for skilled nursing facilities (SNFs), long-term care facilities (LTCs), and senior living communities. Our physicians, family nurse practitioners, physician assistants, nurses, and other healthcare providers and support staff, specialize in providing care to older adults across the continuum of care.

The Access Medical Clinic care model emphasizes prevention, early interventions, monitoring medication changes, addressing emergent issues, family education, timely order completion, and more, to improve the quality of life for residents and increase the length of stay.

Our dedicated providers ensure patients receive holistic, personalized care that helps keep them healthy and active at all life stages.

Heading: Who We Work With

- **Skilled Nursing Facilities (SNFs):** Skilled nursing facilities provide short-term on-site clinical care for older adults who are recovering from an illness, injury, or surgery. AMC supports your facility with medical director and mid-level provider staffing solutions to reduce hospital readmissions and improve patient outcomes.
- **Long-term Care Facilities (LTCs):** Long-term care facilities provide medical and personal support services for older or disabled adults who cannot live independently. We staff LTCs with medical directors and mid-level providers to ensure residents receive high-quality long-term care.

- **Senior Living Communities:** Senior living communities, also known as nursing homes and assisted living communities, were created for older adults to age in place with dignity while receiving medical or personal support as needed.

H3: Reduced Hospital Readmissions

Our proactive care model helps reduce costly hospital readmissions, improving resident outcomes and facility performance.

H3: Enhanced Staff Efficiency

We collaborate closely with skilled nursing facility and long-term care facility staff, providing support and resources to improve efficiency and job satisfaction.

H3: Optimized Medicare Reimbursement

We help facilities maximize Medicare reimbursement through accurate assessments, documentation, and care coordination.

H4: Delivering Expert Medical Care Right to Your Facility

Access Medical Clinic delivers expert medical care directly to your long-term care and skilled nursing facilities to ensure residents get the attention they need in a place that is comfortable and convenient.

Our compassionate nurse practitioners provide hands-on support by managing chronic conditions, preventing hospital visits, and ensuring comfort-focused care when it matters most.

With a focus on well-being and better health outcomes, we help your facility provide exceptional value-based care.

On-Site Medical Directors

URL: <https://www.myaccessmedicalclinic.com/business-services/medical-directors>

Meta title (50-59 characters): On-Site Medical Directors | Access Medical Clinic

Meta description (150-160 characters): Access Medical Clinic hires on-site medical directors to provide clinical leadership and oversight for rural nursing homes, long-term care, skilled nursing and assisted living communities.

H1: Medical Directors

Staffing rural nursing homes, long-term care, skilled nursing, and assisted living communities with clinical leadership and oversight.

<CTA: **Partner With Us**>

H2: Staffing a Critical Facility Oversight Role

Medical directors serve a critical – and legally required – role at all nursing, long-term care, and assisted living facilities. Medical directors provide overall clinical leadership and medical oversight to ensure residents receive high-quality care in compliance with regulations. Not only does this role serve as a chief medical advisor to facility clinicians and staff, they are also responsible for developing, implementing, and overseeing medical policies, quality initiatives, and clinical standards across the facility.

When you hire Access Medical Clinic to staff your facility with a medical director, you ensure your facility receives the leadership and oversight necessary to deliver comprehensive, patient-centered healthcare services. A medical director will:

- Provide medical leadership and oversight of all clinical care and services delivered within the facility.
- Ensure compliance with CMS Conditions of Participation, state regulations, and applicable professional standards.
- Establish, review, and enforce clinical policies, protocols, and standards of care.
- Lead and actively participate in Quality Assurance and Performance Improvement (QAPI) activities, including review of outcomes, adverse events, and corrective actions.
- Oversee infection prevention and control programs, outbreak response, and coordination with public health authorities.
- Collaborate with attending physicians, advanced practice providers, nursing leadership, and interdisciplinary teams to ensure coordinated, effective care.
- Participate in credentialing, privileging, and performance oversight of medical providers.

- Serve as a clinical resource for complex cases, ethical issues, and escalated resident or family concerns.
- Support risk management efforts, regulatory surveys, audits, and corrective action plans.
- Provide education and guidance to clinical staff on best practices, regulatory changes, and quality improvement initiatives.
- Maintain regular on-site presence and availability consistent with facility needs and regulatory expectations.

H3: Reduced Hospitalizations

Access Medical Clinic's partner homes saw a 10.25% improvement in hospitalizations and performed 4.9% better than the national average in this area.

H3: Fewer Emergency Department Visits

The number of emergency department visits from Access Medical Clinic partner homes overall was 27% better than the national average, and short-stay emergency department visits were 3.6% lower than the national average.

H3: Less Re-Hospitalizations

Short-stay re-hospitalizations at Access Medical Clinic partner homes averaged 8.6% lower than the national average.

H3: Lower Antipsychotic Usage

Long-stay residents on antipsychotics at Access Medical Clinic's partner homes were 61% lower than the national average, while new antipsychotic use for short-stay patients was 49% lower than the national average.

H2: Support Solutions

With Access Medical Clinic, you can improve outcomes, reduce hospitalizations, and bring peace of mind to your residents, staff, and families.

H3: Faster Clinical Response Times

Our clinicians address acute changes quickly, which can prevent costly and disruptive hospitalizations.

H3: We offer a wide range of solutions that are customizable to your business needs.

Accountable Care Organizations

Our Accountable Care Organizations (Medicare Shared Savings Program and High Needs REACH ACO Program) consist of providers who deliver coordinated, high-quality care to Medicare beneficiaries. By participating, your facility would be eligible for shared savings.

Access Medical Clinic's MSSP ACO performed in the top 1% of ACOs in its first year of operation.

H4: What is a DOT physical exam?

The Department of Transportation (DOT) requires physical exams for some commercial drivers to ensure they're able to drive safely and meet the requirements of their over-the-road responsibilities. When an employee needs a DOT physical exam:

- **Vehicle Weight:** Driving a vehicle with a Gross Vehicle Weight Rating (GVWR) or Gross Combination Weight Rating (GCWR) of **10,001 pounds or more**.
- **Passenger Capacity:**
 - Operating a vehicle designed to transport **9 to 15 passengers for compensation** (beyond 75 air miles).
 - Operating a vehicle designed to transport **16 or more passengers** (even if not for pay).
- **Hazardous Materials:** Transporting hazardous materials that require your vehicle to display a **placard**.
- **Interstate Commerce:** Driving across state lines (this generally applies to most CDL holders).

Additional resources:

- Department of Transportation
- Occupational Safety and Health Administration (OSHA)
- OSHA Forms

<CTA: Learn more>

H4: What happens during the DOT physical exam?

At a DOT physical exam, an Access Medical Clinic provider will review your prospective employee's health history and perform a physical exam

Once complete, the prospective employee and the provider will discuss findings, including any potential hazards that were identified, and make a determination regarding their medical certificate and qualifications.

Meta title (50-59 characters): Partner with Access Medical Clinic for Continued Practice Success

<CTA: Partner With Us>

H2: When to Consider Partnering with a Healthcare System

You opened a healthcare practice to help the community and provide vital services. There's so much more you'd like to do, but balancing administrative duties with day-to-day care and long-term strategies is a heavy lift. The good news is that partnering with a healthcare system could be the perfect solution.

Partnering with Access Medical Clinic may be the best move for owners who are:

- Committed to the local community and wanting to ensure continuity of care and job retention.
- Focused on maintaining or improving the quality of care delivered, from compliance to outcomes to population health support.
- Ready to spend more time practicing medicine and less time on administrative paperwork.
- Seeking growth options and wanting to expand services and technology.

H3: Partnering with Access Medical Clinic to ensure continued community health.

Partnering with a stable provider like Access Medical Clinic can ensure ongoing local access to care. In fact, it can even expand services thanks to our focus on community care and local staff and provider retention.

H3: Expanding clinical support and services for strategic healthcare and exceptional compliance.

When owners seek to enhance services, partnering with a larger network like Access Medical Clinic can grant your patient base access to behavioral health, care coordination, telehealth, and specialists that are more easily integrated into the system. Connecting to a broader provider network can also improve recruitment and retention by offering competitive benefits for hard-to-staff roles.

H3: Investing in technology and infrastructure while alleviating administrative burdens.

From digital portals to online billing, healthcare technology has advanced rapidly over the years. Partnering with Access Medical Clinic can provide access to upgraded EHR systems and digital tools, improving interoperability and the patient experience with e-scheduling, portals, and e-prescribing. We may also provide broader virtual care options that many rural patients need but struggle to access locally.

Not all healthcare can be done online, of course. Partnering with us can enable facility enhancements such as renovations, equipment, and care delivery upgrades while also reducing operational overhead. Owners can transition out of handling payroll, HR, billing, compliance, and credentialing, and clinicians can spend more time with patients instead of managing paperwork.

H2: Consider a Partnership with Access Medical Clinic

H1: Frequently Asked Questions

<CTA: **Schedule an appointment**>

H3: Find Your Clinic

<CTA: **Find Clinic**>

H3: Do I need an appointment at Access Medical Clinic?

Appointments are not required, but you can make an appointment online by [finding your local clinic](#) page. We also make appointments by phone. Walk-ins are always welcome. We look forward to seeing you soon.

H3: What are your hours of operation?

Clinic hours vary by location. Please use our [clinic finder tool](#) to check your local clinic hours.

H3: Do you accept my insurance?

Access Medical Clinic accepts Medicare, Medicaid, most private insurance plans, Cash, Check or Debit/Credit Cards. Access Medical Clinic asks that patients pay for services at the time that services are rendered. Please contact your insurance provider prior to your first visit at Access Medical Clinic.

H3: What if I don't have insurance?

No one will be denied access to services due to an inability to pay; there is a discounted/sliding fee schedule available based on family size and income.

H3: How do I find my medical records or test results?

Patients can access their medical records and test results by contacting their local clinic.

Terms of Use

TERMS OF USE

Effective Date: [Month Day, Year]

By accessing or using myaccessmedicalclinic.com and any related pages, content, features, tools, or services (collectively, the “Site”), you agree to these Terms of Use (the “Terms”). Please read the Terms carefully before you start to use the Site. These Terms are a binding agreement between you and Access Medical Clinic MSO, LLC (“Company” or “we”) governing your access to and use of the Site and its features. If you do not agree, do not use the Site.

1. Eligibility. You represent that you are at least eighteen (18) years old (or the age of majority in your jurisdiction) and have the legal capacity to enter into these Terms. If you use the Site on behalf of another person or entity, you represent that you are authorized to accept these Terms on their behalf. The Site is solely intended for users located in the United States. We make no representation that the Site is appropriate or available in other locations or territories. Use outside the United States is at your own risk and you are responsible for compliance with local laws.
2. Website Content; Informational Purposes Only. Content on the Site, including articles, FAQs, blog posts, wellness tips, and other information (collectively, “Content”), is provided for general informational purposes only. Content may not reflect the most current medical standards or regulatory requirements and is not tailored to any individual’s needs. We may update the Content from time to time, but Content is not necessarily complete or up-to-date. Any Content may be out of date at any given time, and we are under no obligation to update Content. We do not warrant the accuracy, completeness, or usefulness of Content. Any reliance you place on Content is strictly at your own risk. We disclaim all liability and responsibility arising from any reliance placed on Content by you or any other visitor to the Site, or by anyone who may be informed of any of its Content.
3. No Medical Advice; No Provider-Patient Relationship; Not for Emergencies. The Site does not provide medical advice and is not a substitute for professional medical advice, diagnosis, or treatment. Use of the Site does not create a physician-patient or other provider-patient relationship with us or any affiliated clinicians. Do not disregard professional medical advice or delay seeking it because of Content on the Site. IF YOU ARE EXPERIENCING A MEDICAL EMERGENCY, CALL 911 IMMEDIATELY.
4. Third-Party Scheduling and Patient Portal. The Site may include links to third-party scheduling tools, a patient portal, and other services that are operated by third parties (collectively, “Third-Party Services”). Your use of Third-Party Services is governed by their own terms and privacy policies; the additional terms will supersede, modify, or supplement these Terms. We are not responsible for any Third-Party Services, or their content, security, or practices, and linking does not imply endorsement.
5. Privacy; HIPAA. Your use of the Site (excluding Third-Party Services) is subject to our Privacy Policy located at [Privacy Policy URL]. Protected Health Information (“PHI”) provided or generated in connection with clinical services is handled through the patient

portal and subject to the clinician's or practice's Notices of Privacy Practices ("NPP"). Do not submit PHI through general Site forms or the AI chatbot described below.

6. AI Chatbot. The Site may offer an AI-powered chatbot for general, informational assistance. The chatbot: (a) does not provide medical advice or diagnose conditions; (b) may be inaccurate, incomplete, or out of date; (c) is not monitored continuously; and (d) is not a substitute for consultation with a qualified clinician; and (e) is not appropriate for emergencies or urgent issues. The chatbot may produce incomplete or inaccurate outputs. Evaluate any information carefully and consult a healthcare professional before relying on it. Do not enter PHI, confidential information, or sensitive personal data into the chatbot. By using the chatbot, you consent to the processing and retention of your inputs and outputs for quality, safety, and improvement purposes, in accordance with the Privacy Policy.
7. Newsletter and Communications. You may opt in to receive newsletters, alerts, and promotional communications from us. By opting in, you consent to receive emails and other marketing communications from us or our service providers. You can opt out at any time by following the unsubscribe instructions in the communication or by contacting us at compliance@amcmedicalclinic.com. Transactional or service-related communications (such as appointment reminders or portal messages) may still be sent as permitted by law.
8. Acceptable Use. You agree not to:
 - a. Submit PHI, sensitive personal information, or confidential information through non-portal channels;
 - b. Violate any applicable federal, state, local, or international law or regulation;
 - c. Violate any third-party right;
 - d. Engage in conduct that restricts or inhibits anyone's use or enjoyment of the Site, or which, as determined by us, may harm the Company or users of the Site, or expose them to liability;
 - e. Use the Site for any harmful, fraudulent, infringing, deceptive, threatening, harassing, defamatory, obscene, or otherwise objectionable purpose;
 - f. Impersonate or attempt to impersonate the Company, a Company employee, another user, or any other person or entity (including, without limitation, by using email addresses associated with any of the foregoing);
 - g. Attempt to gain unauthorized access to, interfere with, damage, or disrupt any parts of the Site, the security of the Site, the server on which the Site is stored, or any server, computer, or database connected to the Site;
 - h. Use any robot, spider, scraper, or other automated means to access the Site except for publicly available search engine indexing;
 - i. Use any manual process to monitor or copy any of the Content, or for any other purpose not expressly authorized in these Terms, without our prior written consent;
 - j. Use the Site in any manner that could disable, overburden, overload, damage, or impair the site or interfere with any other party's use of the Site, including their ability to engage in real time activities through the Site;

- k. Use automated means to access the Site in a manner that imposes an unreasonable load;
- l. Use any device, software, or routine that interferes with the proper working of the Site;
- m. Reverse engineer, decompile, or attempt to extract source code from the Site;
- n. Introduce any viruses, Trojan horses, malware, worms, logic bombs, or other material that is malicious or technologically harmful;
- o. Attack the Site via a denial-of-service attack or a distributed denial-of-service attack;
- p. Misrepresent your identity or affiliation or violate others' rights; or
- q. Otherwise attempt to interfere with the proper working of the Site.

We may monitor, suspend, or terminate access for violations of this Section.

9. Intellectual Property. The Site and Content are owned by us or our licensors and are protected by intellectual property laws. All rights not expressly granted are reserved. You may not copy, modify, distribute, remove attribution from, or create derivative works from the Site or Content except as expressly permitted by these Terms or by us in writing. We grant you a limited, revocable, nonexclusive, nontransferable license to access and use the Site for personal, noncommercial purposes in accordance with these Terms.
10. Copyright Policy; DMCA Notices. If you are a copyright owner or an owner's agent, and you find material on the Site that infringes upon your copyright(s), you may submit a notification according to the Digital Millennium Copyright Act ("DMCA"). To do so, please provide our designated copyright agent with the following information (see 17 U.S.C. § 512(c)(3) for further detail) in writing: (1) a physical or electronic signature of a person authorized to act on behalf of the owner of an exclusive right that is allegedly infringed; (2) identification of the copyrighted work claimed to have been infringed, or, if multiple copyrighted works at a single online site are covered by a single notification, a representative list of such works at that site; (3) identification of the material that is claimed to be infringing or to be the subject of infringing activity and that is to be removed or access to which is to be disabled and information reasonably sufficient to permit the service provider to locate the material; (4) information reasonably sufficient to permit the service provider to contact you, such as an address, telephone number, and, if available, an electronic mail; (5) a statement that you have a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law; and (6) a statement that the information in the notification is accurate, and under penalty of perjury, that you are authorized to act on behalf of the owner of an exclusive right that is allegedly infringed. Our designated copyright agent to receive notifications of claimed infringement can be reached by sending the information above in an email to compliance@amcmedicalclinic.com or a letter to: 4196 Hwy 62, Suite A, Hardy, AR 72542. Your notice must include all required information under 17 U.S.C. § 512(c)(3) and you acknowledge that if you fail to comply with all of the requirements of this Section, your DMCA notice may not be valid or may create civil liability for you under the DMCA. We may remove or disable access to allegedly infringing material and may terminate repeat infringers as appropriate.

11. Trademarks. Our name, logo, and all related names, logos, product and service names, designs, and slogans are trademarks of the Company or its affiliates or licensors. You must not use such marks without the prior written permission of the Company. All other names, logos, product and service names, designs, and slogans on this Site are the trademarks of their respective owners.
12. Linking to the Site. You may link to our homepage, provided you do so in a way that is fair and legal and does not damage our reputation or take advantage of it, but you must not establish a link in such a way as to suggest any form of association, approval, or endorsement on our part without our express written consent.
13. User Submissions and Feedback. If you submit comments, questions, suggestions, or other content (excluding PHI) to the Site (“Submissions”), you grant us a worldwide, perpetual, irrevocable, royalty-free, sublicensable right to use, reproduce, distribute, display, perform, modify, create derivative works from, and otherwise exploit your Submissions for any lawful purpose, without compensation to you. You represent that your Submissions do not infringe or violate any rights of others and do not contain unlawful or prohibited content.
14. Electronic Signatures and Communications. You consent to communicating and/or transacting with us electronically, including by clicking to accept, checking a box, or otherwise indicating agreement, and to receive records electronically. You agree that such actions constitute your electronic signature under the Delaware Uniform Electronic Transactions Act, 6 Del. C. § 12A-101 et seq., and, as applicable, the federal E-SIGN Act, 15 U.S.C. § 7001 et seq. You may withdraw consent or request paper copies by contacting compliance@amcmedicalclinic.com, though we may need to terminate or limit certain features if you withdraw consent. You agree that all agreements, notices, disclosures, and other communications that we provide electronically satisfy any legal requirement that such communications be in writing.
15. Disclaimers. TO THE MAXIMUM EXTENT PERMITTED BY LAW, THE SITE AND CONTENT ARE PROVIDED “AS IS” AND “AS AVAILABLE” WITHOUT WARRANTIES OF ANY KIND, WHETHER EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WITHOUT LIMITATION WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, NON-INFRINGEMENT, AND ANY WARRANTIES ARISING FROM COURSE OF DEALING OR USAGE OF TRADE. WE DO NOT WARRANT THAT THE SITE WILL BE UNINTERRUPTED, SECURE, OR ERROR-FREE, OR THAT DEFECTS WILL BE CORRECTED. TO THE FULLEST EXTENT PROVIDED BY LAW, WE WILL NOT BE LIABLE FOR ANY LOSS OR DAMAGE CAUSED BY A DISTRIBUTED DENIAL-OF-SERVICE ATTACK, VIRUSES, OR OTHER TECHNOLOGICALLY HARMFUL MATERIAL THAT MAY INFECT YOUR COMPUTER EQUIPMENT, COMPUTER PROGRAMS, DATA, OR OTHER PROPRIETARY MATERIAL DUE TO YOUR USE OF THE SITE OR ANY CONTENT, SERVICES, OR ITEMS OBTAINED THROUGH THE SITE OR YOUR DOWNLOADING OF ANY MATERIAL POSTED ON IT, OR ON ANY WEBSITE LINKED TO IT.

16. Limitation of Liability. TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL WE, OUR AFFILIATES, OR THEIR RESPECTIVE OFFICERS, DIRECTORS, EMPLOYEES, OR AGENTS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES, OR ANY LOSS OF PROFITS, REVENUE, DATA, OR USE, ARISING OUT OF OR RELATED TO THE SITE, THESE TERMS, OR YOUR ACCESS TO OR USE OF, OR INABILITY TO ACCESS OR USE, THE SITE, EVEN IF ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EXCEPT FOR CLAIMS THAT CANNOT BE LIMITED BY LAW, OUR TOTAL LIABILITY FOR ALL CLAIMS ARISING FROM OR RELATED TO THE SITE OR THESE TERMS WILL NOT EXCEED ONE HUNDRED DOLLARS (US \$100.00). NOTHING IN THESE TERMS LIMITS LIABILITY FOR OUR WILLFUL MISCONDUCT OR GROSS NEGLIGENCE TO THE EXTENT SUCH LIMITATION IS NOT PERMITTED BY APPLICABLE LAW.
17. Indemnification. You agree to indemnify, defend, and hold harmless us and our affiliates, and their respective officers, directors, employees, and agents, from and against any claims, liabilities, damages, losses, and expenses (including reasonable attorneys' fees) arising out of or related to your use of the Site or violation of these Terms.
18. Modifications to the Site and Terms. We may modify or discontinue all or part of the Site at any time with or without notice. We may update these Terms from time to time by posting the updated Terms on the Site with a new effective date; changes are effective when posted, unless otherwise required by law. Your continued use of the Site after the effective date constitutes acceptance of the updated Terms.
19. Suspension or Termination. We may suspend or terminate your access to the Site at any time, with or without notice, for any reason, including if we believe you have violated these Terms. Upon termination, your right to use the Site will cease immediately. Sections that by their nature should survive will survive termination (including, without limitation, intellectual property, disclaimers, limitations of liability, indemnification, governing law and venue, and general terms).
20. Governing Law; Venue; Waivers. These Terms are governed by the laws of the State of Delaware, without regard to its conflict of laws principles. You agree to the exclusive jurisdiction and venue of the state and federal courts located in New Castle County, Delaware, and waive any objection to jurisdiction, venue, or forum non conveniens. TO THE FULLEST EXTENT PERMITTED BY LAW, YOU AND WE WAIVE ANY RIGHT TO A JURY TRIAL AND AGREE THAT ANY CLAIMS WILL BE BROUGHT ONLY IN YOUR OR OUR INDIVIDUAL CAPACITY AND NOT AS A PLAINTIFF OR CLASS MEMBER IN ANY PURPORTED CLASS OR REPRESENTATIVE PROCEEDING.
21. Export and Sanctions Compliance. You agree to comply with all applicable U.S. export control and sanctions laws. You may not use or access the Site if you are located in an embargoed jurisdiction or are a sanctioned party.

22. Accessibility. We strive to make the Site accessible. If you experience difficulty, please contact us at [accessibility email] so we can assist.

23. General Terms. These Terms constitute the entire agreement between you and us regarding the Site and supersede any prior or contemporaneous understandings on that subject. If any provision is found unenforceable, the remaining provisions will remain in full force and effect, and the unenforceable provision will be modified to the minimum extent necessary to make it enforceable. No waiver by either party of any breach or default is a waiver of any preceding or subsequent breach or default; our failure to enforce any right or provision is not a waiver. You may not assign or transfer these Terms without our prior written consent. We may assign these Terms without restriction. There are no third-party beneficiaries to these Terms.

Privacy Policy

WEBSITE PRIVACY POLICY

Last updated: December 2025

Access Medical Clinic MSO, LLC ("**Company**", "**we**", "**our**", or "**us**") respects your privacy and is committed to protecting it through our compliance with this policy. This policy describes how we collect, process, retain, use, disclose and protect personal data about you when you access our site, myaccessmedicalclinic.com (the "**Site**") and any related pages, content, features, tools, or services (collectively "**Services**").

This policy applies only to information we collect:

- Through the Site; or
- In communications, including email, text, chatbots, and other electronic messages, between you and the Site.

It does not apply to information collected by:

- Us offline or through any other means, including on any other website operated by Company;
- Any third party, including through any application or content (including advertising) that may link to or be accessible from or through the Services; or
- Information we maintain in accordance with the Health Insurance Portability and Accountability Act of 1996 and its implementing regulations (HIPAA), such as information submitted through our patient portal. That information is covered by our Notice of Privacy Practices.

An alternative privacy policy may apply when you access certain services requiring a login through the website or via an application. For example, if you access your account for electronic medical records, scheduling, or our patient portal (which may be provided through third-party platforms such as Athena), the privacy policy of the third-party platform provider will govern how that provider collects, stores, and uses your information within their platform. When an alternative privacy policy applies, you may be presented with a hyperlink at the time you login to your account that explains the applicable privacy practices.

Please read this policy carefully to understand our policies and practices regarding your information and how we treat it. By accessing or using our Services or providing us with your information, you acknowledge that you have read and understood this privacy policy and agree to the collection, use, and sharing of your information as described herein. This policy may change from time to time, and your continued use of the Services after we post changes constitutes your acceptance of those changes. We encourage you to review this policy periodically for updates.

1. Children's and Minors' Data

The Site is not directed at children under the age of 13. We comply with the Children's Online Privacy Protection Act and do not knowingly permit registration or submission of personally identifiable information by anyone under 13 years of age. If you believe information of a child under 13 has been submitted, please advise us in writing and we will delete it.

2. The Personal Data That We Collect or Process

We may collect, store, and process information you provide through the Site and/or Services. This information may be maintained separately as user data or, where applicable, integrated with other information we hold about you (such as your medical record).

- a. **"Personal data"** is information that identifies, relates to, or describes, directly or indirectly, you as an individual, such as your name, email address, telephone number, home address.

The types and categories of personal data we collect or process include:

- i. Account and contact information, including name, address, email address, phone number, and other contact information you provide us.
 - ii. Account history, including information about your health or prescription, account, transactions, purchases, order history.
 - iii. Demographic information, including your age, gender, if you have consented to such information collection.
 - iv. Location information, including general geographic location such as country, state or province, or city, if you have enabled and consented to location information collection.
 - v. Device information, including your IP address, device identifiers, and other device information.
- b. We also collect:
 - i. **Statistics or aggregated information.** Statistical or aggregated data does not directly identify a specific person, but we may derive non-personal statistical or aggregated data from personal data. For example, we may aggregate personal data to calculate the percentage of users accessing a specific Services feature.
 - ii. **Technical information.** Technical information includes information about your internet connection and usage details about your interactions with the Services, such as clickstream information to, through, and from our Services (including date and time), products that you view or search for; page response times, download errors, length of your visits to certain pages, page interaction information (such as scrolling, clicks, and mouse-overs), or methods used to browse away from a page.

If we combine or connect non-personal statistical or technical data with personal data so that it directly or indirectly identifies an individual, we treat the combined information as personal information.

3. How We Collect Your Personal and Other Data

Information You Provide to Us

We collect information about you when you interact with our Services, such as when you request a prescription refill, schedule an appointment, participate in surveys, complete any form on the Site, or interact with our chatbot.

Information Collected Automatically Through Our Services

As you navigate through and interact with our Services, we may use automatic data collection technologies to collect information that may include personal data. Information collected automatically may include usage details, IP addresses, operating system, and browser type, and information collected through cookies, web beacons, and other tracking technologies including details of your interactions with our Services, such as traffic data, location data, logs, and other communication data, and which resources and Services features that you access and use. Please note that we do not currently respond to "Do Not Track" signals from web browsers. To learn more about how to manage cookies and tracking technologies, see the information below.

The use of automatic data collection technologies helps us improve our Services and deliver a better and more personalized user experience. The technologies we use for this automatic data collection may include:

- a. **Cookies.** A cookie is a small file placed on your device when you interact with the Services. You may refuse to accept or disable cookies by adjusting the appropriate setting on your browser or device. However, if you disable cookies, you may be unable to access certain features of the Services.
- b. **Web Beacons.** Some parts of the Services and our emails may contain small electronic files known as web beacons (also referred to as clear gifs, pixel tags, and single-pixel gifs). These permit the Company to count users who have visited specific pages or opened an email, and to collect other related statistics such as recording the popularity of certain content and verifying system and server integrity.

We do not sell personal data in the traditional sense of exchanging data for money. However, some automated technologies (such as cookies and tracking pixels) may constitute a "sale" or "sharing" for targeted advertising purposes under certain state privacy laws. If you wish to opt out of these technologies being used for targeted advertising, profiling, or any activities that may be considered a sale under applicable law, you may send your request to compliance@myaccessmedicalclinic.com. Please note that some Services features may be unavailable as a result of opting out.

- c. **Automatic Collection Technologies:** When you interact with the Services, there may be third parties that use automatic collection technologies to collect information about you or your device. These third parties may include:
 - i. Advertisers, ad networks, and ad servers;
 - ii. Your device manufacturer;
 - iii. Your internet or mobile service provider; and
 - iv. Analytics companies. For example, we use may use third-party vendor such as Ours Privacy to assist us with marketing and analytics services while maintaining user privacy. For more information on how Ours Privacy handles data, please visit <https://docs.oursprivacy.com/docs/overview>.

These third parties may use tracking technologies to collect information about you when you use the Services. The information they collect may be associated with your personal data or they may collect information, including personal data, about your online activities over time. They may use this information to provide you with interest-based (behavioral) advertising or other targeted content. We do not control these third parties' tracking technologies or how they may be used. If you have any questions about an advertisement or other targeted content, you should contact the responsible provider directly.

We may receive personal data about you from third-party sources and combine that information with data we collect directly from you. For example, we may obtain information from service providers that we engage to perform services on our behalf, such as providers of electronic medical records systems, scheduling tools, or patient portal platforms.

4. How We Use Your Information

We use information that we collect about you or that you provide to us, including any personal data, to:

- a. Provide you with the Services and any contents, features, information, products, or services that we make available through the Services.
- b. Fulfill and manage prescriptions.
- c. Fulfill any other purpose for which you provide it.
- d. Provide you with notices about your account or prescription including expiration and fulfillment notices.
- e. Improve our Services, including by analyzing your information and creating aggregated data derived from your information to develop, maintain, analyze, improve, optimize, measure, and report on our Services and their features and how users interact with them.
- f. Promote our Services, business, and offerings, including by publishing advertising on our own platforms. We may use your information to model, segment, target, offer, market, and advertise our Services to you.

- g. Carry out our obligations and enforce our rights arising from any contracts entered into between you and us, including for billing and collection.
- h. Notify you when Services updates are available and about changes to any products or services we offer or provide through them.
- i. In any other way we may describe when you provide the information.
- j. For any other purpose with your consent.
- k. The usage information we collect, whether connected to your personal data or not, helps us improve our Services and deliver a better and more personalized experience by enabling us to:
 - i. Estimate our audience sizes and usage patterns.
 - ii. Store information about your preferences, allowing us to customize the Services according to your individual needs and interests.
 - iii. Speed up your searches.
 - iv. Recognize you when you return to our Services.
- l. We may also use your information to contact you about goods and services that may be of interest to you. If you do not want us to use your information in this way, please send your request to compliance@myaccessmedicalclinic.com. For more information, see [Your Rights and Choices About Your Information](#).
- m. We use location information we collect to **[COLLECTION PURPOSE FOR LOCATION DATA]**.

5. Newsletters, Emails and Texts to You

For clarity, if you provide a mobile number to receive information or promotional messages, you consent to receiving electronic communication by voice and automated text messages from us.

- a. You may opt out of receiving such messages at any time by modifying your communication preferences or by replying STOP to any text message from us. Message and data rates may apply. Consent to receive text messages is not required as a condition of purchasing any goods or services. Messages may be sent at various times on an ongoing basis and may come from Company directly and/or from third parties acting on our behalf.
- b. You may elect to receive electronic communications through a variety of methods, including by providing your email address or mobile number so that we can contact you with information such as test results or appointment reminders, or through general consents where you provide your contact information for correspondence related to our ongoing relationship with you as a healthcare provider.

6. Disclosure of Your Information

We may disclose aggregated information about our users without restriction, and we may disclose personal data that we collect or you provide as described in this privacy policy:

- a. To our subsidiaries and affiliates;
- b. To contractors, service providers, and other third parties we use to support our organization and who are bound by contractual obligations to keep personal data confidential and use it only for the purposes for which we disclose it to them;
- c. To a buyer or other successor in the event of a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Access Medical Clinic 's assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which personal data held by Access Medical Clinic is among the assets transferred;
- d. To fulfill the purpose for which you provide it;
- e. For any other purpose disclosed by us when you provide the information;
- f. With your consent;
- g. To comply with any court order, law, or legal process, including to respond to any government or regulatory request;
- h. To enforce or apply our [Terms of Use](#) **[INSERT AS LINK TO TERMS OF USE]** and other agreements, including for billing and collection purposes;
- i. If we believe disclosure is necessary or appropriate to protect the rights, property, or safety of our organization, our patients or others;

7. Your Rights and Choices About Your Information

This section describes mechanisms you can use to control certain uses and disclosures of your information and rights you may have under state law, depending on where you live.

a. Advertising, Marketing, Cookies, and Other Tracking Technologies

- i. **Cookies and Other Tracking Technologies.** You can set your browser to refuse all or some browser cookies or other tracking technology, or to alert you when cookies or tracking technologies are being sent, as described above. For tracking technologies that cannot be controlled through browser settings, you can opt out by emailing your request to compliance@myaccessmedicalclinic.com. If you disable or refuse cookies or similar tracking technologies, some Services features may be inaccessible or not function properly.
- ii. **Promotions by the Company.** If you do not wish to receive promotional communications from us about our own services, you can opt out by emailing your request to compliance@myaccessmedicalclinic.com.
- iii. **Targeted Advertising and Third-Party Disclosure.** To learn more about interest-based advertisements and your opt-out rights and options, visit the Digital Advertising Alliance and the Network Advertising Initiative (NAI) websites (<https://youradchoices.com/> and <https://thenai.org/>). You can also opt out of receiving targeted ads from members of the NAI on its

website. If you do not want us to share your personal data with unaffiliated or non-agent third parties for advertising and marketing purposes, you can opt out by emailing your request to compliance@myaccessmedicalclinic.com. Please note that if you choose to opt out, you will continue to see ads, but they will not be based on your online activity. We do not control third parties' collection or use of your information to serve interest-based advertising.

- iv. **Disclosure of Your Information for Third-Party Advertising.** If you do not want us to share your personal data with unaffiliated or non-agent third parties for advertising and marketing purposes, you can opt out by emailing your request to compliance@myaccessmedicalclinic.com. We do not control third parties' collection or use of your information to serve interest-based advertising.

8. Location data choices

You can choose whether or not to allow the Services to collect and use real-time information about your device's location through the device's privacy settings. If you block the use of location information, some Services features may become inaccessible or not function properly.

9. Your State Privacy Rights

State privacy laws provide certain rights to individuals regarding their personal information. To the extent that information collected through this Site constitutes Protected Health Information (PHI) under HIPAA, that information may be exempt from certain state privacy law requirements, and your rights regarding such PHI are governed by our Notice of Privacy Practices. To the extent personal information collected through this Site is not PHI (such as website usage data, marketing preferences, and other non-health information), please note that state privacy rights are dependent on the applicable state law and if there is a healthcare exemption in that state. If you have a question regarding your state privacy rights please contact compliance@myaccessmedicalclinic.com. We will respond to your request in accordance with applicable law.

10. How We Protect Your Personal Data

We use commercially reasonable administrative, physical, and technical measures designed to protect your personal data from accidental loss or destruction and from unauthorized access, use, alteration, and disclosure. However, no website, mobile application, system, electronic storage, or online service is completely secure, and we cannot guarantee the security of your personal data transmitted to, through, using, or in connection with the Services. In particular, email, texts, and chats sent to or from the Services may not be secure, and you should carefully decide what information you send to us via such communications channels. Any transmission of personal data is at your

own risk. The safety and security of your information also depends on you. You are responsible for taking steps to protect your personal data against unauthorized use, disclosure, and access.

11. How We Retain Your Personal Data

We retain the categories of personal data described in this policy for as long as reasonably necessary to fulfill the purposes described, or as otherwise legally permitted or required, such as maintaining the Services, operating our organization, complying with legal obligations, resolving disputes, and ensuring safety, security, and fraud prevention. At the end of the applicable retention period, personal data will be securely deleted, destroyed, or deidentified.

12. Links to Portals and Third-Party Websites

The Site may provide links to portals that offer secure, private access for functions such as making payments or viewing your patient records. These portals may be operated by us or by our service providers, and are governed by separate privacy policies that may be presented to you when you access those portals.

The Site may include links to third-party websites as a resource. We do not have control over third-party websites, and those third-party websites do not operate under this Privacy Policy. We are not responsible for the content of those websites or the actions of any third parties operating or managing those websites. We encourage you to review the privacy policies of any third-party websites you choose to visit to understand how those websites collect, use, and share your information.

13. Changes to Our Privacy Policy

We may update this policy from time to time, and we will provide notice of any changes as required by law. The date this privacy policy was last updated is identified at the top of the page. We will notify you of changes to this policy by updating the "last updated" date and posting the updated policy on the Services. For material changes, we may provide additional notice such as by email or a prominent notice on the Services. We encourage you to check our Services periodically to review the current policy and any changes we have made.
