Directions: Write a 300 word persuasive letter to Romiette or Destiny. Follow the steps below in order to complete the task.

Steps:

1. Find your astrological sign & description here:

2. Identify parts of the description that apply to you and parts that do not.
3. Read your horoscope here:
<https://www.horoscope.com/us/horoscopes/general/index-horoscope-general-daily.aspx>
4. After reading your sign description and your horoscope, write a persuasive letter to either Romiette or Destiny. Do you agree with Romiette that reading your horoscope is pure entertainment because it is so general that it can apply to anyone? Or do you agree with Destiny, who believes that our lives are ruled by the planets and stars and that we should read our horoscope because they give us knowledge that we need in our daily lives?
