BODY:

Are you constantly watching ball after ball whiz by you at the net in doubles?

This is a common problem at the club level and it's almost certainly because you're out of position.

Fortunately this is an easy fix, if you know what to look for...

My friend Brady over at Daily Tennis Lesson has a cool video demonstrating a simple tip that will place you in *perfect* position every time you're at the net in doubles.

Check it out:
