Subject: Apology Letter for Hurt Feelings to Girlfriend

Dear [mention the name of the reader],

Nobody is perfect nor am I, but I loved you more than anything else. One thing that I can assure you that no one will ever love you the way I ever loved you, my love for you feels so heavy when you are not around me to take it. I feel so sorry for my behavior the other day and I am writing this letter to ask for your apology and forgiveness.

If I could I would have gone back in time and rectified my actions toward you. You know that you are like my backbone and I cannot imagine having a life without you. We have been together from [mention a duration] and I think we should not break our relationship over this argument that was totally unintentional and I really didn't mean any word which I said.

Please come back [mention the name of the reader] I promise to never behave like that ever again and bring changes in myself. I admit that it was my fault, I never showed any effort towards our relationship and now that you are gone I can understand how it feels not to have the right companion beside me.

I hope you will forgive me and give me another chance. I promise I will not disappoint you ever again and just like you, I will also give my best no matter what. Do give me another chance so that I can prove to you that I have changed. It will become impossible for me to live without you so please consider my apology and forgive me. I love you so much [mention the name of the reader].

Thanking you

Yours loving,
