### Abstract

This document gives formatting instructions for authors preparing papers for publication in the Journal of Education, Teaching, and Learning. The authors must follow the instructions given in the document for the papers to be published. You can use this document as both an instruction set and as a template into which you can type your own text. Abstract should be written in English and should not exceed 250 words. It should briefly summarize the essence of the paper and covers the following areas: objective: state the problem or issue addressed, method: briefly summarize the innovation or method used to address the problem and results: brief summary of the results and important findings. Conclusions: brief concluding remarks on your results.

**How to cite:** Author. (year). *The Attitudes of Primary Teacher Education Program Students Towards Utilizing Flipgrid in English Speaking Skill*. ISNUJOU - Journal of Education, 1(1), p-p.

## INTRODUCTION

This document is a template. The introduction is containing the background with a problem solving, the urgency and rationalization of activities, bibliography, solution plan, the objective of the activity, and hypothesis development. Methodology: Research methodology explains about the approach, scope or object, operational definition in each variable/description of research focus, place, population and sample/informant, main source and tool, technique of data collection, and technique of data analysis. Results and Discussion: The findings is presented in full and related with the scope of the research determined before. The findings can be completed with tables, graphs, and/or charts. The tables and pictures are given number and title. The result of data analysis is explained correctly in the article. The discussion part logically explains the findings, associated with the relevant sources. Conclusions: The conclusion contains the short summary of the findings

and discussion. Conclusion is the findings in the research that has the answers for the research questions or the objective of the research. The research findings give suggestions or contributions to the application and/or the study development.

## METHODS

An easy way to comply with the conference paper formatting requirements is to use this document as a template and simply type your text into it.

### 1. Page Layout

*Your paper must use a page size corresponding to A4 which is 210mm (8.27") wide and 297mm (11.69") long. The margins must be set as follows:*

- a. Top = 2cm
- b. Bottom = 2cm
- c. Left = Right = 2cm

Your paper must be in single column format.

## RESULT AND DISCUSSION

All paragraphs must be indented. All paragraphs must be justified, i.e. both left-justified and right-justified.

### 1. Text Font of Entire Document

The entire document should be in Times New Roman or Times font. Type 3 fonts must not be used. Other font types may be used if needed for special purposes. Recommended font sizes are shown in Table I.

### 2. Title and Author Details

Title must be in 20 pt Regular font. Author name must be in 14 pt Regular font. Author affiliation and Email address must be in 12 pt Italic. All title and author details must be in single-column format and must be centered.

Every word in a title must be capitalized except for short minor words such as “a”, “an”, “and”, “as”, “at”, “by”, “for”, “from”, “if”, “in”, “into”, “on”, “or”, “of”, “the”, “to”, “with”.

Author details **must not show** any professional title (e.g. Managing Director), any academic title (e.g. Dr.) or any membership of any professional organization. To avoid confusion, the family name must be written as the last part of each author name (e.g. John A.K. Smith).

Each affiliation must include, at the very least, the name of the company and the name of the country where the author is based (e.g. Causal Productions Pty Ltd, Australia).

Table 1. Font Sizes for Papers

| Font Size | Regular                                                             | Appearance (in Time New Roman or Times) |                          |
|-----------|---------------------------------------------------------------------|-----------------------------------------|--------------------------|
|           |                                                                     | Bold                                    | Italic                   |
| 12        | table caption (in Small Caps),<br>figure caption,<br>reference item | 12                                      | reference item (partial) |
| 12        | Title                                                               |                                         |                          |

### 3. Section Headings

No more than 3 levels of headings should be used. All headings must be in 12pt font. Every word in a heading must be capitalized except for short minor words as listed in Section III-B.

### 4. Figures and Tables

Figures and tables must be centered in the column. Graphics may be full color. Graphics must not use stipple fill patterns because they may not be reproduced properly. Please use only *SOLID FILL* colors which contrast well both on screen and on a black-and-white hardcopy, as shown in Fig. 1. Fig. 2 shows an example of a low-resolution image which would not be acceptable, whereas Fig. 3 shows an example of an image with adequate resolution. Check that the resolution is adequate to reveal the important detail in the figure.

Please check all figures in your paper both on screen and on a black-and-white hardcopy. When you check your paper on a black-and-white hardcopy, please ensure that:

- the colors used in each figure contrast well,
- the image used in each figure is clear,
- all text labels in each figure are legible.

### 5. Figure Captions

Figures must be numbered using Arabic numerals. Figure captions must be in 10 pt Regular font. Captions of a single line (e.g. Fig. 2) must be align left whereas multi-line captions must be justified (e.g. Fig. 1). Captions with figure numbers must be placed after their associated figures, as shown in Fig. 1.

Fig. 3 Example of an image with acceptable resolution

## 6. Table Captions

Tables must be numbered using uppercase Roman numerals. Table captions must be centred and in 8 pt Regular font with Small Caps. Every word in a table caption must be capitalized except for short minor words as listed in Section III-B. Captions with table numbers must be placed before their associated tables, as shown in Table I.

## 7. Links and Bookmarks

All hypertext links and section bookmarks will be removed from papers during the processing of papers for publication. If you need to refer to an Internet email address or URL in your paper, you must type out the address or URL fully in Regular font.

## 8. Equations

Equations should be placed flush-left with the text margin. Equations are centered and numbered consecutively starting from 1 as follows

$$E(F) = E(0) + \sum_i \left( \frac{\delta E(F)}{\delta F_i} \right)_0 F_i \quad (1)$$

## CONCLUSIONS

The paper will not be reformatted, so please strictly keep the instructions given above, otherwise it will be returned for improvement. Please upload your paper in Ms.Word format file

through the Journal website under Online Submission menu. Papers sent by e-mail will not be processed.

## ACKNOWLEDGMENT

Most academic papers have many people who have helped in some way in the preparation of the written version or the research itself. This could be someone from a sponsoring institution or a funding body. These need to be mentioned in the Acknowledgments section of the paper.

## CONFLICTS OF INTEREST STATEMENT

Conflicts of interest exist when an author (or the author's institution), reviewer, editor, editorial board member has financial or personal relationships with other individuals or organizations that could inappropriately influence his or her actions in a way that creates bias.

Please note that a Conflicts of interest statement is required for all submitted manuscripts. If no conflicts exist, please state that there are no conflicts to declares under a Conflicts of interest heading as the last section after your Acknowledgements. Read more about conflict of interest policy.

## AUTHOR CONTRIBUTIONS

All authors have to share an accurate and detailed description of their diverse contributions to the published work. The roles describe each contributor's specific contribution to the scholarly output based on **CRedit** (Contributor Roles Taxonomy) including 14 roles, that can be used to represent the roles typically played by contributors to research outputs <https://credit.niso.org/>

For example: A.B. and B.C. conceived of the presented idea. A.B. developed the theory and performed the computations. C.D. and D.E. verified the analytical methods. B.C. encouraged A.B. to investigate [a specific aspect] and supervised the findings of this work. All authors discussed the results and contributed to the final manuscript.

## REFERENCES

We require you to use reference software such as MENDELEY, ZOTERO, or ENDNOTE referred to the APA 7<sup>th</sup> edition writing style and **provide the link for each reference**. References containing referenced sources with minimum 80% of journals last 10 years issue. Only contains books, articles, theses, research reports and other sources. The heading of the References section must not be numbered. All reference items must be in 12 pt font.
