

Hey there <name>,

<Insert compliment based from online presence i.e something said in the video>

I was searching for goal-oriented brands when I came across yours. I'm so impressed because of what it stands for.

Hundreds of hours of research from the top professionals within my team.

We came up with a concept I like to call The Ladder To Success,

Which has been used to Double,

And even Triple Growth in four similar <specific> brands we've helped out! - imagine what it can do for YOURS!?

The Ladder To Success can take your business to new heights!

Through this concept I decided to create,

An easy Personalized Plug-And-Play Strategy designed specifically with YOUR brand in mind!

3 Benefits Of This Plug-And-play Strategy Are...

1. Increasing retention rate (i.e. Helpful content solving client's problems)
2. Maximizing lead to client conversion rate (i.e. Email marketing)
3. Increasing revenue (i.e Social media captions)

Are you ready to put this FREE GIFT to the test out?

Let me know and I will send it your way!

To YOUR success,
Andre K
