

OPEN

Compute Project

SC18 Workgroup Agenda - November 12th 1-4pm

Why OpenCompute For HPC? (Archna Haylock) - 15 min

TwinLake, Big Basin (Whitney. Zhao - hardware engineer Facebook) - 45 min

Siamak Tavallaei - OpenCompute Server Lead, Microsoft principal architect

National Lab feedback on OpenCompute Systems (??) - 30 min

Incubator / Charter Feedback session - 20 min

<<remove -- Launch of New AI initiative (David Ellison) - 10 min>>

Inspur AI drawer Overview and Q&A (Alfie Lew) - 20 min

OpenCompute HPC Telemetry Survey (Steven Roberts) - 30 min

Survey questions:

What is your compute facilities rack power profile?

15 kw

25 kw

35kw

50kw

75kw

100+kw

What do you want to see in an OpenCompute AI Project charter?

How does HPC and AI intersect in your community?

Incubator question:

What HPC topics do you want to see in this OpenCompute forum?
