Senior Materials Collection & Final Plan Forms

Seniors will need to **return all borrowed materials including textbooks, library books, athletic uniforms & equipment** prior to commencement. Additionally, in order to receive their cap and gown they will need to **update their Naviance accounts** with all outcomes and final plans as well as **complete their "Senior Final Plans Survey"** and submit it to their guidance counselor.

Seniors do not need to return their Chromebooks. ICTS will disconnect them from the CPS network after graduation. Students who do not want to keep their Chromebook can return it when they pick up their cap and gown so that it can support other students and/or be properly recycled.
