GPS Map Camera

Developed by VPS Engineering Tools

VPS Engineering Tools ("we", "our", or "us") values your privacy. This Privacy Policy explains how the GPS Map Camera app collects, uses, and protects your information.

Information We Collect

The app may request the following permissions:

- **Camera** – To capture photos.
- **Location (Precise & Approximate)** – To display GPS coordinates, address, altitude, date, time, and location details on photos.
- **Storage/Photos & Media** – To save captured photos to your device's Photos/Gallery.
- **Internet (Optional)** – Used only for reverse geocoding (converting GPS coordinates into a readable address) and app updates, if available.

How We Use Your Information

The information is used only to:

- Capture photos.
- Display GPS and address information on photos.
- Save photos on your device.
- Improve app performance and reliability.

We do **not** use your personal information for advertising or profiling.

Data Storage

- Photos are stored locally on your device.
- GPS information is embedded only in the photos you choose to save.
- We do not upload your photos or location data to our servers.

Data Sharing

We do **not** sell, rent, or share your personal information with third parties.

Location data is used only while taking photos and is not stored on our servers.

Third-Party Services

The app may use trusted third-party services such as:

- Google Play Services
- Google Maps/Geocoder (for address lookup)
- Firebase Crash Reporting (if enabled)

These services have their own privacy policies.

Children's Privacy

This app is not directed toward children under 13 years of age. We do not knowingly collect personal information from children.

Data Security

We take reasonable measures to protect your information. However, no method of electronic storage or transmission is completely secure.

Your Choices

You can:

- Deny Camera or Location permissions.
- Disable Location from your device settings.
- Delete any photos created by the app at any time.

Please note that some features may not function correctly without the required permissions.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time.
