Parking

PLEASE DO NOT PARK AT SPORTS BASEMENT as they have limited parking. Instead, riders should park at the Tunnel Tops (paid), Main Post (paid), Stillwell Hall (west of Sports Basement and paid) or East Beach (free). We recommend riders download the PayByPhone app and pay the daily rate.

Routes

The 2025 Bay Ride Route is now finalized! Thank you for everyone's feedback, please keep it coming after this year's ride so we can continue to make this an even more safe, fun ride for everyone.

We recommend using Ride With GPS as the turn by turn directions and cue sheets are easier to use than Strava, but Strava works too. Note these platforms are built with different map data and are 99% the same, but please follow course markings.

35 Mile Riders

The 35 mile route ends at the Oakland Sprouts Market, 3035 Broadway, Oakland, CA 94611. There are plenty of public transport options to bring you back to the Sports Basement in San Francisco, including buses, BART and Ferries. That said, if you want to keep going the cost is the same! We purposefully have designed these routes to be identical for the first 35 miles so that should you want to keep going, there is no added cost or logistics to sign up for - just keep riding! We encourage everyone to push themselves and make the next aid station. And then the next one. There is more in you than you know.

Post Ride Celebration - Burritos, Beer and Beats!

You're going to be hungry after all that riding so we've partnered with El Toro Taqueria (one of my faves in SF) for a free burrito at the end of the ride. Vegan and veggie options available. Please one per person as we'll have limited quantities. Additionally Ripple Beer Project has

created a fresh new beer for the Bay Ride! If you're interested in a NA beer, both Athletic Brewery and Best Day Brewery have you covered.
