Poultry Project Record

Please fill out this record and attach it to your participation record.
You must turn in one project attachment with the participation record in order to receive the State Event Scholarship.

Project: _____ **Years in Project: _____**

Preparing

What are your goals for this year?

Animal Information

Breed:

Date of Hatch:

Date of Ownership:

Please list any vaccinations or medications given throughout the project here:

Reflection

How did you care for your animal throughout the year?

Did you attend any clinics, workshops or project meetings this year? Please list them if you did

What supplies did you need to obtain to take care of your animal?

What was your total feed cost?

How much did it cost for you to care for your animal for the last year?

What did you enjoy most about doing a poultry project?

What problems did you encounter throughout this project?

If you were to repeat this project – what would you do differently?

Please attach any photos that you would like to include here.
